Summary: The Ukiah City Council is currently in the process of considering the issuance of lease revenue bonds, Series 2022 to renovate the City Corporation Yard and construct improvements to various city streets. The terms and the amounts presented in this report are subject to change. This item has been placed on the agenda to allow Council/Ukiah Public Financing Authority the ability to consider authorization should it be deemed warranted.

Staff previously informed the Council and the Authority that a potential funding opportunity for streets had presented itself and needed further evaluation. Through the CalTrans Local Partnership Program the City may have an opportunity to leverage existing City funds (currently planned for encumbrance against a bond issue) as a match for state grant funding. Staff recently received word from CalTrans that the City is eligible to participate in the Local Partnership Program, and Staff is currently examining funding strategies and formulating options for consideration. This review will likely alter the financing amounts presented in this report and an updated recommendation will be presented at the meeting.

The City has developed a capital financing strategy to take advantage of current municipal financial market rates to engage in and complete certain capital projects at a lower cost than other ordinary alternatives. It intends to issue debt to finance these projects, funded primarily by the general fund, most notably resources derived from Measure Y. Proceeds from the Lease Revenue Bonds, Series 2022 (the "Bonds") will be used to renovate the City's Corporation Yard and construct improvements to various City streets.

The Corporation Yard is the base of operations for the City Fleet and Plant Maintenance Facility, Street Maintenance Crew, Water and Wastewater Maintenance Crew, and Electric Utility Maintenance Crew. The estimated renovation cost is \$15 million.

The streets projects primarily consist of improvements to certain streets, rights-of-way reconstruction, and related underground utility projects, as follows: Dora Street: reconstruct Mill to Grove streets and overlay Upper Luce Avenue to Mill Street; Gobbi Street: reconstruct from Highway 101 to Dora Street; Main Street:

reconstruct from Gobbi to Norton streets; Perkins Street: Main Street to Hwy. 101; Dora and State Streets: overlay Beacon Lane to Washington Avenue; Clara Avenue: reconstruct/overlay from State Street to North Orchard Avenue; and Low Gap Road: reconstruct/overlay from State to Bush Streets. The estimated streets project cost for the identified work is \$30 million (\$20.7 million for streets and \$9.3 million for street utilities).

Background: The City has expressed its intention to issue municipal tax-exempt bonds to pay the costs associated with renovating the City's Corporation Yard and constructing improvements to various City streets.

City staff worked with its municipal advisor (NHA Advisors, LLC) to develop a financing plan and engage bond counsel (Jones Hall), an underwriter (Piper Sandler), and other parties to complete the financing.

The Ukiah Public Financing Authority (the "Authority") will be used as the conduit entity to assist in the financing as the counterparty to the various legal agreements and as issuer of the Bonds in an aggregate amount of not-to-exceed Forty-Eight Million Dollars (\$48,000,000). It is anticipated that the Corporation Yard component of the Bonds will be repaid over a 30-year term, the utilities component repaid over a 20-year term, and the streets component repaid over a 10-year term. As a result, annual debt service on the Bonds is estimated to be approximately \$3.4 million through FY 2031-32, approximately \$2.1 million from FY 2032-33 through FY 2032-33, and approximately \$1.05 million through the remaining term of the Bonds (FY 2051-52).

Discussion: The Financing Documents are being presented to the Authority as "form-only documents." The final form of the documents will be produced at this time because the exact amounts, dates, and certain other information will not be known until the actual sale date. The resolutions (Attachments #1 and #2) authorize and direct certain City and Authority officers and staff respectively to finalize the Financing Documents as and when appropriate, and to do all things necessary to provide for the issuance of the Bonds. If the final terms for any reason should fall outside of expected parameters, staff will return for further direction before finalizing the transaction.

The Financing Documents, and a brief description of each, is as follows:

Attachment #3. Site Lease: This is the agreement between the City and Authority, which provides the mechanism of leasing the Leased Assets, respectively, to the Authority so that they can be leased back pursuant to the respective Lease Agreements.

Attachment #4. Lease Agreement: This agreement provides for the lease of the Leased Assets, respectively, back to the City in exchange for Lease Payments commensurate with the debt service schedule for the Bonds. Under the Lease Agreement, the City is pledging its General Fund to make the annual Lease Payments for the life of the Bonds.

The Lease Agreement, among other things, provides the following:

- That the City must include Lease Payments due each Fiscal Year in each corresponding annual budget and make the necessary annual appropriations for all such Lease Payments.
- That the City must, at its sole cost and expense, keep and maintain the Site and Facilities in a clean, safe, and good condition and repair.
- That the City shall have the option at any time to substitute other real property in place of the Site and Facilities (i.e., the City has the right to substitute the collateral of the lease transaction), provided that the City is able to first satisfy all of the requirements set forth in Section 3 of the Lease Agreement.
- That the City must procure and maintain throughout the term of the financing, the insurance set forth in Section 5 of each Lease Agreement.
- That the obligation of the City to pay Lease Payments shall be abated during any period in which by reason of any damage, destruction or condemnation there is substantial interference with the use and occupancy of

the Leased Assets or any portion thereof by the City.

- That upon termination or expiration of a Lease Agreement, and the first date upon which the respective Bonds are no longer outstanding, all right, title and interest in and to the respective Leased Asset shall vest in the City.
- That the Authority covenants that, prior to the discharge of a Lease Agreement and the corresponding series of Bonds, it will diligently maintain its status as a joint powers authority under the laws of the State of California, and will not engage in any activities inconsistent with the purposes for which the Authority is organized.

Attachment #5. Indenture of Trust: This agreement provides for execution and delivery of the Bonds in exchange for proceeds in the par amount of the Bonds, and further lays out the covenants and specifics of the Bonds, as well as the Trustee's duties, repayment mechanisms, default and remedies provisions, and Bondholder's associated rights and remedies.

Attachment #6. Assignment Agreement: This agreement provides the terms and conditions under which the Authority assigns the City's Lease Payments to the Trustee, for ultimate payment to the Bondholders.

Attachment #7. Preliminary Official Statement: The offering document that discloses to prospective investors certain information that would aid in and investors decision to purchase the Bonds. The current version of the Official Statement (OS) as attached to this staff report is the Preliminary Official Statement. The OS outlines the terms of the sale of the Bonds, security for the Bonds, interest rate, obligations of the City and Authority, information about the City, and potential risks of purchasing the Bonds.

Attachment #8. Bond Purchase Agreement: In this agreement, the underwriter (Piper Sandler) agrees to purchase all the Bonds provided that the terms and conditions set forth therein are satisfied. Piper Sandler will then sell the Bonds to investors.

TIMING:

Assuming approval of the resolutions by the City and the Authority, City staff and its financing team will deliver a credit rating presentation to S&P Global Ratings (S&P) in mid-December. S&P will provide a public credit rating for the Bonds. Upon receipt of the credit rating, staff anticipates that the Bonds will be sold to investors in mid-January, at which time, a final interest rate will be locked. Delivery of funds is expected in late March.

FINANCIAL IMPACT:

The annual debt service on the Bonds is estimated to be approximately \$4,300,000 through FY 2031-32 then decrease to approximately \$820,000 through the remaining term of the Bonds (FY 2051-52).

GOOD FAITH ESTIMATES:

The following information consists of estimates that have been provided by the Municipal Advisor (NHA Advisors, LLC) and has been represented by such party to have been provided in good faith:

1. True Interest Cost of the Bonds: 2.80%
2. Finance Charge of the Bonds (sum of all fees/charges paid to third parties): \$456,325
3. Net Proceeds of the Bonds to be Received (net of finance charges, reserves and capitalized interest, if any): \$45,025,000
4. Total Payment Amount through Maturity of the Bonds: \$65,252,941

The foregoing constitute good faith estimates only. The principal amount of the Bonds, the true interest cost of the Bonds, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to: (a) the actual date of the sale of the Bonds being different than the date assumed for purposes of such estimates; (b) the actual principal amount of Bonds sold being different from the estimated amount used for purposes of such estimates; (c) the actual amortization of the Bonds being different than the amortization assumed for purposes of such estimates; (d) the actual market interest rates at the time of sale of the Bonds being different than those estimated for purposes of such estimates; (e) other market conditions; or (f) alterations in the City's financing plan, or a combination of such factors.

The actual date of sale of the Bonds and the actual principal amount of Bonds sold will be determined by the City based on a variety of factors. The actual interest rates borne by the Bonds may be subject to change from what is presented above and that may have an impact on the amortization of the Bonds.

Recommended Action: Approve and adopt the attached resolution authorizing the issuance of lease revenue bonds and City management to execute all related documents for the renovation of the City Corporation Yard and improvements to various city streets.

SITE LEASE

This SITE LEASE (this “Site Lease”), dated for convenience as of February 1, 2022, is between the CITY OF UKIAH, a municipal corporation duly organized and existing under the laws of the State of California, as lessor, which acquired a portion of the Leased Property as the City of Ukiah, California, a municipal corporation (a political subdivision organized and existing under the laws of the State of California) (the “City”), and the UKIAH PUBLIC FINANCING AUTHORITY, a joint exercise of powers authority organized and existing under the laws of the State of California, as lessee (the “Authority”).

B A C K G R O U N D :

1. The City is proceeding to reconstruct its corporation yard and construct improvements to various City streets (collectively, the “Project”).

2. In order to provide funds to finance a portion of the costs of the Project, the City has agreed to lease the real property more particularly described in Appendix A attached hereto and by this reference incorporated herein, consisting of streets in the City (the “Leased Property”) to the Authority under this Site Lease, pursuant to which the Authority agrees to make an initial rental payment (as described herein, the “Site Lease Payment”) which is sufficient to provide funds for such purposes.

3. The Authority has authorized the issuance of its Ukiah Public Financing Authority Lease Revenue Bonds, Series 2022 (Capital Projects) in the aggregate principal amount of \$_____ (the “Bonds”) under an Indenture of Trust dated as of February 1, 2022 (the “Indenture”), between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), for the purpose of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with this Site Lease.

4. In order to provide revenues which are sufficient to enable the Authority to pay debt service on the Bonds, the Authority has agreed to lease the Leased Property back to the City under a Lease Agreement dated as of February 1, 2022 (the “Lease”), which has been executed concurrently herewith, under which the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property thereunder.

5. The lease payments made by the City under the Lease have been assigned by the Authority to Trustee for the security of the Bonds under an Assignment Agreement dated as of February 1, 2022, between the Authority as assignor and the Trustee as assignee, which has been executed concurrently herewith.

A G R E E M E N T :

In consideration of the above premises and of the mutual promises and covenants herein contained and for other valuable consideration, the parties hereto do hereby agree as follows:

SECTION 1. *Lease of Property to Authority.* The City hereby leases the Leased Property to the Authority and the Authority hereby leases the Leased Property from the City, on the terms and conditions hereinafter set forth.

SECTION 2. *Term; Possession.* The term of this Site Lease commences on the Closing Date and ends on the date on which the Indenture is discharged in accordance with Section 13.01 thereof, but under any circumstances not later than April 1, _____. The provisions of this Section 2 are subject in all respects to any other provisions of this Site Lease relating to the termination hereof.

SECTION 3. *Rental.* The Authority shall pay to the City as and for rental of the Leased Property hereunder, the sum of \$_____ (the "Site Lease Payment"). The Site Lease Payment is due and payable upon the issuance of the Bonds and the execution and delivery hereof, and will be paid from the proceeds of the Bonds. The Authority and the City hereby find and determine that the total amount of the Site Lease Payment does not exceed the fair market value of the leasehold interest in the Leased Property which is conveyed hereunder by the City to the Authority. No other amount of rental is due and payable by the Authority for the use and occupancy of the Leased Property under this Site Lease.

As provided in the Indenture, a portion of the proceeds of the Bonds will be applied to make the Site Lease Payment by depositing the full amount thereof into the Project Fund which is held and administered by the City under the Indenture. Amounts on deposit in the Project Fund shall be disbursed by the City from time to time for the purpose of paying Project Costs in accordance with the Indenture.

SECTION 4. *Leaseback to City.* The Authority shall lease the Leased Property back to the City under the Lease.

SECTION 5. *Assignments and Subleases.* Unless the City is in default under the Lease, the Authority may not assign its rights under this Site Lease or sublet all or any portion of the Leased Property, except as provided in the Assignment Agreement and in the Lease, without the prior written consent of the City.

SECTION 6. *Substitution or Release of Property.* If the City exercises its option under Section 3.3 of the Lease to substitute property for the Leased Property in whole or in part, such substitution shall also operate to substitute property for the Leased Property which is leased hereunder. If the City exercises its option under Section 3.4 of the Lease to release a portion of the Leased Property from the Lease, such substitution shall also operate to release such portion of the Leased Property hereunder. The description of the Leased Property which is leased under the Lease shall conform at all times to the description of the Leased Property which is leased hereunder.

SECTION 7. *Right of Entry.* The City reserves the right for any of its duly authorized representatives to enter upon the Leased Property, or any portion thereof, at

any reasonable time to inspect the same or to make any repairs, improvements or changes necessary for the preservation thereof.

SECTION 8. *Termination.* The Authority agrees, upon the termination of this Site Lease, to quit and surrender the Leased Property in the same good order and condition as the Leased Property was in at the time of commencement of the term hereof, reasonable wear and tear excepted, and agrees that all buildings, improvements and structures then existing upon the Leased Property shall remain thereon and title thereto shall vest thereupon in the City for no additional consideration.

SECTION 9. *Default.* If the Authority defaults in the performance of any obligation on its part to be performed under the terms of this Site Lease, which default continues for 30 days following notice and demand for correction thereof to the Authority, the City may exercise any and all remedies granted by law, except that no merger of this Site Lease and of the Lease shall be deemed to occur as a result thereof and no such remedy may include termination hereof; *provided, however*, that so long as the Lease remains in effect, the Lease Payments payable by the City under the Lease shall continue to be paid to the Trustee.

SECTION 10. *Quiet Enjoyment.* The Authority at all times during the term of this Site Lease shall peaceably and quietly have, hold and enjoy all of the Leased Property, subject to the provisions of the Lease and subject only to Permitted Encumbrances (as that term is defined in the Lease).

SECTION 11. *Waiver of Personal Liability.* All liabilities under this Site Lease on the part of the Authority are solely corporate liabilities of the Authority as a public entity, and the City hereby releases each and every member and officer of the Authority of and from any personal or individual liability under this Site Lease. No member or officer of the Authority or its governing board shall at any time or under any circumstances be individually or personally liable under this Site Lease for anything done or omitted to be done by the Authority hereunder.

SECTION 12. *Taxes.* The City covenants and agrees to pay any and all assessments of any kind or character and also all taxes, including possessory interest taxes, levied or assessed upon the Leased Property and any improvements thereon.

SECTION 13. *Eminent Domain.* If the whole or any part of the Leased Property or any improvements thereon is taken by eminent domain proceedings, the interest of the Authority shall be recognized and is hereby determined to be the amount of the then unpaid Lease Payments payable under the Lease and the balance of the award, if any, shall be paid to the City.

SECTION 14. *Partial Invalidity.* If any one or more of the terms, provisions, covenants or conditions of this Site Lease shall to any extent be declared invalid, unenforceable, void or voidable for any reason whatsoever by a court of competent jurisdiction, the finding or order or decree of which becomes final, none of the remaining terms, provisions, covenants and conditions of this Site Lease shall be affected thereby, and each provision of this Site Lease shall be valid and enforceable to the fullest extent permitted by law.

SECTION 19. *Binding Effect.* This Site Lease inures to the benefit of and is binding upon the Authority, the City and their respective successors and assigns, subject, however, to the limitations contained herein.

SECTION 20. *Section Headings.* All section headings contained herein are for convenience of reference only and are not intended to define or limit the scope of any provision of this Site Lease.

SECTION 21. *Execution in Counterparts.* This Site Lease may be executed in any number of counterparts, each of which shall be deemed to be an original but all together shall constitute but one and the same lease. It is also agreed that separate counterparts of this Site Lease may be separately executed by the Authority and the City, all with the same force and effect as though the same counterpart had been executed by both the Authority and the City.

SECTION 22. *Defined Terms.* All capitalized terms used herein and not otherwise defined have the respective meanings given those terms in the Indenture.

IN WITNESS WHEREOF, the City and the Authority have caused this Site Lease to be executed by their respective officers thereunto duly authorized, all as of the day and year first above written.

(a) Obligation to Pay. Subject to the provisions of Sections 6.2 and 6.3 and the provisions of Article IX, the City agrees to pay to the Authority, its successors and assigns, the Lease Payments in the respective amounts specified in Appendix B attached to this Lease, to be due and payable in immediately available funds on the Interest Payment Dates immediately following each of the respective Lease Payment Dates specified in Appendix B, and to be deposited by the City with the Trustee on each of the Lease Payment Dates specified in Appendix B. Any amount held in the Bond Fund, the Interest Account and the Principal Account on any Lease Payment Date (other than amounts resulting from the prepayment of the Lease Payments in part but not in whole under Article IX, and amounts required for payment of past due principal or interest on any Bonds not presented for payment) will be credited towards the Lease Payment then required to be paid hereunder. The City is not required to deposit any Lease Payment with the Trustee on any Lease Payment Date if the amounts then held in

the Bond Fund, the Interest Account and the Principal Account are at least equal to the Lease Payment then required to be deposited with the Trustee. The Lease Payments payable in any Rental Period are for the use of the Leased Property during that Rental Period.

(b) Effect of Prepayment. If the City prepays all Lease Payments in full under Section 9.2, the City's obligations under this Section will thereupon cease and terminate. If the City prepays the Lease Payments in part but not in whole under Section 9.2, the principal components of the remaining Lease Payments will be reduced in integral multiples of \$5,000 among Lease Payment Dates on a basis which corresponds to the principal maturities of the Bonds which are redeemed thereby; and the interest component of each remaining Lease Payment will be reduced by the aggregate corresponding amount of interest which would otherwise be payable with respect to the Bonds thereby redeemed under Section 4.01 of the Indenture.

(c) Rate on Overdue Payments. If the City fails to make any of the payments required in this Section, the payment in default will continue as an obligation of the City until the amount in default has been fully paid, and the City agrees to pay the same with interest thereon, from the date of default to the date of payment at the highest rate of interest on any Outstanding Bond.

(d) Fair Rental Value. The aggregate amount of the Lease Payments and Additional Rental Payments coming due and payable during each Rental Period constitute the total rental for the Leased Property for such Rental Period, and are payable by the City in each Rental Period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each Rental Period. The parties hereto have agreed and determined that the total Lease Payments represent the fair rental value of the Leased Property. In making that determination, consideration has been given to the estimated value of the Leased Property, other obligations of the City and the Authority under this Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the City and the general public.

(e) Assignment. The City understands and agrees that all Lease Payments have been assigned by the Authority to the Trustee in trust, under the Assignment Agreement, for the benefit of the Owners of the Bonds, and the City hereby assents to such assignment. The Authority hereby directs the City, and the City hereby agrees to pay to the Trustee at its Office, all payments payable by the City under this Section and all amounts payable by the City under Article IX.

SECTION 4.4. *Source of Payments; Covenant to Budget and Appropriate.* The Lease Payments are payable from any source of available funds of the City, subject to the provisions of Section 6.3. The City covenants to take all actions required to include the Lease Payments in each of its budgets during the Term of this Lease and to make the necessary appropriations for all Lease Payments and Additional Rental Payments. The foregoing covenant of the City contained constitutes a duty imposed by law and each and every public official of the City is required to take all actions required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease agreed to be carried out and performed by the City.

SECTION 4.5. *Additional Rental Payments.* In addition to the Lease Payments, the City shall pay when due the following amounts of Additional Rental Payments in consideration of the lease of the Leased Property by the City from the Authority hereunder:

- (a) All fees and expenses incurred by the Authority in connection with or by reason of its leasehold estate in the Leased Property, when due;
- (b) All reasonable compensation to the Trustee for all services rendered under the Indenture and for all reasonable expenses, charges, costs, liabilities, legal fees and other disbursements incurred in and about the performance of its powers and duties under the Indenture;
- (c) The reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Authority or the Trustee to prepare audits, financial statements, reports, opinions or provide such other services required under this Lease or the Indenture;
- (d) Amounts coming due and payable as Excess Investment Earnings in accordance with Section 7.6(e); and
- (e) The reasonable out-of-pocket expenses of the Authority in connection with the execution and delivery of this Lease or the Indenture, or in connection with the issuance of the Bonds, including but not limited to any and all expenses incurred in connection with the authorization, sale and delivery of the Bonds, or incurred by the Authority in connection with any litigation which may at any time be instituted involving this Lease, the Bonds, the Indenture or any of the other documents contemplated hereby or thereby, or otherwise incurred in connection with the administration of this Lease.

SECTION 4.6. *Quiet Enjoyment.* Throughout the Term of this Lease, the Authority shall provide the City with quiet use and enjoyment of the Leased Property and the City will peaceably and quietly have and hold and enjoy the Leased Property, without suit, trouble or hindrance from the Authority, except as expressly set forth in this Lease. The Authority will, at the request of the City and at the City's cost, join in any legal action in which the City asserts its right to such possession and enjoyment to the extent the Authority may lawfully do so. Notwithstanding the foregoing, the Authority has the right to inspect the Leased Property as provided in Section 7.2.

SECTION 4.7. *Title.* Upon the termination of this Lease (other than under Section 8.2(b) hereof), all right, title and interest of the Authority in and to the Leased Property transfers to and vests in the City. The Authority shall take any and all steps and execute and record any and all documents reasonably required by the City to consummate any such transfer of title.

ARTICLE V

MAINTENANCE; TAXES; INSURANCE; AND OTHER MATTERS

SECTION 5.1. *Maintenance, Utilities, Taxes and Assessments.* Throughout the Term of this Lease, as part of the consideration for the rental of the Leased Property, all improvement, repair and maintenance of the Leased Property are the responsibility of the City, and the City will pay for or otherwise arrange for the payment of all utility services supplied to the Leased Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and will pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Leased Property resulting from ordinary wear and tear or want of care on the part of the City or any assignee or sublessee thereof. In exchange for the Lease Payments herein provided, the Authority agrees to provide only the Leased Property. The City waives the benefits of subsections 1 and 2 of Section 1932, Section 1933(4) and Sections 1941 and 1942 of the California Civil Code, but such waiver does not limit any of the rights of the City under the terms of this Lease.

The City shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Authority or the City affecting the Leased Property or the respective interests or estates therein; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the City shall pay only such installments as are required to be paid during the Term of this Lease as and when the same become due.

The City may, at its expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority notifies the City that, in its reasonable opinion, by nonpayment of any such items the interest of the Authority in the Leased Property will be materially endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to the Authority and the Trustee.

SECTION 5.2. *Modification of Leased Property.* The City has the right, at its own expense, to make additions, modifications and improvements to the Leased Property or any portion thereof. All additions, modifications and improvements to the Leased Property will thereafter comprise part of the Leased Property and become subject to the provisions of this Lease. Such additions, modifications and improvements may not in any way damage the Leased Property, or cause the Leased Property to be used for purposes other than those authorized under the provisions of state and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto under this Section, must be of a value which is not substantially less than the value thereof immediately prior to the making of such additions, modifications and improvements. The City will not permit any mechanic's or other lien to be established or remain against the Leased Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City under this Section; except that if any such lien is established and the City first notifies or causes to be notified the Authority of the City's

intention to do so, the City may in good faith contest any lien filed or established against the Leased Property, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and shall provide the Authority with full security against any loss or forfeiture which might arise from the nonpayment of any such item, in form satisfactory to the Authority. The Authority will cooperate fully in any such contest, upon the request and at the expense of the City.

SECTION 5.3. *Liability Insurance.* The City shall maintain or cause to be maintained throughout the Term of this Lease, a standard commercial general liability insurance policy or policies in protection of the Authority, the City, and their respective members, officers, agents, employees and assigns. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Leased Property. Such policy or policies shall provide coverage in such liability limits and be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of self-insurance by the City, subject to the provisions of Section 5.4, or in the form of the participation by the City in a joint powers agency or other program providing pooled insurance. The proceeds of such liability insurance must be applied toward extinguishment or satisfaction of the liability with respect to which paid.

SECTION 5.4. *Property Insurance.* The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, insurance against loss or damage to all improvements situated on the Leased Property. To the extent the Leased Property does not include streets, such insurance shall be in an amount at least equal to the lesser of (a) 100% of the replacement value of the insured buildings, or (b) 100% of the aggregate principal amount of the Outstanding Bonds. Such insurance must, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance, and must include earthquake insurance if available at reasonable cost from reputable insurers in the judgment of the City. Such insurance may be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance must be applied as provided in Section 6.1.

SECTION 5.5. *Insurance Net Proceeds; Form of Policies.* Each policy of insurance maintained under Section 5.4 must name the Trustee as loss payee so as to provide that all proceeds thereunder are payable to the Trustee. The City shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease. All such policies shall provide that the Trustee is given 30 days' notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby. The Trustee has no responsibility for the sufficiency, adequacy or amount of any insurance or self-insurance herein required and is fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss.

SECTION 5.6. *Installation of City's Personal Property.* The City may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed other items of equipment or other personal property in or upon the Leased Property. All such items shall remain the sole property of the City, in which neither the Authority nor the Trustee has any interest, and may be modified or removed by the City at any time, provided that the City must repair all damage to the Leased Property resulting from the installation, modification or removal of any such items. Nothing in this Lease prevents the City from purchasing or leasing items to be installed under this Section under a lease or conditional sale agreement, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, so long as no such lien or security interest attaches to any part of the Leased Property.

SECTION 5.7. *Advances.* If the City fails to perform any of its obligations under this Article V, the Authority may (but is not required to) take such action as it deems necessary to cure such failure, including the advancement of money, and the City shall repay all such advances as Additional Rental Payments hereunder, with interest at the rate set forth in Section 4.3(c).

ARTICLE VI

DAMAGE, DESTRUCTION AND EMINENT DOMAIN; USE OF NET PROCEEDS

SECTION 6.1. *Application of Net Proceeds.* The Trustee, as assignee of the Authority under the Assignment Agreement, has the right to receive all Net Proceeds. As provided in the Indenture, the Trustee will deposit all Net Proceeds in the Insurance and Condemnation Fund to be applied as set forth in Section 5.07 of the Indenture.

SECTION 6.2. *Termination or Abatement Due to Eminent Domain.*

(a) If the Leased Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of this Lease thereupon ceases as of the day possession is taken.

(b) If less than all of the Leased Property is taken permanently and the remainder is useable for the City's purposes, or if the Leased Property is taken temporarily, under the power of eminent domain, then:

- (i) this Lease continues in full force and effect with respect thereto and does not terminate by virtue of such taking, and the parties waive the benefit of any law to the contrary, and
- (ii) the Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property.

Notwithstanding the foregoing, there shall be no abatement of the Lease Payments under this Section 6.2 in the event and to the extent that amounts in the

Insurance and Condemnation Fund, the Bond Fund or the Reserve Fund are available to pay Lease Payments which would otherwise be abated, it being hereby declared that such proceeds and amounts constitute special funds for the payment of the Lease Payments.

SECTION 6.3. *Abatement Due to Damage or Destruction.* The Lease Payments are subject to abatement during any period in which by reason of damage or destruction (other than by eminent domain which is hereinbefore provided for) there is substantial interference with the use and occupancy by the City of the Leased Property or any portion thereof. The Lease Payments are subject to abatement in an amount determined by the City, such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property not damaged or destroyed. Such abatement will continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction. In the event of any such damage or destruction, this Lease continues in full force and effect and the City waives any right to terminate this Lease by virtue of any such damage and destruction.

Notwithstanding the foregoing, there shall be no abatement of the Lease Payments under this Section 6.3 in the event and to the extent that amounts in the Insurance and Condemnation Fund, the Bond Fund or the Reserve Fund are available to pay Lease Payments which would otherwise be abated, it being hereby declared that such proceeds and amounts constitute special funds for the payment of the Lease Payments.

The abatement of Lease Payments hereunder in accordance with the terms hereof shall not constitute an Event of Default (as defined in Section 8.1) hereunder.

ARTICLE VII

OTHER COVENANTS OF THE CITY

SECTION 7.1. *Disclaimer of Warranties.* THE AUTHORITY MAKES NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE CITY OF THE LEASED PROPERTY OR ANY PORTION THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE LEASED PROPERTY OR ANY PORTION THEREOF. THE CITY ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE LEASED PROPERTY OR A DEALER THEREIN, THAT THE CITY LEASES THE LEASED PROPERTY AS-IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE CITY. The Authority has no liability for incidental, indirect, special or consequential damages, in connection with or arising out of this Lease for the existence, furnishing, functioning or use of the Leased Property by the City.

SECTION 7.2. *Access to the Leased Property.* The City agrees that the Authority and any Authorized Representative of the Authority, and the Authority's successors or

assigns, have the right at all reasonable times to enter upon and to examine and inspect the Leased Property or any part thereof. The City further agrees that the Authority, any Board Representative and the Authority's successors or assigns may have such rights of access to the Leased Property or any component thereof as reasonably necessary to cause the proper maintenance of the Leased Property if the City fails to perform its obligations hereunder; *provided, however*, that neither the Authority nor any of its assigns has any obligation to cause such proper maintenance.

SECTION 7.3. *Release and Indemnification Covenants.* The City agrees to indemnify the Authority, the Trustee and their respective officers, agents, successors and assigns, against all claims, losses and damages, including legal fees and expenses, arising out of any of the following:

- (a) the use, maintenance, condition or management of, or from any work or thing done on the Leased Property by the City,
- (b) any breach or default on the part of the City in the performance of any of its obligations under this Lease,
- (c) any negligence or willful misconduct of the City or of any of its agents, contractors, servants, employees or licensees with respect to the Leased Property,
- (d) any intentional misconduct or negligence of any sublessee of the City with respect to the Leased Property,
- (e) the acquisition, construction, improvement and equipping of the Leased Property, or the authorization of payment of the costs thereof, or
- (f) the acceptance and performance of the duties of the Trustee under the Indenture and under this Lease.

The rights of the Authority and the Trustee and the obligations of the City under this Section 7.3 shall survive the termination of this Lease or the resignation or removal of the Trustee.

No indemnification is made under this Section or elsewhere in this Lease for willful misconduct or negligence under this Lease by the Authority, the Trustee or their respective officers, agents, employees, successors or assigns.

SECTION 7.4. *Assignment and Subleasing by the City.* This Lease may not be assigned by the City, other than to an entity which succeeds to the interests of the City as a municipal corporation. The City may sublease the Leased Property, or any portion thereof, subject to all of the following conditions:

- (a) This Lease and the obligation of the City to make Lease Payments hereunder must remain obligations of the City.
- (b) The City must, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease.

- (c) No such sublease by the City may cause the Leased Property to be used for a purpose which is not authorized under the provisions of the laws of the State of California.
- (d) The City must furnish to the Authority and the Trustee a written opinion of Bond Counsel stating that such sublease does not cause the interest components of the Lease Payments to become included in gross income for purposes of federal income taxation or to become subject to personal income taxation by the State of California.

SECTION 7.5. *Amendment Hereof.* The Authority and the City may at any time amend or modify any of the provisions of this Lease, but only: (a) with the prior written consents of the Owners of a majority in aggregate principal amount of the Outstanding Bonds; or (b) without the consent of the Trustee or any of the Bond Owners, but only if such amendment or modification is for any one or more of the following purposes:

- (i) to add to the covenants and agreements of the City contained in this Lease, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or power herein reserved to or conferred upon the City;
- (ii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein, to conform to the original intention of the City and the Authority;
- (iii) to modify, amend or supplement this Lease in such manner as to assure that the interest on the Bonds remains excluded from gross income under the Tax Code;
- (iv) to amend the description of the Leased Property to reflect accurately the property originally intended to be included therein, or in connection with any substitution or release of property under Sections 3.3 or 3.4;
- (v) to obligate the City to pay additional amounts of rental for the use and occupancy of the Leased Property, but only if (A) such additional rent payments are pledged or assigned for the payment of any bonds, notes or other obligations the proceeds of which are applied to finance or refinance the acquisition or construction of any real or personal property for which the City is authorized to expend funds subject to its control, (B) the City has obtained an appraisal or other evidence that the value of the Leased Property is at least equal to the aggregate principal amount of the Outstanding Bonds and all such other bonds, notes, leases or other obligations, and (C) the City has filed with the Trustee written evidence that the amendments made under this clause (v) will not of themselves cause a reduction or withdrawal of any rating then assigned to the Bonds;
- (vi) in any other respect whatsoever as the Authority and the City deem necessary or desirable, if in the opinion of Bond Counsel such

modifications or amendments do not materially adversely affect the interests of the Owners of the Bonds.

No such modification or amendment may (a) extend or have the effect of extending any Lease Payment Date or reducing any Lease Payment or any premium payable upon the prepayment thereof, without the express consent of the Owners of the affected Bonds, or (b) modify any of the rights or obligations of the Trustee without its written assent thereto.

SECTION 7.6. *Tax Covenants.*

(a) Private Business Use Limitation. The City shall assure that the proceeds of the Bonds are not used in a manner which would cause the Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The City may not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The City may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(d) Maintenance of Tax Exemption. The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The City shall calculate or cause to be calculated the Excess Investment Earnings in all respects at the times and in the manner required under the Tax Code. The City shall pay the full amount of Excess Investment Earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code. Such payments shall be made by the City from any source of legally available funds of the City, and shall constitute Additional Rental Payments hereunder.

The City shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate. The Trustee has no duty or obligation to monitor or enforce compliance by the City of any of the requirements under this subsection (e).

SECTION 7.7. *Continuing Disclosure.* The City shall comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed by the City as of the Closing Date, as originally executed and as it may be amended from time to time in

accordance with its terms. Notwithstanding any other provision of this Lease, failure of the City to comply with such Continuing Disclosure Certificate will not constitute an Event of Default, although any Participating Underwriter (as that term is defined in such Continuing Disclosure Certificate) or any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations under this Section, including seeking mandate or specific performance by court order.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.1. *Events of Default Defined.* Any one or more of the following events constitute an Event of Default hereunder:

- (a) Failure by the City to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein.
- (b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in the preceding subsection (a), for a period of 30 days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Authority or the Trustee. If in the reasonable opinion of the City the failure stated in the notice can be corrected, but not within such 30 day period, the failure will not constitute an Event of Default if the City commences to cure the failure within such 30 day period and thereafter diligently and in good faith cures the failure in a reasonable period of time.
- (c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of the Federal Bankruptcy Code, as amended, or under any similar acts which may hereafter be enacted.

SECTION 8.2. *Remedies on Default.* Whenever any Event of Default has happened and is continuing, the Authority may exercise any and all remedies available under law or granted under this Lease to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder, except as provided herein. Notwithstanding anything herein or in the Indenture to the contrary, (a) neither the Authority nor the Trustee may accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable (the Authority hereby expressly waives the right to receive any amount from the City pursuant to Section 1951.2 of the California Civil Code to accelerate payment of the Lease Payments) and (b) the Authority shall have no right to re-lease any portion of the Leased Property that constitutes the roadway portion of a City street. Each covenant hereof to

be kept and performed by the City is expressly made a condition and upon the breach thereof the Authority may exercise any and all rights granted hereunder; except that no termination of this Lease may be effected either by operation of law or acts of the parties hereto, except only in the manner herein expressly provided.

SECTION 8.3. *No Remedy Exclusive.* No remedy herein conferred upon or reserved to the Authority is intended to be exclusive and every such remedy is cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon the occurrence of any Event of Default impairs any such right or power or operates as a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it in this Article VIII it is not necessary to give any notice, other than as expressly required in this Article VIII or by law.

SECTION 8.4. *Agreement to Pay Attorneys' Fees and Expenses.* If the Authority or the City defaults under any of the provisions of this Lease and the nondefaulting party employs attorneys or incurs other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party will on demand therefor pay to the nondefaulting party the reasonable fees of such attorneys and such other expenses so incurred by the nondefaulting party.

SECTION 8.5. *No Additional Waiver Implied by One Waiver.* If the Authority or the City breaches any agreement in this Lease and thereafter the other party waives the breach, such waiver is limited to the particular Breach so waived and does not operate to waive any other breach hereunder.

SECTION 8.6. *Application of Proceeds.* All net proceeds received from a re-lease of the Leased Property under this Article VIII, and all other amounts derived by the Authority or the Trustee as a result of the occurrence of an Event of Default, must be paid to and applied by the Trustee in accordance with Section 7.03 of the Indenture.

SECTION 8.7. *Trustee and Bond Owners to Exercise Rights.* Such rights and remedies as are given to the Authority under this Article VIII have been assigned by the Authority to the Trustee under the Assignment Agreement for the benefit of the Bond Owners, to which assignment the City hereby consents. The Trustee and the Bond Owners shall exercise such rights and remedies in accordance with the Indenture.

ARTICLE IX

PREPAYMENT OF LEASE PAYMENTS

SECTION 9.1. *Security Deposit.* Notwithstanding any other provision of this Lease, the City may on any date secure the payment of the Lease Payments allocable to the Leased Property in whole or in part by depositing with the Trustee an amount of cash which, together with other available amounts on deposit in the funds and accounts established under the Indenture, is either:

- (a) sufficient to pay such Lease Payments, including the principal and interest components thereof, in accordance with the Lease Payment schedule set forth in Appendix B, or
- (b) invested in whole or in part in non-callable Federal Securities in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and together with any cash which is so deposited, be fully sufficient to pay such Lease Payments when due under Section 4.3(a), as the City instructs at the time of said deposit.

If the City makes a security deposit under this Section with respect to all unpaid Lease Payments, and notwithstanding the provisions of Section 4.2, (a) the Term of this Lease will continue, (b) all obligations of the City under this Lease, and all security provided by this Lease for said Lease Payments, will thereupon cease and terminate, excepting only the obligation of the City to make, or cause to be made all of said Lease Payments from such security deposit, and (c) under Section 4.7, title to the Leased Property will vest in the City on the date of said deposit automatically and without further action by the City or the Authority. Said security deposit constitutes a special fund for the payment of Lease Payments in accordance with the provisions of this Lease.

SECTION 9.2. *Prepayment.* The City has the option to prepay the principal components of the Lease Payments in as described under Section 4.01(a) of the Indenture. Such prepayment price shall be deposited by the Trustee in the Redemption Fund to be applied to the redemption of Bonds under Section 4.01(a) of the Indenture. The City shall give written notice to the Authority and the Trustee of its intention to prepay the Lease Payments under this Section at least 45 days prior to the prepayment date, or such shorter period of time as may be acceptable to the Trustee in its sole discretion, such notice being solely for the convenience of the Trustee. Additionally, this Lease is subject to extraordinary mandatory prepayment as described under Section 4.01(c) of the Indenture.

SECTION 9.3. *Mandatory Prepayment From Net Proceeds of Insurance or Eminent Domain.* The City shall prepay the principal components of the Lease Payments allocable to the Leased Property in whole or in part on any date, from and to the extent of any Net Proceeds of insurance award or eminent domain award with respect to the Leased Property theretofore deposited in the Redemption Fund for that purpose under Article VI hereof and Section 5.07 of the Indenture. Such Net Proceeds, to the extent remaining after payment of any delinquent Lease Payments, will be credited towards the City's obligations under this Section and applied to the corresponding redemption of Bonds under Section 4.01 of the Indenture on the next available redemption date.

SECTION 9.4. *Credit for Amounts on Deposit.* If the principal components of the Lease Payments are prepaid in full under this Article IX, such that the Indenture is discharged by its terms as a result of such prepayment, at the written election of the City filed with the Trustee any or all amounts then on deposit in the Bond Fund (and the accounts therein) or the Reserve Fund will be credited towards the amounts then required to be so prepaid.

ARTICLE X

MISCELLANEOUS

SECTION 10.1. *Notices.* Any notice, request, complaint, demand or other communication under this Lease shall be given by first class mail or personal delivery to the party entitled thereto at its address set forth below, or by facsimile transmission or other form of telecommunication, at its number set forth below. INDENTURE OF TRUST

This INDENTURE OF TRUST (this “Indenture”), dated for convenience as of February 1, 2022, is between the UKIAH PUBLIC FINANCING AUTHORITY, a joint exercise of powers authority organized and existing under the laws of the State of California (the “Authority”), and THE BANK OF NEW YORK MELLON TRUST COMPANY, a national banking association organized and existing under the laws of the United States of America, with a corporate trust office in San Francisco, California, being qualified to accept and administer the trusts hereby created (the “Trustee”).

BACKGROUND:

1. The City is proceeding to reconstruct its corporation yard and construct improvements to various City streets (collectively, the “Project”).

2. In order to provide funds to finance a portion of the costs of the Project, the City has agreed to lease the real property more particularly described in Appendix A attached hereto and by this reference incorporated herein, consisting of streets in the City (the “Leased Property”) to the Authority under a Site Lease dated as of February 1, 2022 (the “Site Lease”), under which the Authority agrees to make an initial rental payment (the “Site Lease Payment”) which is sufficient to provide funds for such purposes.

3. The Authority has authorized the issuance of its Ukiah Public Financing Authority Lease Revenue Bonds, Series 2022 (Capital Projects) in the aggregate principal amount of \$_____ (the “Bonds”) under this Indenture and under the provisions of Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California, commencing with Section 6584 of said Code (the “Bond Law”), for the purpose of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with the Site Lease.

4. In order to provide revenues which are sufficient to enable the Authority to pay debt service on the Bonds, the Authority has agreed to lease the Leased Property back to the City under a Lease Agreement dated as of February 1, 2022 (the “Lease”), under which the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property thereunder.

5. The lease payments made by the City under the Lease have been assigned by the Authority to the Trustee for the security of the Bonds under an Assignment Agreement dated as of February 1, 2022, between the Authority as assignor and the Trustee as assignee.

6. In order to provide for the authentication and delivery of the Bonds, to establish and declare the terms and conditions upon which the Bonds are to be issued and to secure the payment of the principal thereof, premium (if any) and interest thereon, the Authority has authorized the execution and delivery of this Indenture.

7. The Authority has found and determines, and hereby affirms, that all acts and proceedings required by law necessary to make the Bonds, when executed by the

Authority, authenticated and delivered by the Trustee and duly issued, the valid, binding and legal special obligations of the Authority, and to constitute this Indenture a valid and binding agreement for the uses and purposes herein set forth in accordance with its terms, have been done and taken, and the execution and delivery of this Indenture have been in all respects duly authorized.

A G R E E M E N T :

In order to secure the payment of the principal of and the interest and redemption premium (if any) on all the Outstanding Bonds under this Indenture according to their tenor, and to secure the performance and observance of all the covenants and conditions therein and herein set forth, and to declare the terms and conditions upon and subject to which the Bonds are to be issued and received, and in consideration of the premises and of the mutual covenants herein contained and of the purchase and acceptance of the Bonds by the Owners thereof, and for other valuable considerations, the receipt of which is hereby acknowledged, the Authority and the Trustee do hereby covenant and agree with one another, for the benefit of the respective Owners from time to time of the Bonds, as follows:

ARTICLE II

THE BONDS

SECTION 2.01. *Authorization of Bonds.* The Authority has reviewed all proceedings heretofore taken and has found, as a result of such review, and hereby finds and determines that all things, conditions and acts required by law to exist, happen or be performed precedent to and in connection with the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law, and the Authority is now duly empowered, under each and every requirement of law, to issue the Bonds in the manner and form provided in this Indenture.

The Authority hereby authorizes the issuance of Bonds in the aggregate principal amount of \$_____ under the Bond Law for the purposes of providing funds to pay the Site Lease Payment to the City and thereby provide funds to finance the Project. The Bonds are authorized and issued under, and are subject to the terms of, this Indenture and the Bond Law. The Bonds are designated as the “Ukiah Public Financing Authority Lease Revenue Bonds, Series 2022 (Capital Projects).”

SECTION 2.02. *Terms of the Bonds.*

(a) Payment Provisions. The Bonds shall be issued in fully registered form without coupons in denominations of \$5,000 or any integral multiple thereof, so long as no Bond has more than one maturity date. The Bonds shall mature on April 1 in each of the years and in the amounts, and bear interest (calculated on the basis of a 360-day year of twelve 30-day months) at the rates, as follows:

Maturity Date <u>(April 1)</u>	Principal <u>Amount</u>	Interest <u>Rate</u>
-----------------------------------	----------------------------	-------------------------

Interest on the Bonds is payable from the Interest Payment Date next preceding the date of authentication thereof unless:

- (a) a Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date,
- (b) a Bond is authenticated on or before the first Record Date, in which event interest thereon will be payable from the Closing Date, or
- (c) interest on any Bond is in default as of the date of authentication thereof, in which event interest thereon will be payable from the date to which interest has been paid in full, payable on each Interest Payment Date.

Interest is payable on each Interest Payment Date to the persons in whose names the ownership of the Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest on any Bond which is not punctually paid or duly provided for on any Interest Payment Date is payable to the person in whose name the ownership of such Bond is registered on the Registration Books at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice of which is given to such Owner by first-class mail not less than 10 days prior to such special record date.

The Trustee will pay interest on the Bonds by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owners of the Bonds at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date. At the written request of the Owner of Bonds in an aggregate principal amount of at least \$1,000,000, which written request is on file with the Trustee as of any Record Date, the Trustee will pay interest on such Bonds on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as specified in such written request, which written request will remain in effect until rescinded in writing by the Owner. The Trustee will pay principal of the Bonds in lawful money of the United States of America by check of the Trustee upon presentation and surrender thereof at the Office of the Trustee.

SECTION 2.03. *Transfer and Exchange of Bonds.*

(a) Transfer. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. The Trustee shall collect from the transferee any tax or other governmental charge on the transfer of any Bonds under this Section 2.03. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and deliver to the transferee a new Bond or Bonds of like series, interest rate, maturity and aggregate principal amount in authorized denominations. The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer of Bonds. Prior to any transfer of a Bond outside the book-entry system (including, but not limited to, the initial transfer outside the book-entry system) the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to

comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. The Trustee shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(b) Exchange. The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, interest rate and maturity. The Trustee shall collect from the transferee any tax or other governmental charge on the exchange of any Bonds under this subsection (b). The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange of Bonds.

(c) Limitations. The Trustee may refuse to transfer or exchange, under the provisions of this Section 2.03, any Bonds selected by the Trustee for redemption under Article IV, or any Bonds during the period established by the Trustee for the selection of Bonds for redemption.

SECTION 2.04. *Book-Entry System.*

(a) Original Delivery. The Bonds will be initially delivered in the form of a separate single fully registered bond (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the Trustee shall register the ownership of each Bond on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, the Authority and the Trustee has no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Nominee holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, the Authority and the Trustee has no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed if the Authority elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Authority and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal of and premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and the interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the Authority to make payments of

principal, interest and premium, if any, under this Indenture. Upon delivery by the Depository to the Authority of written notice to the effect that the Depository has determined to substitute a new Nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Authority shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Authority shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Authority or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bond Owners. Upon the written acceptance by the Trustee, the Trustee shall agree to take all action reasonably necessary for all representations of the Trustee in such letter with respect to the Trustee to at all times be complied with. In addition to the execution and delivery of such letter, the Authority may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. If either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Authority determines to terminate the Depository as such, then the Authority shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Authority and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Authority fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

If the Authority determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Authority may notify the Depository System Participants of the availability of such certificated Bonds through the Depository. In such event, the Trustee will issue, transfer and exchange Bonds as required by the Depository and others in appropriate amounts; and whenever the Depository requests, the Trustee and the Authority shall cooperate with the Depository in taking appropriate action (y) to make available one or more separate certificates evidencing the Bonds to any Depository System Participant having Bonds credited to its account with the Depository, or (z) to arrange for another Securities Depository to maintain custody of a single certificate evidencing such Bonds, all at the Authority's expense.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

SECTION 2.05. *Registration Books.* The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall upon reasonable notice as agreed to by the Trustee, be open to inspection during regular business hours by the Authority; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as hereinbefore provided.

SECTION 2.06. *Form and Execution of Bonds.* The Bonds, the form of Trustee's certificate of authentication, and the form of assignment to appear thereon, are set forth in Appendix B attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

The Treasurer of the Authority or other Authorized Representative with authority to do so shall execute, and the Secretary of the Authority shall attest each Bond. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer before the Closing Date, such signature will nevertheless be as effective as if the officer had remained in office until the Closing Date. Any Bond may be signed and attested on behalf of the Authority by such persons as at the actual date of the execution of such Bond are the proper officers of the Authority, duly authorized to execute debt instruments on behalf of the Authority, although on the date of such Bond any such person was not an officer of the Authority.

Only those Bonds bearing a certificate of authentication in the form set forth in Appendix B, manually executed and dated by the Trustee, are valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee is conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

SECTION 2.07. *Bonds Mutilated, Lost, Destroyed or Stolen.* If any Bond is mutilated, the Authority, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. The Trustee shall cancel every mutilated Bond surrendered to it and deliver such mutilated Bond to, or upon the order of, the Authority. If any Bond is lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory and if indemnity satisfactory to the Trustee is given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section and of the expenses which may be incurred by the Trustee in connection therewith. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen will constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued under this Indenture.

Notwithstanding any other provision of this Section 2.07, in lieu of delivering a new Bond for which principal has become due for a Bond which has been mutilated, lost, destroyed or stolen, the Trustee may make payment of such Bond in accordance with its terms upon receipt of indemnity satisfactory to the Trustee.

The Trustee may conclusively rely on such Written Requisitions and shall be fully protected in relying thereon. On 120 days following issuance of the Bonds, or upon the earlier Written Request of the Authority, the Trustee shall transfer all amounts remaining in the Costs of Issuance Fund to the Bond Fund and shall thereupon close the Costs of Issuance Fund.

SECTION 3.04. *Establishment and Application of Project Fund.* There is hereby established in trust a special fund designated the "Project Fund," which will be held by the Trustee and which will be kept separate and apart from all other funds and moneys held by the Trustee into which the Trustee shall deposit a portion of the proceeds of sale of the Bonds under Section 3.02(b). SECTION 4.01. *Terms of Redemption.*

(a) Optional Redemption. The Bonds maturing on or before April 1, 2029, are not subject to redemption prior to their respective stated maturities. The Bonds maturing on or after April 1, _____, are subject to redemption in whole, or in part at the election of the Authority among maturities on such basis as shall be designated by the Authority and by lot within a maturity, at the option of the Authority, on any date on or after April 1, _____, from any available source of funds, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium.

(c) Extraordinary Mandatory Redemption. The Bonds are subject to mandatory redemption prior to maturity in whole or in part among maturities as determined by the Authority, on any date, at a redemption price equal to 100% of the principal amount thereof to be redeemed (plus accrued but unpaid interest to the redemption date), without premium, from Net Proceeds received under Section 5.5 of the Lease Agreement and from amounts deposited in the Insurance and Condemnation Fund pursuant to Section 5.07 hereof, and any other funds available for such purpose under this Indenture.

SECTION 4.02. *Selection of Bonds for Redemption.* Whenever provision is made in this Indenture for the redemption of less than all of the Bonds, the Bonds shall be selected for redemption on a pro-rata basis among outstanding maturities or as otherwise directed by the Authority. For purposes of such selection, the Trustee shall treat each Bond as consisting of separate \$5,000 portions and each such portion shall be subject to redemption as if such portion were a separate Bond.

Each such notice shall also state that on the redemption date there will become due and payable on each of said Bonds the redemption price thereof, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered. Neither the failure to receive any notice nor any defect therein shall affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date. Notice of redemption of Bonds shall be given by the Trustee, at the expense of the Authority, for and on behalf of the Authority.

The Authority has the right to rescind any notice of the redemption of Bonds under Section 4.01(a) by written notice to the Trustee on or prior to the dated fixed for redemption. Any notice of optional redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default. The Authority and the Trustee have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under this Section.

SECTION 4.04. *Partial Redemption of Bonds.* Upon surrender of any Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered.

If there is no Qualified Reserve Fund Credit Instrument, then the Trustee shall apply the moneys available in the Reserve Fund to make such payments on behalf of the Authority by transferring the amount necessary for this purpose to the Bond Fund. Upon receipt of any delinquent Lease Payment with respect to which moneys have been advanced from the Reserve Fund, such Lease Payment shall be deposited in the Reserve Fund as needed to provide the Reserve Requirement, to the extent of such advance.

SECTION 6.03. *Against Encumbrances.* The Authority shall not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under this Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by this Indenture. The Authority may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

- (d) The commencement by the Authority of a voluntary case under Title 11 of the United States Code or any substitute or successor statute.
- (e) The occurrence and continuation of an event of default under and as defined in the Lease.

SECTION 7.02. *Remedies Upon Event of Default.* If any Event of Default occurs, then, and in each and every such case during the continuance of such Event of Default, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of the Bonds then outstanding, and upon being indemnified to its satisfaction therefor, the Trustee shall, proceed to protect or enforce its rights or the rights of such Owners by such appropriate action, suit, mandamus or other proceedings as it deems most effectual to protect and enforce any such right, at law or in equity, including but not limited to enforcement of any and all rights granted to the Authority or the Trustee under the Lease.

Any such declaration is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Authority deposits with the Trustee a sum sufficient to pay all the principal of and installments of interest on the Bonds payment of which is overdue, with interest on such overdue principal at the rate borne by the respective Bonds to the extent permitted by law, and the reasonable fees, charges and expenses (including those of its legal counsel, including the allocated costs of internal attorneys) of the Trustee, and any and all other Events of Default known to the Trustee (other than in the payment

of principal of and interest on the Bonds due and payable solely by reason of such declaration) have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate has been made therefor, then, and in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Authority, the City and the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences and waive such Event of Default; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, or shall impair or exhaust any right or power consequent thereon.

SECTION 7.03. *Application of Revenues and Other Funds After Default.* If an Event of Default occurs and is continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of this Indenture shall be applied by the Trustee in the following order of priority:

- (a) To the payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its legal counsel including outside counsel and the allocated costs of internal attorneys and fees and expenses of its agents and advisors) incurred in and about the performance of its powers and duties under this Indenture;
- (b) To the payment of the principal of and interest then due on the Bonds (upon presentation of the Bonds to be paid, and stamping or otherwise noting thereon of the payment if only partially paid, or surrender thereof if fully paid) in accordance with the provisions of this Indenture, as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference;

Second: To the payment to the persons entitled thereto of the unpaid principal of any Bonds which shall have become due, whether at maturity or by acceleration or redemption, with interest on the overdue principal at the rate borne by the respective Bonds (to the extent permitted by law), and, if the amount available shall not be sufficient to pay in full all the Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the persons entitled thereto, without any discrimination or preference; and

SECTION 7.04. *Trustee to Represent Bond Owners.* The Trustee is hereby irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as

trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, this Indenture and applicable provisions of any law. All rights of action under this Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of this Indenture.

SECTION 7.05. *Limitation on Bond Owners' Right to Sue.* Notwithstanding any other provision hereof, no Owner of any Bonds has the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Lease or any other applicable law with respect to such Bonds, unless (a) such Owner has given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding have requested the Trustee in writing to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee has failed to comply with such request for a period of 60 days after such written request has been received by, and said tender of indemnity has been made to, the Trustee; and (e) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy hereunder or under law; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners of Bonds, or to enforce any right under the Bonds, this Indenture, the Lease or other applicable law with respect to the Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of this Indenture.

SECTION 7.06. *Absolute Obligation of Board.* Nothing herein or in the Bonds contained affects or impairs the obligation of the Authority, which is absolute and unconditional, to pay the principal of and interest and premium (if any) on the Bonds to the respective Owners of the Bonds at their respective dates of maturity, or upon acceleration or call for redemption, as herein provided, but only out of the Revenues and other assets herein pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

SECTION 7.07. *Termination of Proceedings.* In case any proceedings taken by the Trustee or by any one or more Bond Owners on account of any Event of Default have been discontinued or abandoned for any reason or have been determined adversely to the Trustee or the Bond Owners, then in every such case the Authority, the Trustee and the Bond Owners, subject to any determination in such proceedings, shall be restored to

their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Authority, the Trustee and the Bond Owners shall continue as though no such proceedings had been taken.

SECTION 7.08. *Remedies Not Exclusive.* No remedy herein conferred upon or reserved to the Trustee or to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

SECTION 7.09. *No Waiver of Default.* No delay or omission of the Trustee or any Owner of the Bonds to exercise any right or power arising upon the occurrence of any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Trustee or the Bond Owners.

SECTION 7.10. *Notice to the Bond Owners of Default.* Upon becoming aware of the occurrence of an Event of Default, but in no event later than five Business Days following becoming aware of such occurrence, the Trustee shall give written notice thereof by first class mail, postage prepaid, to the Owner of each Outstanding Bond, unless such Event of Default has been cured before the giving of such notice; *provided, however* that except in the case of an Event of Default described in Sections 7.01(a) or 7.01(b), the Trustee may elect not to give such notice to the Bond Owners if and so long as the Trustee in good faith determines that it is in the best interests of the Bond Owners not to give such notice.

ARTICLE VIII

THE TRUSTEE

SECTION 8.01. *Duties, Immunities and Liabilities of Trustee.*

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiving of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or duties will be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a reasonable corporate trustee would exercise or use.

(b) The City may remove the Trustee at any time, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time (A) the Trustee ceases to be eligible in accordance with subsection (e) of this Section 8.01, (B) becomes incapable of acting, (C) is adjudged a bankrupt or insolvent, (D) a receiver of the Trustee or its property is appointed, or (E) any public officer takes control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. The City may accomplish such removal by giving 30 days written notice to the Trustee, whereupon the City will appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign and be discharged from its duties and obligations hereunder by giving written notice of such resignation to the Authority and the City, and by giving the Bond Owners notice of such resignation by electronic notice.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee becomes effective upon acceptance of appointment by the successor Trustee. If no successor Trustee has been appointed and accepted appointment within 30 days following giving notice of removal or notice of resignation as aforesaid, the resigning Trustee, at the expense of the City, or any Owner (on behalf of such Owner and all other Owners) may petition any federal or state court for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the City and to its predecessor Trustee a written acceptance thereof, and to the predecessor Trustee an instrument indemnifying the predecessor Trustee for any costs or claims arising during the time the successor Trustee serves as Trustee hereunder, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless, upon the receipt by the predecessor Trustee of the Request of the City or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as

may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the City will execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the City will mail or cause the successor Trustee to mail, by first class mail postage prepaid, a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then maintains a rating on the Bonds and to the Owners at the addresses shown on the Registration Books. If the City fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the City.

(e) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall (i) be a company or bank having trust powers, (ii) have a corporate trust office in the State of California, (iii) have (or be part of a bank holding company system whose bank holding company has) a combined capital and surplus of at least \$50,000,000, and (iv) be subject to supervision or examination by federal or state authority.

If such bank or company publishes a report of condition at least annually, under law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or company is deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in subsection (c) of this Section.

SECTION 8.02. *Merger or Consolidation.* Any bank or company into which the Trustee may be merged or converted or with which either of them may be consolidated or any bank or company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or company shall be eligible under subsection (e) of Section 8.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

SECTION 8.03. *Liability of Trustee.*

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the City, and the Trustee assumes no responsibility for the correctness of the same, nor does it have any liability whatsoever therefor, nor does it make any representations as to the validity or sufficiency of this Indenture or of the Bonds nor does it incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee is, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee is not liable for the acts of any agents of the Trustee selected by it with due care. The Trustee may become the Owner of Bonds with the same rights it would have if they were

not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding. The Trustee, either as principal or agent, may engage in or be entrusted in any financial or other transaction with the City.

(b) The Trustee is not liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee is not liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee. The permissive right of the Trustee to do things enumerated hereunder shall not be construed as a mandatory duty.

(d) The Trustee will not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer of the Trustee has actual knowledge thereof, or unless and until a responsible officer of the Trustee has received written notice thereof at its Office. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default hereunder or thereunder. The Trustee shall not be responsible for the City's payment of principal and interest on the Bonds, the City's observance or performance of any other covenants, conditions or terms contained herein, or the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, the Trustee is not responsible for reviewing the contents of any financial statements furnished to the Trustee and may rely conclusively on the Certificate of the City accompanying such financial statements to establish the City's compliance with its financial covenants hereunder.

(e) No provision in this Indenture requires the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder. The Trustee is entitled to receive interest on any moneys advanced by it hereunder, at the maximum rate permitted by law.

(f) The Trustee may establish additional accounts or subaccounts of the funds established hereunder as the Trustee deems necessary or prudent in furtherance of its duties under this Indenture.

(g) The Trustee has no responsibility or liability whatsoever with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, nor shall the Trustee have any obligation to review any such material, and any such review by the Trustee will not be deemed to create any obligation, duty or liability on the part of the Trustee.

(h) Before taking any action under Article VIII hereof the Trustee may require indemnity satisfactory to the Trustee be furnished to it to hold the Trustee harmless from any expenses whatsoever and to protect it against any liability it may incur hereunder.

(i) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(j) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

(k) The Trustee may execute any of the trusts or powers hereof and perform any of its duties through attorneys, agents and receivers and shall not be answerable for the conduct of the same if appointed by it with reasonable care.

(l) The Trustee will not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, acts of God or of the public enemy or terrorists, acts of a government, acts of civil or military authority, acts of the other party, fires, floods, epidemics, pandemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to any project refinanced with the proceeds of the Bonds, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(m) The Trustee shall not be accountable for the use or application by the Borrower of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or for the use and application of money received by any paying agent.

(n) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means ("Electronic Means" means the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the City shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the City, whenever a person is to be added or deleted from the listing. If the City elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The City understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The City shall be responsible for ensuring that only Authorized Officers transmit

such Instructions to the Trustee and that the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. The Trustee may rely conclusively upon the investment direction of the District as to the suitability and legality of the directed investments.

SECTION 8.04. *Right to Rely on Documents.* The Trustee is protected in acting upon any notice, resolution, requisition, request, consent, order, certificate, report, opinion or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, including, without limitation, Bond Counsel or other counsel of or to the City, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee is not bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and such person's title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the City, which shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Certificate, but in its discretion the Trustee may (but has no duty to), in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant appointed by the City.

SECTION 8.05. *Preservation and Inspection of Documents.* The Trustee shall retain in its possession all documents received by it under the provisions of this Indenture, which are subject during normal business hours, and upon reasonable prior written notice, to the inspection of the City and any Owner, and their agents and representatives duly authorized in writing.

SECTION 8.06. *Compensation and Indemnification.* Absent any agreement to the contrary, the City shall pay to the Trustee from time to time compensation for all services

rendered under this Indenture and also all expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including any allocated costs of internal counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture.

The City further covenants to indemnify the Trustee and its officers, directors, agents and employees, against any loss, expense (including legal fees and expenses), suits, claims, judgments, damages and liabilities, whether or not litigated, which it may incur arising out of or in the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability and of enforcing any remedies hereunder and under any related documents, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the City under this Section 8.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Upon an Event of Default, and only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal of and premium, if any, and interest on any Bond, upon the trust estate for the foregoing fees, charges and expenses incurred by it.

SECTION 8.07. *Accounting Records and Financial Statements.* The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of the Bonds and all funds and accounts established and held by the Trustee under this Indenture. Such books of record and account shall be available for inspection by the City at reasonable hours, during regular business hours, with reasonable prior notice and under reasonable circumstances. The Trustee shall furnish to the City, at least semiannually, an accounting (which may be in the form of its customary account statements) of all transactions relating to the proceeds of the Bonds and all funds and accounts held by the Trustee under this Indenture.

ARTICLE IX

MODIFICATION OR AMENDMENT HEREOF

SECTION 9.01. *Amendments Permitted.*

(a) Amendments With Bond Owner Consent. This Indenture and the rights and obligations of the Authority and of the Owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time by Supplemental Indenture, which the Authority and the Trustee may enter into when the written consents of the Owners of a majority in aggregate principal amount of all Bonds then Outstanding are filed with the Trustee. No such modification or amendment may (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Revenues and other assets pledged under this Indenture prior to or on a parity with the lien created by this Indenture except as permitted herein, or deprive the Owners of the Bonds of the lien created by this Indenture on such Revenues and other assets (except as expressly provided in this Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It is not necessary for the consent of the Bond Owners to approve the particular form of any Supplemental Indenture, but it is sufficient if such consent approves the substance thereof.

(b) Amendments Without Owner Consent. This Indenture and the rights and obligations of the Authority, of the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority and the Trustee may enter into without the consent of any Bond Owners, if the Trustee has been furnished an opinion of counsel that the provisions of such Supplemental Indenture shall not materially adversely affect the interests of the Owners of the Bonds, including, without limitation, for any one or more of the following purposes:

- (i) to add to the covenants and agreements of the Authority in this Indenture contained, other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority;
- (ii) to cure any ambiguity, inconsistency or omission, or to cure or correct any defective provision, contained in this Indenture, or in regard to matters or questions arising under this Indenture, as the Authority deems necessary or desirable, provided that such modification or amendment does not materially adversely affect the interests of the Bond Owners, in the opinion of Bond Counsel filed with the Trustee;
- (iii) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939,

as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute;

- (iv) to facilitate the issuance of additional obligations which are payable from additional rental payments under the Lease; or
- (v) to modify, amend or supplement this Indenture in such manner as to assure that the interest on the Bonds remains excluded from gross income under the Tax Code.

(c) Limitation. The Trustee is not obligated to enter into any Supplemental Indenture authorized by subsections (a) or (b) of this Section 9.01 which materially adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(d) Bond Counsel Opinion Requirement. Prior to the Trustee entering into any Supplemental Indenture hereunder, the Authority shall deliver to the Trustee an opinion of Bond Counsel stating, in substance, that such Supplemental Indenture has been adopted in compliance with the requirements of this Indenture.

(e) Notice of Amendments. The Authority shall deliver or cause to be delivered a draft of any Supplemental Indenture to each rating agency which then maintains a rating on the Bonds, at least 10 days prior to the effective date of such Supplemental Indenture under this Section 9.01.

SECTION 9.02. *Effect of Supplemental Indenture.* Upon the execution of any Supplemental Indenture under this Article IX, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Authority, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 9.03. *Endorsement of Bonds; Preparation of New Bonds.* Bonds delivered after the execution of any Supplemental Indenture under this Article may, and if the Authority so determines shall, bear a notation by endorsement or otherwise in form approved by the Authority as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand on the Owner of any Bonds Outstanding at the time of such execution and presentation of his Bonds for the purpose at the Office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation shall be made on such Bonds. If the Supplemental Indenture shall so provide, new Bonds so modified as to conform, in the opinion of the Authority, to any modification or amendment contained in such Supplemental Indenture, shall be prepared and executed by the Authority and authenticated by the Trustee, and upon demand on the Owners of any Bonds then Outstanding shall be exchanged at the Office of the Trustee, without cost to any Bond Owner, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amount of the same maturity.

SECTION 9.04. *Amendment of Particular Bonds.* The provisions of this Article IX do not prevent any Bond Owner from accepting any amendment as to the particular Bonds held by such Owner.

ARTICLE X

DEFEASANCE

SECTION 10.01. *Discharge of Indenture.* Any or all of the Outstanding Bonds may be paid by the Authority in any of the following ways, provided that the Authority also pays or causes to be paid any other sums payable hereunder by the Authority:

- (a) by paying or causing to be paid the principal of and interest on such Bonds, as and when the same become due and payable;
- (b) by depositing with the Trustee or an escrow agent, at or before maturity, money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem such Bonds; or
- (c) by delivering all of such Bonds to the Trustee for cancellation.

If the Authority also pays or causes to be paid all other sums payable hereunder by the Authority, then and in that case, at the election of the Authority (evidenced by a Written Certificate of the Authority, filed with the Trustee, signifying the intention of the Authority to discharge all such indebtedness and this Indenture), and notwithstanding that any of such Bonds shall not have been surrendered for payment, this Indenture and the pledge of Revenues and other assets made under this Indenture with respect to such Bonds and all covenants, agreements and other obligations of the Authority under this Indenture with respect to such Bonds shall cease, terminate, become void and be completely discharged and satisfied, subject to Section 10.02. In such event, upon the Written Request of the Authority, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over, transfer, assign or deliver to the City all moneys or securities or other property held by it under this Indenture which are not required for the payment or redemption of any of such Bonds not theretofore surrendered for such payment or redemption. The Trustee is entitled to conclusively rely on any such Written Certificate or Written Request and, in each case, is fully protected in relying thereon.

SECTION 10.02. *Discharge of Liability on Bonds.* Upon the deposit with the Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem any Outstanding Bonds (whether upon or prior to the maturity or the redemption date of such Bonds), provided that, if such Bonds are to be redeemed prior to maturity, notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee shall have been made for the giving of such notice, then all liability of the Authority in respect of such Bonds shall cease, terminate and be completely discharged, and the Owners thereof shall thereafter be entitled only to payment out of such money or securities deposited with the Trustee as aforesaid for their payment, subject, however, to the provisions of Section 10.04.

The Authority may at any time surrender to the Trustee, for cancellation by Trustee, any Bonds previously issued and delivered, which the Authority may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: *** _____ DOLLARS***

The UKIAH PUBLIC FINANCING AUTHORITY, a joint exercise of powers authority organized and existing under the laws of the State of California (the "Authority"), for value received, hereby promises to pay to the Registered Owner specified above or registered assigns (the "Registered Owner"), on the Maturity Date specified above (subject to any right of prior redemption hereinafter provided for), the Principal Amount specified above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond unless (i) this Bond is authenticated on or before an Interest Payment Date and after the close of business on the 15th day of the month preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (ii) this Bond is authenticated on or before March 15, 2022, in which event it shall bear interest from the Original Issue Date specified above; *provided, however*, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on this Bond, at the Interest Rate per annum specified above, payable semiannually on April 1 and October 1 in each year, commencing April 1, 2022 (the "Interest Payment Dates"), calculated on the basis of a 360-day year composed of twelve 30-day months.

Principal hereof and premium, if any, upon early redemption hereof are payable upon presentation and surrender hereof at the corporate trust office of The Bank of New York Mellon Trust Company, in San Francisco, California (the "Trust Office"), as trustee

(the "Trustee"). Interest hereon is payable by check of the Trustee mailed on the Interest Payment Date to the Registered Owner hereof at the Registered Owner's address as it appears on the registration books of the Trustee as of the close of business on the fifteenth day of the month preceding each Interest Payment Date (a "Record Date"), or, upon written request filed with the Trustee as of such Record Date by a registered owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to an account in the United States designated by such registered owner in such written request.

This Bond is not a debt of the City of Ukiah (the "City"), the County of Mendocino, the State of California, or any of its political subdivisions, and neither the City, said County, said State, nor any of its political subdivisions, is liable hereon nor in any event shall this Bond be payable out of any funds or properties of the Authority other than the Revenues.

This Bond is one of a duly authorized issue of bonds of the Authority designated as the "Ukiah Public Financing Authority Lease Revenue Bonds, Series 2022 (Capital Projects) (the "Bonds"), in an aggregate principal amount of \$_____, all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities, interest rates or redemption provisions) and all issued under the provisions of Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California, commencing with Section 6584 of said Code (the "Bond Law"), and under an Indenture of Trust dated as of February 1, 2022, between the Authority and the Trustee (the "Indenture") and a resolution of the Authority adopted on _____, 2021, authorizing the issuance of the Bonds. Reference is hereby made to the Indenture (copies of which are on file at the office of the Authority) and all supplements thereto for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Revenues, and the rights thereunder of the owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Authority thereunder, to all of the provisions of which the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds have been issued by the Authority to finance the acquisition and construction of capital improvements of the City. This Bond and the interest and premium, if any, hereon are special obligations of the Authority, payable from the Revenues, and secured by a charge and lien on the Revenues as defined in the Indenture, consisting principally of lease payments made by the City under a Lease Agreement dated as of February 1, 2022, between the Authority as lessor and the City as lessee (the "Lease"). As and to the extent set forth in the Indenture, all of the Revenues are exclusively and irrevocably pledged in accordance with the terms hereof and the provisions of the Indenture, to the payment of the principal of and interest and premium (if any) on the Bonds.

The rights and obligations of the Authority and the owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or premium (if any) thereon, or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the owner of each Bond so affected.

The Bonds maturing on or after April 1, _____, are subject to redemption in whole, or in part at the election of the Authority among maturities on such basis as shall be designated by the Authority and by lot within a maturity, at the option of the Authority, on any date on or after April 1, _____, from any available source of funds, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium.

The Bonds are subject to mandatory redemption in part by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts and on April 1 in the respective years as set forth in the following table; provided, however, that if some but not all of such Bonds have been redeemed pursuant to an optional redemption or special mandatory redemption from insurance or condemnation proceeds, the total amount of all future sinking fund payments shall be reduced by the aggregate principal amount of such Bonds so redeemed, to be allocated among such sinking fund payments on a pro rata basis in integral multiples of \$5,000 (as set forth in a schedule provided by the Authority to the Trustee).

Bonds Maturing April 1, _____

Sinking Fund Redemption Date (April 1)	Principal Amount To Be Redeemed
--	------------------------------------

(maturity)

The Bonds are subject to mandatory redemption prior to maturity in whole or in part among maturities as determined by the Authority on any date, at a redemption price equal to 100% of the principal amount thereof to be redeemed (plus accrued but unpaid interest to the redemption date), without premium, from Net Proceeds of certain damage and condemnation awards deposited in the Insurance and Condemnation Fund, Net Proceeds of title insurance, if any, and from any other funds available for such purpose under this Indenture.

As provided in the Indenture, notice of redemption will be mailed by the Trustee by first class mail not less than 20 or more than 60 days prior to the redemption date to the respective owners of any Bonds designated for redemption at their addresses appearing on the registration books of the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption or the cessation of accrual of interest thereon from and after the date fixed for redemption. Notice of any optional redemption of the Bonds may be rescinded under the circumstances set forth in the Indenture, upon notice to the owners of such Bonds.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Trust Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon

surrender and cancellation of this Bond. Upon registration of such transfer, a new Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. This Bond may be exchanged at the Trust Office for Bonds of the same tenor, aggregate principal amount, interest rate and maturity, of other authorized denominations.

The Authority and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority and the Trustee shall not be affected by any notice to the contrary.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Authority or the Trustee for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

It is hereby certified by the Authority that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time, form and manner as required by the Bond Law and the laws of the State of California and that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Bond Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Ukiah Public Financing Authority has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Treasurer and attested to by the facsimile signature of its Secretary, all as of the Original Issue Date specified above.

ASSIGNMENT AGREEMENT

This ASSIGNMENT AGREEMENT (this “Agreement”), dated for convenience as of February 1, 2022, is between the UKIAH PUBLIC FINANCING AUTHORITY, a joint exercise of powers authority organized and existing under the laws of the State of California (the “Authority”), and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., a national banking association organized and existing under the laws of the United States of America, as trustee (the “Trustee”).

BACKGROUND:

1. The City is proceeding to reconstruct its corporation yard and construct improvements to various City streets (collectively, the “Project”).

2. In order to provide funds to finance a portion of the costs of the Project, the City has agreed to lease the real property more particularly described in Appendix A attached hereto and by this reference incorporated herein, consisting of streets in the City (the “Leased Property”) to the Authority under a Site Lease dated as of February 1, 2022 which has been executed concurrently herewith (the “Site Lease”), under which the Authority agrees to make an initial rental payment (the “Site Lease Payment”) which is sufficient to provide funds for such purposes.

3. The Authority has authorized the issuance of its Ukiah Public Financing Authority Lease Revenue Bonds, Series 2022 (Capital Projects) in the aggregate principal amount of \$_____ (the “Bonds”) under an Indenture of Trust dated as of February 1, 2022 (the “Indenture”), between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), and under the provisions of Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California, commencing with Section 6584 of said Code (the “Bond Law”), for the purpose of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with the Site Lease.

4. In order to provide revenues which are sufficient to enable the Authority to pay debt service on the Bonds, the Authority has agreed to lease the Leased Property back to the City under the Lease Agreement dated as of February 1, 2022 (the “Lease Agreement”), which has been executed concurrently herewith, under which the City agrees to pay semiannual Lease Payments as the rental for the Leased Property thereunder.

5. The Authority has requested the Trustee to enter into this Agreement for the purpose of assigning certain of its rights under the Lease to the Trustee for the benefit of the Bond owners.

A G R E E M E N T :

In consideration of the material covenants contained in this Agreement, the parties hereto hereby formally covenant, agree and bind themselves as follows:

SECTION 1. *Defined Terms.* All capitalized terms not otherwise defined herein have the respective meanings given those terms in the Indenture.

SECTION 2. *Assignment.* The Authority hereby assigns to the Trustee, for the benefit of the Owners of all Bonds which are issued and Outstanding under the Indenture, all of the Authority's rights under the Lease (excepting only the Authority's rights under Sections 4.5, 5.10, 7.3 and 8.4 of the Lease), including but not limited to:

- (a) the right to receive and collect all of the Lease Payments from the City under the Lease,
- (b) the right to receive and collect any proceeds of any insurance maintained thereunder with respect to the Leased Property, or any eminent domain award (or proceeds of sale under threat of eminent domain) paid with respect to the Leased Property, and
- (c) the right to exercise such rights and remedies conferred on the Authority under the Lease as may be necessary or convenient (i) to enforce payment of the Lease Payments and any amounts required to be deposited in the Insurance and Condemnation Fund established under Section 5.07 of the Indenture, or (ii) otherwise to protect the interests of the Bond Owners in the event of a default by the City under the Lease.

The Trustee shall administer all of the rights assigned to it by the Authority under this Agreement in accordance with the provisions of the Indenture, for the benefit of the Owners of Bonds. The assignment made under this Section 2 is absolute and irrevocable, and without recourse to the Authority.

SECTION 3. *Acceptance.* The Trustee hereby accepts the assignments made herein for the purpose of securing the payments due under the Lease and Indenture to, and the rights under the Lease and Indenture of, the Owners of the Bonds, all subject to the provisions of the Indenture. The recitals contained herein are those of the Authority and not of the Trustee, and the Trustee assumes no responsibility for the correctness thereof.

SECTION 4. *Conditions.* This Agreement confers no rights and imposes no duties upon the Trustee beyond those expressly provided in the Indenture. The assignment hereunder to the Trustee is solely in its capacity as Trustee under the Indenture.

SECTION 5. *Execution in Counterparts.* This Agreement may be executed in any number of counterparts, each of which is an original and all together constitute one and the same agreement. Separate counterparts of this Agreement may be separately executed by the Trustee and the Authority, both with the same force and effect as though the same counterpart had been executed by the Trustee and the Authority.

Lease Revenue Bonds, Series 2022
(Capital Projects)

INTRODUCTION

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and appendices hereto, and the documents summarized or described herein. A full review should be made of the entire Official Statement. The offering of the Bonds to potential investors is made only by means of the entire Official Statement. Capitalized terms used but not defined in this Official Statement have the meanings set forth in the Indenture (as defined below). See “APPENDIX C – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

Authority for Issuance. The Ukiah Public Financing Authority (the “**Authority**”) is issuing the bonds captioned above (the “**Bonds**”) under the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4 (commencing with Section 6584) of Chapter 5, Division 7, Title 1 of the California Government Code (the “**Bond Law**”), resolutions adopted by the Board of Directors (the “**Board**”) of the Authority on [January 19], 2022 (the “**Authority Resolution**”), and by the City Council (the “**City Council**”) of the City of Ukiah (the “**City**”) on [January 19], 2022 (the “**City Resolution**”), and an Indenture of Trust (the “**Indenture**”) dated as of February 1, 2022, by and between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the “**Trustee**”).

Purpose of the Bonds. The Bonds are being issued to (i) renovate the Corporation Yard and, (ii) construct improvements to various City streets (collectively, the “**Project**”), (ii) provide for a deposit to a debt reserve fund for the Bonds, and (iii) pay costs of issuance of the Bonds. See “FINANCING PLAN.”

The Authority and the City. The Authority is a joint powers authority established pursuant to that certain Joint Exercise of Powers Agreement dated May 5, 2020. The Authority is governed by a five-member Board of Directors (the “**Board**”), which consists of the members of the City Council of the City. The Authority was created for the purpose of assisting the financing or refinancing of certain public capital facilities within the City. Under the Bond Law, the Authority has the power to lease real property in furtherance of the acquisition of public improvements necessary or convenient for the operation of the City, or to purchase bonds issued by any local

agency at public or negotiated sale and may sell such bonds to public or private purchasers at public or negotiated sale. See “THE AUTHORITY” herein.

The City encompasses approximately five square miles and is located in Mendocino County (the “**County**”), approximately 100 miles north of San Francisco in the northern coastal region of the State on U.S. Highway 101. The area is centrally located between the San Francisco Bay area, Eureka and Sacramento. The City was incorporated in 1876 and is a general law city operating under a City Council/City Manager form of government. The City has an estimated population of approximately 16,061 people. For additional background, and certain demographic and economic information regarding the City and the County, see APPENDIX B.

Bond Terms; Book-Entry Only. The Bonds will bear interest at the rates shown on the inside cover page, payable semiannually on April 1 and October 1 of each year, commencing on _____ 1, 2022. The Bonds will be issued in fully registered form, registered in the name of The Depository Trust Company (“**DTC**”), or its nominee, which will act as securities depository for the Bonds. Purchasers of the Bonds will not receive certificates representing the Bonds that are purchased. See “THE BONDS – Book-Entry Only System” and “APPENDIX F – DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Security for the Bonds. The City and the Authority will enter into a Site Lease dated as of February 1, 2022 (the “**Site Lease**”), under which the City will lease certain real property to the Authority, consisting of all of the City’s streets (the “**Leased Property**”), to the Authority as further described herein under the caption “THE LEASED PROPERTY.” Proceeds of the Bonds are used by the Authority to fund the payment obligation under the Site Lease.

In order to secure the payments of principal of and interest on the Bonds, the Authority proposes to lease the Leased Property back to the City under a Lease Agreement (the “**Lease Agreement**”), under which the City is obligated to pay semiannual lease payments (the “**Lease Payments**”) as rental for the Leased Property, and the Authority will assign substantially all of its rights under the Lease Agreement to The Bank of New York Mellon Trust Company, N.A. as trustee for the Bonds. The Bonds are payable from and secured by a first pledge of and lien on (“**Revenues**”) (defined herein) received by the Authority under the Lease Agreement, consisting primarily of the Lease Payments. To provide an additional source of funds for payment of the Bonds, the Authority will establish a debt service reserve fund for the Bonds from proceeds of the Bonds, as described herein. See “SECURITY FOR THE BONDS” below.

Redemption. The Bonds are subject to redemption prior to their stated maturity dates. See “THE BONDS – Redemption.”

Abatement. The Lease Payments are subject to complete or partial abatement in the event and to the extent that there is substantial interference with the City’s use and possession of the Leased Property or any portion thereof. If the Lease Payments are abated under the Lease, the Bond Owners may receive less than the full amount of principal of and interest on the Bonds. See “SECURITY FOR THE BONDS – Abatement” and “BOND OWNERS’ RISKS.”

Additional Obligations. Under the Indenture, the Authority covenants that no additional bonds, notes or other indebtedness shall be issued or incurred by the Authority which are payable out of the Revenues in whole or in part. The City is permitted to enter into other obligations which constitute additional charges against its revenues without the consent of Owners of the Bonds.

Risks of Investment. Debt service on the Bonds is payable only from Lease Payments and other amounts payable by the City to the Authority under the Lease. The Lease Payments are payable from revenues available in the City's general fund, which revenues may be materially adversely affected by numerous factors outside the City's control, including the ongoing COVID-19 pandemic and the governmental responses to the pandemic. For a discussion of some of the risks associated with the purchase of the Bonds, see "BOND OWNERS' RISKS."

NEITHER THE BONDS, THE OBLIGATION OF THE AUTHORITY TO PAY PRINCIPAL OF OR INTEREST THEREON, NOR THE OBLIGATION OF THE CITY TO MAKE THE LEASE PAYMENTS, CONSTITUTE A DEBT OR A LIABILITY OF THE AUTHORITY, THE CITY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL LIMITATION ON INDEBTEDNESS, OR A PLEDGE OF THE FULL FAITH AND CREDIT OF THE CITY. THE BONDS ARE SECURED SOLELY BY THE PLEDGE OF REVENUES AND CERTAIN FUNDS HELD UNDER THE INDENTURE. THE BONDS ARE NOT SECURED BY A PLEDGE OF THE TAXING POWER OF THE CITY.

FINANCING PLAN

The Bonds are being issued to rebuild the City's corporation yard and, (ii) construct improvements to various City streets.

The Corporation Yard is located at 1320 Airport Road and is the base of operations for the City Fleet and Plant Maintenance Facility, Street Maintenance Crew, Water and Wastewater Maintenance Crew, and Electric Utility Maintenance Crew. The expenses for the Corporation Yard are divided respectively based on the amount of square feet that each department occupies. The estimated cost is \$15 million.

The streets projects primarily consist of improvements to certain streets, rights-of-way reconstruction, and utility projects, as follows: Dora Street: reconstruct Mill to Grove streets and overlay Upper Luce Avenue to Mill Street; Gobbi Street: reconstruct from Highway 101 to Dora Street; Main Street: reconstruct from Gobbi to Norton streets; Perkins Street: Main Street to Hwy. 101; Dora and State streets: overlay Beacon Lane to Washington Avenue; Clara Avenue: reconstruct/overlay from State Street to North Orchard Avenue; and Low Gap Road: reconstruct/overlay from State to Bush streets. The estimated cost is \$30 million.

THE LEASED PROPERTY

Leased Property

The Leased Property consist of all of the City streets [and _____(?)], which total approximately 355 City streets constituting an estimated 113 lane miles. Simultaneously with the delivery of the Bonds, the Authority will acquire a leasehold interest in the Leased Property from the City. The Authority will sublease the Leased Property to the City pursuant to the Lease. Under the Lease, the City has agreed to maintain the Leased Property in good working condition.

The Leased Property is also subject to a lease entered into by the City (the “2020 Lease”) in connections with the Authority’s Lease Revenue Bonds, Series 2020A and Taxable Lease Revenue Bonds, Series 2020B, outstanding in the combined principal amount of \$52,250,000 (the “2020 Bonds”). The City estimates that the Leased Property has a value of at least the aggregate principal amount of the Bonds and the remaining principal balance of the 2020 Bonds. The City and the Authority, based on records they maintain, estimate the current annual fair rental value of the Leased Property to be not less than the amount of the annual Lease Payments and the annual payments due under the 2020 Lease.

Bondholders do not have a mortgage on any portion of the Leased Property. The Trustee does not have the right to resell, relet or take possession of the Leased Property in the Event of Default. See “BOND OWNERS’ RISKS – Limited Recourse on Default; No Right to Repossess; No Acceleration of Lease Payments” and “SECURITY FOR THE BONDS – Remedies on Default” herein.

Substitution and Release

Substitution of Lease Property. Under the Lease, the City has the option at any time and from time to time, to substitute other real property (the “**Substitute Property**”) for the Leased Property or any portion thereof (the “**Former Property**”), upon satisfaction of all of the conditions set forth in the Lease, which include (among others) the following:

- The City must file with the Authority and the Trustee, and cause to be recorded in the office of the Mendocino County Recorder sufficient memorialization of, an amendment of the Site Lease, Lease and Assignment Agreement that adds the legal description of the Substitute Property and deletes therefrom the legal description of the Former Property.
- The City must certify in writing to the Authority and the Trustee that the Substitute Property serves the municipal purposes of the City and constitutes property which the City is permitted to lease under the laws of the State of California, and has been determined to be important to the proper, efficient and economic operation of the City and to serve a proper governmental function of the City.
- The City must file with the Authority and the Trustee a written certificate of the City or other written evidence stating that the estimated fair rental value of the Leased Property following the substitution will be at least equal to the aggregate principal amount of the Bonds then outstanding, and that the useful life of the Substitute Property at least extends to the stated termination date of the Lease.

Upon the satisfaction of all the conditions precedent contained in the Lease, the term of the Lease will end as to the Former Property and commence as to the Substitute Property, and all references to the Former Property will apply with full force and effect to the Substitute Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of any substitution of property under this provision of the Lease.

Release of Leased Property. Under the Lease, the City has the option at any time and from time to time to release any portion of the Leased Property from the Lease (the “**Released Property**”) provided that the City has satisfied all of the requirements under the Lease that are conditions precedent to such removal, which include (among others) the following:

- The City must file with the Authority and the Trustee, and cause to be recorded in the office of the Mendocino County Recorder sufficient memorialization of, an amendment of the Lease, the Site Lease and the Assignment Agreement that removes the Released Property from the Site Lease, the Lease and the Assignment Agreement.
- The City must certify in writing to the Authority and the Trustee that the value of the property that remains subject to the Lease following such release is at least equal to the then outstanding principal amount of the Bonds, and the fair rental value of the property that remains subject to the Lease following such release is at least equal to the Lease Payments thereafter coming due and payable thereunder.

Upon the satisfaction of all the conditions precedent set forth in the Lease, the term of the Lease will end as to the Released Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of such release.

THE BONDS

This section provides summaries of the Bonds and certain provisions of the Indenture. See APPENDIX C for a more complete summary of the Indenture. Capitalized terms used but not defined in this section have the meanings given in APPENDIX C.

Authority for Issuance

The Bonds are being issued under the Bond Law, the Indenture, the Authority Resolution adopted by the Board of the Authority on [January 19], 2022, and the City Resolution adopted by the City Council on [January 19], 2022.

The Bonds will mature in the amounts and on the dates, and bear interest at the annual rates, set forth on the inside cover page of this Official Statement.

Payments of Principal and Interest. Interest on the Bonds will be payable on April 1 and October 1 in each year, beginning October 1, 2022 (each an “**Interest Payment Date**”). Interest on the Bonds is payable from the Interest Payment Date next preceding the date of its authentication unless: a Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date, a Bond is authenticated on or before 15 days prior to the first Interest Payment Date, in which event interest thereon will be payable from the Closing Date, or interest on any Bond is in default as of the date of authentication thereof, in which event interest thereon will be payable from the date to which interest has been paid in full, payable on each Interest Payment Date.

Interest is computed on the basis of a 360-day year composed of 12 months of 30 days each and payable on each Interest Payment Date to the persons in whose names the ownership of the Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest on any Bond which is not punctually paid or duly provided for on any Interest Payment Date is payable to the person in whose name the ownership of such Bond is registered on the Registration Books at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice of which is given to such Owner by first-class mail not less than 10 days prior to such special record date.

The Trustee will pay interest on the Bonds by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owners of the Bonds at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date. At the written request of the Owner of Bonds in an aggregate principal amount of at least \$1,000,000, which written request is on file with the Trustee as of any Record Date, the Trustee will pay interest on such Bonds on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as specified in such written request, which written request will remain in effect until rescinded in writing by the Owner.

While the Bonds are subject to the book-entry system, the principal, interest and any redemption premium with respect to the Bonds will be paid by the Trustee to DTC for subsequent disbursement to beneficial owners of the Bonds. See “– Book-Entry Only System” below.

Record Date. Under the Indenture, “**Record Date**” means, with respect to any Interest Payment Date, the 15th calendar day of the month preceding such Interest Payment Date, whether or not such day is a Business Day.

Transfer, Registration and Exchange

The following provisions regarding the exchange and transfer of the Bonds apply only during any period in which the Bonds are not subject to DTC’s book-entry system. While the Bonds are subject to DTC’s book-entry system, their exchange and transfer will be affected through DTC and the Participants and will be subject to the procedures, rules and requirements established by DTC. See “APPENDIX F – DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Bond Register. The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which will upon reasonable notice as agreed to by the Trustee, be open to inspection during regular business hours by the Authority; and, upon presentation for such purpose, the Trustee will, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as provided in the Indenture.

Transfer and Exchange. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. The Trustee will require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

Whenever any Bond is or Bonds are surrendered for transfer, the Authority will execute and the Trustee will authenticate and deliver to the transferee a new Bond or Bonds of like series, interest rate, maturity and aggregate principal amount. The Authority will pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer of Bonds.

The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, interest rate and maturity. The Trustee will require the Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The Authority will pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange of Bonds.

The Trustee may refuse to transfer or exchange, under the provisions of the Indenture described above, any Bonds selected by the Trustee for redemption under the Indenture, or any Bonds during the period established by the Trustee for the selection of Bonds for redemption.

Redemption*

Optional Redemption. The Bonds maturing on or before April 1, _____, are not subject to redemption prior to their respective stated maturities. The Bonds maturing on or after April 1, _____, are subject to redemption in whole, or in part at the election of the Authority among maturities on such basis as designated by the Authority and by lot within a maturity, at the option of the Authority, on any date on or after April 1, _____, from any available source of funds, at a redemption price equal to 100% of the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium.

Mandatory Sinking Fund Redemption. The Bonds maturing April 1, _____ (the “**Term Bonds**”) are subject to mandatory redemption in part by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts and on April 1 in the respective years as set forth in the following table; *provided, however*, that if some but not all of the Term Bonds have been optionally redeemed, the total amount of all future sinking fund payments shall be reduced by the aggregate principal amount of the Term Bonds so redeemed, to be allocated among such sinking fund payments in integral multiples of \$5,000 as determined by the Authority (as set forth in a schedule provided by the Authority to the Trustee).

Term Bonds Maturing April 1, _____

Sinking Fund Redemption Date (April 1)	Principal Amount To Be Redeemed
--	------------------------------------

Extraordinary Mandatory Redemption. The Bonds are subject to mandatory redemption prior to maturity in whole or in part, among maturities as determined by the Authority, on any date, at a redemption price equal to 100% of the principal amount thereof to be redeemed (plus accrued but unpaid interest to the redemption date), without premium, from Net Proceeds received under from amounts deposited in the Insurance and Condemnation Fund under the Indenture, and any other funds available under the Indenture for purposes of that fund and/or Surplus Bond Proceeds.

Selection of Bonds for Redemption. Whenever provision is made in the Indenture for the redemption of less than all of the Bonds of a single maturity, the Trustee will select the Bonds of that maturity to be redeemed by lot in any manner which the Trustee in its sole discretion deems appropriate. For purposes of such selection, the Trustee will treat each Bond as consisting of separate \$5,000 portions and each such portion will be subject to redemption as if such portion were a separate Bond.

Notice of Redemption. The Trustee will give notice of redemption of the Bonds by first class mail, postage prepaid, not less than 20 nor more than 60 days before any redemption date, to the respective Owners of any Bonds designated for redemption at their addresses appearing

* Preliminary; subject to change.

on the Registration Books and to one or more Securities Depositories and to the Municipal Securities Rulemaking Board.

Neither the failure to receive any notice nor any defect therein will affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date. Notice of redemption of Bonds will be given by the Trustee, at the expense of the Authority, for and on behalf of the Authority.

However, while the Bonds are subject to DTC's book-entry system, the Trustee will be required to give notice of redemption only to DTC as provided in the letter of representations executed by the Authority and received and accepted by DTC. DTC and the Participants will have sole responsibility for providing any such notice of redemption to the beneficial owners of the Bonds to be redeemed. Any failure of DTC to notify any Participant, or any failure of Participants to notify the Beneficial Owner of any Bonds to be redeemed, of a notice of redemption or its content or effect will not affect the validity of the notice of redemption, or alter the effect of redemption set forth in the Indenture.

Rescission of Redemption Notice. The Authority has the right to rescind any notice of the redemption of Bonds under the Indenture by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption will be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation will not constitute an Event of Default. The Authority and the Trustee have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Trustee will mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under the Indenture.

Effect of Redemption. When notice of redemption has been duly given as set forth in the Indenture, and moneys for payment of the redemption price of, together with interest accrued to the date fixed for redemption on, including any applicable premium, the Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Bonds (or portions thereof) so called for redemption will become due and payable, interest on the Bonds so called for redemption will cease to accrue, those Bonds (or portions thereof) will cease to be entitled to any benefit or security under the Indenture, and the Owners of those Bonds will have no rights in respect thereof except to receive payment of the redemption price thereof.

Book-Entry Only System

The Bonds will be issued as fully registered bonds in book-entry only form, registered in the name of Cede & Co. as nominee of DTC, and will be available to ultimate purchasers in the denomination of \$5,000 or any integral multiple of \$5,000, under the book-entry system maintained by DTC. While the Bonds are subject to the book-entry system, the principal, interest and any redemption premium with respect to a Bond will be paid by the Trustee to DTC, which in turn is obligated to remit such payment to its DTC Participants for subsequent disbursement to Beneficial Owners of the Bonds. Purchasers of the Bonds will not receive certificates representing their interests therein, which will be held at DTC.

See "APPENDIX F – DTC AND THE BOOK-ENTRY ONLY SYSTEM" for further information regarding DTC and the book-entry system.

SECURITY FOR THE BONDS

The principal of and interest on the Bonds are not a debt of the Authority or the City, nor a legal or equitable pledge, charge, lien or encumbrance, upon any of their respective property, or upon any of their income, receipts, or revenues except the Revenues and other amounts pledged under the Indenture.

This section provides summaries of the security for the Bonds and certain provisions of the Indenture, the Lease and the Site Lease. See “APPENDIX C – Summary of Principal Legal Documents” for a more complete summary of the Indenture, the Lease, the Site Lease and the Assignment Agreement. Capitalized terms used but not defined in this section have the meanings given in APPENDIX C.

Revenues; Pledge of Revenues

Pledge of Revenues and Other Amounts. Under the Indenture, subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, all of the Revenues and all amounts (including proceeds of the sale of the Bonds) held in any fund or account established under the Indenture are pledged to secure the payment of the principal of and interest and premium (if any) on the Bonds in accordance with their terms and the provisions of the Indenture. This pledge constitutes a lien on and security interest in the Revenues and such amounts and will attach, be perfected and be valid and binding from and after the Closing Date, without the need for any physical delivery thereof or further act.

“**Revenues**” are defined in the Indenture as all amounts received by the Authority or the Trustee under or with respect to the Lease, including, without limiting the generality of the foregoing, all of the Lease Payments (including both timely and delinquent payments, any late charges, and whether paid from any source), but excluding (i) any amounts the City is obligated to pay under the Lease or under another lease as additional amounts of rental for the use and occupancy of the Leased Property if such additional amounts of rental are pledged or assigned for the payment of any bonds, notes, leases or obligations other than the Bonds, (ii) any Additional Rental Payments (described below); and all interest, profits or other income derived from the investment of amounts in any fund or account established under the Indenture. (a)

Assignment to Trustee

Under the Assignment Agreement, the Authority will transfer to the Trustee all of the rights of the Authority in the Lease (other than the rights of the Authority under the provisions of the Lease regarding Additional Rental Payments, repayment of advances, indemnification, and the payment of attorneys’ fees). The Trustee is entitled to collect and receive all of the Revenues, and any Revenues collected or received by the Authority will be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and will immediately be paid by the Authority to the Trustee. The Trustee is also entitled to and will, subject to the provisions of the Indenture regarding duties of the Trustee, take all steps, actions and proceedings which the Trustee determines to be reasonably necessary in its judgment to enforce, either jointly with the Authority or separately, all of the rights of the Authority and all of the obligations of the City under the Lease.

Allocation of Funds by Trustee

Deposit of Revenues into Bond Fund. All Revenues shall be promptly deposited by the Trustee upon receipt thereof in a special fund designated as the “Bond Fund” which the Trustee shall establish, maintain and hold in trust; except that all moneys received by the Trustee and required under the Indenture or under the Lease to be deposited in the Redemption Fund or the Insurance and Condemnation Fund shall be promptly deposited in such funds. All Revenues deposited with the Trustee shall be held, disbursed, allocated and applied by the Trustee only as provided in the Indenture. Any surplus remaining in the Bond Fund, after payment in full of (i) the principal of and interest on the Bonds or provision therefore under the Indenture, and (ii) any applicable fees and expenses to the Trustee, shall be withdrawn by the Trustee and remitted to the City.

Transfers from the Bond Fund. On or before each Interest Payment Date, the Trustee will transfer from the Bond Fund and deposit into the following respective accounts (each of which the Trustee will establish and maintain within the Bond Fund), the following amounts in the following order of priority:

Deposit to Interest Account. The Trustee will deposit in the Interest Account an amount required to cause the aggregate amount on deposit in the Interest Account to be at least equal to the amount of interest becoming due and payable on such Interest Payment Date on all Bonds then Outstanding.

Deposit to Principal Account. The Trustee will deposit in the Principal Account an amount required to cause the aggregate amount on deposit in the Principal Account to equal the principal amount of the Bonds coming due and payable on such Interest Payment Date.

Application of Accounts within Bond Fund.

Application of Interest Account. All amounts in the Interest Account will be used and withdrawn by the Trustee solely for the purpose of paying interest on the Bonds as it comes due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity).

Application of Principal Account. All amounts in the Principal Account will be used and withdrawn by the Trustee solely to pay the principal amount of the Bonds at their respective maturity dates.

Application of Redemption Fund. The Trustee shall establish and maintain the Redemption Fund, into which the Trustee shall deposit a portion of the Revenues received, in accordance with a Written Request of the Authority, amounts in which shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and premium (if any) of any Bonds to be optionally redeemed under the Indenture.

Reserve Fund. Upon delivery of the Bonds, the Trustee will establish a special fund designated as the “Reserve Fund” which the Trustee shall maintain and hold in trust; and deposit there in an amount of the proceeds equal to the “**Reserve Requirement**,” which means, as of any date of calculation thereof by the Authority, an amount equal to the lesser of (a) 10% of the original principal amount of such series of Bonds, (b) the maximum amount of debt service coming due in the current or any future Bond Year with respect to such series of Bonds, or (c) 125% of

average annual debt service for such series of Bonds. The initial Reserve Requirement may be recalculated by the Authority on any date; all amounts on deposit in the Reserve Fund in excess of the Reserve Requirement as calculated from time to time, and all amounts derived from the investment of amounts in the Reserve Fund which are not required to be retained therein to maintain the Reserve Requirement, will be available for transfer by the Trustee to the Bond Fund.

The Authority has the right to either meet the Reserve Requirement at the time of issuance of a series of Bonds or at any time thereafter to cause the Fiscal Agent to release cash from the Reserve Fund, in whole or in part, by tendering to the Fiscal Agent: (1) a Qualified Reserve Fund Credit Instrument, as defined in the Indenture.

If five Business Days prior to any Interest Payment Date the moneys available in the Bond Fund do not equal the amount of the Lease Payment then coming due and payable, the Trustee shall apply the moneys available in the Reserve Fund to make such payments on behalf of the Authority by transferring the amount necessary for this purpose to the Bond Fund. Upon receipt of any delinquent Lease Payment with respect to which moneys have been advanced from the Reserve Fund, such Lease Payment shall be deposited in the Reserve Fund to the extent of such advance, as needed to provide the Reserve Requirement.

If on any Interest Payment Date, the moneys on deposit in the Reserve Fund and the Bond Fund are sufficient to pay or prepay all Outstanding Bonds, including all principal, interest and prepayment premiums (if any) thereon, the Trustee shall, upon the written request of the Authority, transfer all amounts then on deposit in the Reserve Fund to the Bond Fund to be applied for such purpose to the payment of the Lease Payments on behalf of the Authority.

Lease Payments

Requirement to Make Lease Payments. Under the Lease, subject to the provisions of the Lease concerning rental abatement (see – “Abatement,” below) and prepayment of Lease Payments, the City agrees to pay to the Authority, its successors and assigns, the Lease Payments in the respective amounts specified in the Lease, to be due and payable in immediately available funds on the Interest Payment Dates immediately following each of the respective Lease Payment Dates specified in the Lease, and to be deposited by the City with the Trustee on each of the Lease Payment Dates specified in the Lease (defined as the 5th Business Day immediately preceding each Interest Payment Date).

Any amount held in the Bond Fund, the Interest Account and the Principal Account on any Lease Payment Date (other than amounts resulting from the prepayment of the Lease Payments in part but not in whole under the Lease, and amounts required for payment of past due principal or interest on any Bonds not presented for payment) will be credited towards the Lease Payment then required to be paid hereunder.

The City is not required to deposit any Lease Payment with the Trustee on any Lease Payment Date if the amounts then held in the Bond Fund, the Interest Account and the Principal Account are at least equal to the Lease Payment then required to be deposited with the Trustee.

The Lease Payments payable in any Rental Period are for the use of the Leased Property during that Rental Period.

Rate on Overdue Lease Payments. If the City fails to make any of the payments of Lease Payments required in the Lease, the payment in default will continue as an obligation of

the City until the amount in default has been fully paid, and the City agrees to pay the same with interest thereon, from the date of default to the date of payment at the highest rate of interest on any Outstanding Bond.

Fair Rental Value. The aggregate amount of the Lease Payments and Additional Rental Payments coming due and payable during each Rental Period constitute the total rental for the Leased Property for such Rental Period, and are payable by the City in each Rental Period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each Rental Period. The Authority and the City have agreed and determined that the total Lease Payments represent the fair rental value of the Leased Property. In making that determination, consideration has been given to the estimated value of the Leased Property, other obligations of the City and the Authority under the Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the City and the general public.

Additional Rental Payments. In addition to the Lease Payments, the City shall pay when due the following amounts of Additional Rental Payments in consideration of the lease of the Leased Property by the City from the Authority:

- (a) All fees and expenses incurred by the Authority in connection with or by reason of its leasehold estate in the Leased Property, when due;
- (b) All reasonable compensation to the Trustee for all services rendered under the Indenture and for all reasonable expenses, charges, costs, liabilities, legal fees and other disbursements incurred in and about the performance of its powers and duties under the Indenture;
- (c) The reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Authority or the Trustee to prepare audits, financial statements, reports, opinions or provide such other services required under the Lease or the Indenture;
- (d) Amounts coming due and payable as Excess Investment Earnings in accordance with the Lease; and
- (e) The reasonable out-of-pocket expenses of the Authority in connection with the execution and delivery of the Lease or the Indenture, or in connection with the issuance of the Bonds, including but not limited to any and all expenses incurred in connection with the authorization, sale and delivery of the Bonds, or incurred by the Authority in connection with any litigation which may at any time be instituted involving the Lease, the Bonds, the Indenture or any of the other documents contemplated thereby, or otherwise incurred in connection with the administration of the Lease.

Limited Obligation

THE OBLIGATION OF THE CITY TO MAKE THE LEASE PAYMENTS DOES NOT CONSTITUTE A DEBT OF THE CITY, THE AUTHORITY OR THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMIT OR RESTRICTION, AND DOES NOT CONSTITUTE AN OBLIGATION FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF

TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION.

No Additional Bonds

Under the Indenture, the Authority covenants that no additional bonds, notes or other indebtedness will be issued or incurred which are payable out of the Revenues in whole or in part. The Lease provides that the Lease may be amended to obligate the City to pay additional amounts of rental for the use and occupancy of the Leased Property, but only if

(a) such additional amounts of rental are pledged or assigned for the payment of any bonds, notes, leases or other obligations the proceeds of which are applied to finance or refinance the acquisition or construction of any real or personal property for which the City is authorized to expend funds subject to its control,

(b) the City has obtained and filed with the Trustee an appraisal or other written evidence that the value of the Leased Property is at least equal to the aggregate principal amount of the Outstanding Bonds and all such other bonds, notes, leases or other obligations, and

(c) the City has filed with the Trustee written evidence that the amendments made for this purpose will not of themselves cause a reduction or withdrawal of any rating then assigned to the Bonds.

Source of Lease Payments; Covenant to Budget and Appropriate

The Lease Payments are payable from any source of available funds of the City, subject to the provisions of the Lease regarding abatement. See “– Abatement” herein.

Under the Lease, the City covenants to take all actions required to include the Lease Payments in each of its budgets during the Term of the Lease and to make the necessary appropriations for all Lease Payments and Additional Rental Payments. This covenant of the City constitutes a duty imposed by law and each and every public official of the City is required to take all actions required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in the Lease agreed to be carried out and performed by the City.

Abatement

Termination or Abatement Due to Eminent Domain. Under the Lease, if the Leased Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of the Lease thereupon ceases as of the day possession is taken. If less than all of the Leased Property is taken permanently, or if the Leased Property is taken temporarily, under the power of eminent domain, then:

(a) the Lease will continue in full force and effect with respect thereto and does not terminate by virtue of such taking, and the parties waive the benefit of any law to the contrary; and

(b) the Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property.

Abatement Due to Damage or Destruction. The Lease Payments are subject to abatement during any period in which by reason of damage or destruction (other than by eminent domain as described above) there is substantial interference with the use and occupancy by the City of the Leased Property or any portion thereof.

In the case of damage or destruction of only a portion of the Leased Property, the Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property not damaged or destroyed. Such abatement will continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction.

If any such damage or destruction occurs, the Lease continues in full force and effect and the City waives any right to terminate this Lease by virtue of any such damage and destruction. The City must maintain title insurance on the Leased Property during the term of the Lease, which proceeds would be available to pay Lease Payments in the event of a title defect.

Remedies on Default

Failure by the City to make Lease Payments, or failure to pay Additional Rental Payments or to observe and perform any other terms, covenants or conditions contained in the Lease or in the Indenture for a period of 30 days after written notice of such failure and request that it be remedied has been given to the City by the Authority or the Trustee, constitute Events of Default under the Lease. Such events permit the Trustee or the Authority to pursue any and all available remedies. However, notwithstanding anything in the Lease or in the Indenture to the contrary, neither the Authority nor the Trustee have any right, under the Lease, the Site Lease or otherwise, to sell, repossess or re-lease the Leased Property, nor is there any right under any circumstances to accelerate the Lease Payments or otherwise declare any Lease Payments that are not then in default to be immediately due and payable. See “BOND OWNERS’ RISKS – Limited Recourse on Default; No Right to Repossess; No Acceleration of Lease Payments” herein.

Following an event of default, the Authority or the Trustee may elect either to terminate the Lease and seek to collect damages from the City or to maintain the Lease in effect and seek to collect the Lease Payments as they become due. Under the Assignment Agreement, the Authority assigns all of its rights with respect to remedies in an Event of Default to the Trustee, so that all such remedies will be exercised by the Trustee and the Bond Owners as provided in the Indenture. See “BOND OWNERS’ RISKS – Limited Recourse on Default; No Right to Repossess; No Acceleration of Lease Payments” herein.

In the Event of Default, there is no remedy of acceleration of the total Lease Payments due over the term of the Lease and neither the Authority nor the Trustee are empowered to sell or re-let the Leased Property and use the proceeds of such sale or re-letting to redeem the Certificates or pay debt service with respect thereto.

The City will be liable only for Lease Payments on an annual basis and, in the Event of Default, the Authority or Trustee would be required to seek a separate judgment each year for that year’s defaulted Lease Payments. Any such suit for money damages would be subject to limitations on legal remedies against municipalities in California, including a limitation on enforcement of judgments against funds of a Fiscal Year other than the Fiscal Year in which the Lease Payments were due and against funds needed to serve the public welfare and interest.

Property Insurance

Liability and Property Damage Insurance. Under the Lease, the City is required to maintain or cause to be maintained throughout the Term of the Lease, but only if and to the extent available from reputable insurers at reasonable cost in the reasonable opinion of the City, a standard commercial general liability insurance policy or policies in protection of the Authority, the City, and their respective members, officers, agents, employees and assigns.

Such policy or policies must provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Leased Property. Such policy or policies must provide coverage in such liability limits and be subject to such deductibles as the City deems adequate and prudent.

Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of self-insurance by the City, subject to the provisions of the Lease regarding self-insurance, or in the form of the participation by the City in a joint powers agency or other program providing pooled insurance. The proceeds of such liability insurance must be applied toward extinguishment or satisfaction of the liability with respect to which paid.

Casualty Insurance. Under the Lease, the City is required to procure and maintain, or cause to be procured and maintained, throughout the Term of the Lease, casualty insurance against loss or damage to all buildings situated on the Leased Property, in an amount at least equal to the lesser of (a) 100% of the replacement value of the insured buildings, or (b) 100% of the aggregate principal amount of the Outstanding Bonds.

Such insurance must, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, fire and such other hazards as are normally covered by such insurance, and must include earthquake insurance if available at reasonable cost from reputable insurers in the judgment of the City. Such insurance may be subject to such deductibles as the City deems adequate and prudent.

Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance must be applied as provided in the Lease.

Insurance Net Proceeds; Form of Policies. Each policy of casualty insurance, rental interruption insurance, and title insurance if any, maintained under the Lease must name the Trustee as loss payee so as to provide that all proceeds thereunder are payable to the Trustee. The City shall pay or cause to be paid when due the premiums for all insurance policies required by the Lease. All such policies shall provide that the Trustee is given 30 days' notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby.

The City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a certificate of the City stating that all policies of insurance required under the Lease are then in full force and effect. The Trustee has no responsibility for the sufficiency, adequacy

or amount of any insurance or self-insurance herein required and is fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss.

If any liability and property damage insurance maintained under the Lease is provided in the form of self-insurance, the City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a statement of the risk manager of the City or an independent insurance adviser engaged by the City identifying the extent of such self-insurance and stating the determination that the City maintains sufficient reserves with respect thereto. If any such insurance is provided in the form of self-insurance by the City, the City has no obligation to make any payment with respect to any insured event except from those reserves.

THE AUTHORITY

The Authority is a joint exercise of powers authority duly organized and existing under and pursuant to that Joint Exercise of Powers Agreement dated as of May 5, 2020, by and between the City and the Industrial Development Authority of the City of Ukiah, and under the provisions of Articles 1 through 4 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the California Government Code.

The Authority was formed for the purpose, among others, of assisting the City in the acquisition, construction and financing of public improvements that are of public benefit to the City. Under the Law, the Authority has the power to lease real property in furtherance of the acquisition of public improvements necessary or convenient for the operation of the City, or to purchase bonds issued by any local agency at public or negotiated sale and may sell such bonds to public or private purchasers at public or negotiated sale.

The Authority is governed by a five-member Board of Directors (the "Board"), which consists of the members of the City Council of the City. The Mayor and the Vice Mayor of the City serve as the Chair and Vice Chair, respectively, the City Manager serves as the Executive Director, the City Clerk serves as the Secretary, and the City's Finance Director serves as the Treasurer of the Authority.

The Authority covenants in the Indenture to maintain its existence as a joint exercise of powers agency while any Bonds are Outstanding, including by substituting a new member for the Successor Agency if determined to be necessary for such purpose.

THE CITY

General

The City of Ukiah is the county seat and largest city in Mendocino County. City Hall is located at 300 Seminary Avenue, Ukiah, California. The Ukiah Police Department is also located at City Hall. The City encompasses approximately five square miles and is located in Mendocino County, approximately 100 miles north of San Francisco in the northern coastal region of the State on U.S. Highway 101. The area is centrally located between the San Francisco Bay area, Eureka and Sacramento.

The City was incorporated in 1876 and is a general law city operating under a City Council/City Manager form of government. The City has an estimated population of approximately

15,526 people, with approximately 104,452 people living within a 30-minute drive radius. The City's Fiscal Year begins on July 1 and ends June 30 of the following year. The City enjoys a moderate climate, with summers that are long, comfortable, arid, and mostly clear and the winters that are short, cold, wet, and partly cloudy.

With both City and County administrative offices within the City, Ukiah boasts a large number of public sector employment opportunities, particularly in education and social services. Outside the public sector, the City is known for strong retail and service industries and a tourism industry catering to travelers and adventurers looking to explore the Ukiah Valley. Additionally, the City is surrounded by mineral rich agricultural lands capable of supporting viticulture operations. In recent years, the region has seen an increase in local vineyards opening adjacent to the City. The increase in local wine production and processing reflects the increasing popularity of the Ukiah Valley as a wine region and destination.

The City provides police, fire, street and infrastructure maintenance, storm drain, park and community recreation, museum, community development and other services to residents. The City also provides water, wastewater and electric services through the operations of its utility enterprises and operates an airport, golf course and civic center.

For additional background, and certain demographic and economic information regarding the City and the County, see APPENDIX B. Historical information set forth in this Official Statement, including Appendix B hereto, is not intended to be predictive of future results.

City Government

The City operates under a Council-City Manager structure of government. All of the agreements (inclusive of the one year extension) are effective through September 18, 2022. The City has not experienced a major work stoppage by City employees in the last five years.

CITY FINANCIAL INFORMATION

Accounting and Financial Reporting

The City maintains its accounting records in accordance with Generally Accepted Accounting Principles ("**GAAP**") and the standards established by the Governmental Accounting Standards Board ("**GASB**").

The Governmental Accounting Standards Board published its Statement No. 34, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments, on June 30, 1999 ("**GASB Statement No. 34**"). GASB Statement No. 34 provides guidelines to auditors, state and local governments and special purpose governments such as school districts and public utilities, on new requirements for financial reporting for all governmental agencies in the United States. Generally, the basic financial statements and required supplementary information should include (i) Management's Discussion and Analysis; (ii) government-wide financial statements prepared using the economic measurement focus and the accrual basis of accounting and fund financial statements prepared using both the current financial resources measurement focus and the modified accrual method of accounting (governmental funds) and funds using the economic measurement focus and the accrual basis of accounting (proprietary funds) and (iii) required supplementary information. The City's financial statements are prepared in conformance with the requirements of GASB Statement No. 34.

In the government-wide Statement of Net Position and Statement of Activities in the City's audited financial statements for the Fiscal Year ending June 30, 2021, both governmental and proprietary activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset is used.

Revenues, expenses, gains, losses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when "measurable and available." Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The City defines available to be within 60 days of year-end. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for principal and interest on long-term liabilities, claims and judgments, and compensated absences, which are reported when due. Governmental capital asset acquisitions are reported as expenditures in governmental funds. Proceeds for governmental long-term liabilities and acquisitions under capital leases are reported as other financing sources.

Those revenues susceptible to accrual include taxes and intergovernmental revenues. All other revenue items are considered to be measurable and available only when cash is received by the government. Impact fees are received and recognized as revenue upon project completion and inspection. Certain indirect costs are included in program expenses reported for individual functions and activities.

Grant revenues are recognized in the Fiscal Year in which all eligibility requirements are met. Under the terms of grant agreements, the City may fund certain programs with a combination of cost-reimbursement grants, categorical block grants, and general revenues. Thus, both restricted and unrestricted net position are available to finance program expenditures. The City's policy is to first apply restricted grant resources to such programs, followed by general revenues if necessary.

All proprietary funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset is used. Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal operations. The principal operating revenues of the enterprise and internal service funds are charges for services. Operating expenses for proprietary funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

The City's fiduciary funds consist of a private-purpose trust fund, which is reported using the economic resources measurement focus, and agency funds, which have no measurement focus, but utilizes the accrual basis for reporting assets and liabilities.

The City Council employs, at the beginning of each Fiscal Year, an independent certified public accounting firm which, at such time or times as specified by the City Council, at least annually, at such other times as such firm shall determine, examines the books, records, inventories and reports of all officers and employees who receive, control, handle or disburse public funds and of all such other officers, employees or departments as the City Council may direct. As soon as practicable after the end of the Fiscal Year, a final audit and report is submitted by such firm to the City Council and a copy of the financial statements as of the close of the Fiscal Year is published.

COVID-19 Pandemic

The City continues to monitor the spread of COVID-19 and is working with local, state, and national agencies to address the potential impact of the pandemic upon the City. There can be no assurances that the spread of COVID-19 and/or responses intended to slow the spread of COVID-19 such as declining business and travel activity, will not materially adversely impact the state and national economies and, accordingly, materially adversely impact the financial condition of the City and the City's General Fund. In addition, the City may experience increased personnel costs and/or reduced revenues due to the COVID-19 situation and the related impact on economic and other activity in and around the City. See the references to COVID-19 in the following subsection in connection with the unknown impacts on the City's budgeting process.

General Fund, the Budget Process and Information

The City's General Fund is its primary operating fund, and is where the City accounts for all its general-purpose revenues. It is distinguished from the City's other governmental funds that are used to account for special purpose revenues, capital projects, debt service activities, and monies held for the benefit of others.

The City operates on a Fiscal Year basis that begins on the first day of July of each year and ends on the thirtieth day of June the following year. The annual budget adopted by the City Council provides for the general operation of the City. Development of the City's annual budget is a process which generally begins in February and March and continues until the budget is adopted by the City Council in June. The General City Budget includes programs which are provided on a largely city-wide basis. The programs and services are financed primarily by the City's share of sales tax, property tax, revenues from the State and/or federal government, and charges for services provided.

The City Council approves total budgeted appropriations and any amendments to appropriations throughout the Fiscal Year. Appropriations lapse at Fiscal Year-end. The City Council generally reauthorizes appropriations for continuing projects and activities. The City Council has the legal authority to amend the budget of any fund at any time during the Fiscal Year. The budgetary level of control (the level on which expenditures may not legally exceed appropriations) is generally at the fund level. The City Manager is authorized to transfer budgeted amounts within departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council.

Long-Term Financial Planning. The City incorporates long-term financial planning into its budget process in several ways.

First, the City has established a set of financial policies that establish goals for the allocation of public resources in the manner best suited to the efficient provision of City services to citizens and visitors present within the City. Some of these policies call for maintaining adequate cash reserves and providing on-going maintenance of infrastructure and buildings, which are vital to sound fiscal management.

Second, the Council undertakes a strategic planning process to establish goals and priorities for the organization after taking into account public input. Specifically, the Council engaged the community at a public hearing and by soliciting ideas and input through a variety of

means. Based on this input, the City Council adopts goals, objectives, and resources permit objectives.

Third, the City maintains a long-range capital planning process that helps drive annual capital funding decisions as well as periodic bond issues for larger investments.

Finally, all Governmental Accounting Standards Board pronouncements are monitored and implemented into the City's financial statements.

Budgetary Control Policy. The City maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the City Council. Activities of the general fund, special revenue funds, debt service funds, capital projects funds, enterprise funds, and internal service funds are included in the annual appropriated budget. A Five- Year Capital Improvement Plan is also adopted for the capital projects. The level of budgetary control (the level at which expenditures cannot legally exceed the appropriated amount) is established by function and activity within an individual fund.

The City's budgetary records are maintained on a modified accrual basis. Revenues are recorded when measurable and available and expenditures are recorded when goods or services are received and the liability incurred. Based on the City's financial management policies, the City is required to maintain a balanced operating budget, which is adopted by resolution on or before June 30th for the ensuing Fiscal Year.

Following the adoption of the budget, it is sometimes necessary to amend the budget. Appropriations in the budget may be adjusted by recommendation of the Finance Director and approval by the City Manager when the budget is not increased in total amount. Savings from appropriations in one section of a department budget may be used to fund another section of a department budget. Any increase in appropriations that increases the total adopted budget must be approved by the City Council. The City Council formally reviews

the City's fiscal condition and amends appropriations, if necessary, six months after the beginning of each fiscal year.

The adopted budget for fiscal year 2021-22 was approved on June 16, 2021 (the "**Adopted Budget**"). The Adopted Budget projects General Fund revenues in fiscal year 2021-22 to be approximately \$33 million.

Understanding COVID-19 will impact directly the City's finances for fiscal years 2021-22, the City adopted a conservative budget for fiscal year 2020-21. The City's economic health depends largely on the economic health of our local businesses. Nearly 75% of the City's General Fund revenue is comprised of taxes--sales tax, transient occupancy (lodging) tax, gas tax, etc. all of which were significantly impacted during the pandemic. The City also anticipated that the utility operations would be impacted by revenue declines ranging from 5% -8%. The City budgeted accordingly. The actual impacts varied tremendously. While some businesses grounded to a halt during the shelter-in-place, others adapted and even thrived. Although the City's revenues shifted significantly in some areas, the overall impact has not been as devastating as was anticipated.

The City expects to consider an update and revision to the Adopted Budget quarterly, as the City receives more data about COVID-19's impacts on the local economy and the City's

operations and finances. The City does not currently believe that the COVID-19 outbreak will materially adversely affect its ability to pay Base Rental Payments. See the caption “– COVID-19 Pandemic” above for a discussion of the potential impact of COVID-19 on the City’s operations and finances.

Current Budget and Historical Budget Information. Set forth in Table 1 are the General Fund budgets that were adopted for Fiscal Years 2020-21 and 2021-22 compared to the estimated actual results for Fiscal Years 2020-21. During each Fiscal Year, the budget may be amended and revised as necessary by the City Council.

General Fund Key Revenue Sources. The four major general fund revenue sources of the City, which together accounted in Fiscal Year 2020-21 for approximately 82% of the general fund revenues (collectively, the “**Key Revenue Sources**”), are Sales Tax (approximately 57.9% of total general fund revenue), Property Tax (approximately 12.7% of total general fund revenue), Franchise Taxes (approximately 6.7% of total general fund revenue) and Transient Occupancy Tax (approximately 5.1% of total general fund revenues). Also see “APPENDIX A – AUDITED FINANCIAL STATEMENTS OF THE CITY FOR FISCAL YEAR 2020-21” herein.

The City’s receipt of taxes and other revenue will likely be impacted by the economic effects of the coronavirus. See “RISK FACTORS – COVID-19 Pandemic” and “– General Fund, the Budget Process and Information” for a description of the projected impact that COVID-19 will have on the City’s finances.

The following Table 2 sets forth the audited revenues received by the City for each of the Key Revenue Sources for Fiscal Years 2016-17 through 2020-21, which have been totaled and compared to the prior Fiscal Year to illustrate the amount and percent of change.

Sales and Use Taxes

Sales & Use Taxes represents the largest source of tax revenues to the City's General Fund, accounting for approximately 13% of total General Fund revenues over the past three fiscal years. Sales & uses taxes are less stable sources of revenues to the City, given that they are based on consumer spending within the City which is impacted by a variety of factors including the overall economy and other factors.

Measure P. Measure P, passed by a simple majority (50 percent plus 1) of Ukiah voters in November of 2014, is a general (unrestricted) transaction and use tax. A general, unrestricted tax is one that can be used to fund any program, function, service, or project at the discretion of the City Council. It is not a special, restricted tax, which would require approval of two-thirds of the voting public. It continued a sun-set transaction and use tax, known as Measure S (2005), accompanied by an advisory Measure T (2005). Measure P, however, was passed with no advisory measure. The purpose of Measure P is to augment public safety expenditures to provide a higher level of police and fire service to the community. Amounts collected from the tax are to be used in addition to the commitment of the General Fund and not in replacement of.

Measure Y. Measure Y, passed by a simple majority (50 percent plus 1) of Ukiah voters in November of 2016, is a general (unrestricted) transaction and use tax. A general, unrestricted tax is one that can be used to fund any program, function, service, or project at the discretion of the City Council. It is not a special, restricted tax, which would require approval of two-thirds of the voting public. Measure Z, passed in conjunction with Measure Y, was a distinctly separate,

advisory Measure Y, indicating the voting public's preference for the use of Measure Y proceeds. Language for the two ballot measures was as follows:

Ballot Measure “Y”: Shall Ordinance No. 1165 be adopted to impose as a general tax an additional transaction (sales) and use tax of one-half of one percent within the city limits of the City of Ukiah to fund essential City services, including street repair and maintenance. Such tax increase is estimated to raise \$2,470,000 annually at a rate of 0.5 percent. The duration of the tax will continue unless or until the tax is repealed by majority vote in a municipal election.

Advisory Measure “Z”: Shall street repair and maintenance and related public infrastructure improvements be the exclusive use of the revenues from an additional 0.5 percent sales tax in the City of Ukiah and add to and not replace current spending for street maintenance and repair.

State-Wide Sales Tax Law. Taxable transactions in the City are currently subject to the following sales and use tax, of which the City's share is only a portion. The City collects a percentage of taxable sales in the City (minus certain administrative costs) pursuant to the Bradley-Burns Uniform Local Sales and Use Tax (the “**Sales Tax Law**”). The State collects and administers the sales tax under the Sales Tax Law, and makes distributions on taxes collected within the City, as shown in the following table.

Sales and use taxes are complementary taxes; when one applies, the other does not. In general, the statewide sales tax applies to gross receipts of retailers from the sale of tangible personal property in the State. The use tax is imposed on the purchase, for storage, use or other consumption in the State of tangible personal property from any retailer. The use tax generally applies to purchases of personal property from a retailer outside the State where the use will occur within the State. The sales tax is imposed upon the same transactions and items as the statewide sales tax and the statewide use tax.

Certain transactions are exempt from the State sales tax, including sales of the following products:

- food products for home consumption;
- prescription medicine;
- newspapers and periodicals;
- edible livestock and their feed;
- seed and fertilizer used in raising food for human consumption; and
- gas, electricity and water when delivered to consumers through mains, lines and pipes.

This is not an exhaustive list of exempt transactions. A comprehensive list can be found in the State Board of Equalization's Publication No. 61 (February 2017) entitled "Sales and Use Taxes: Exemptions and Exclusions," which can be found on the State Board of Equalization's website at <http://www.boe.ca.gov/>. *The reference to this Internet website is provided for reference and convenience only. The information contained within the website may not be current, has not been reviewed by the City and is not incorporated in this Official Statement by reference.*

Sales Tax Collection Procedures. Collection of the sales and use tax is administered by the California Department of Tax and Fee Administration (the "CDTFA"). This process was formerly administered by the State Board of Equalization. The Taxpayer Transparency and Fairness Act of 2017, which took effect July 1, 2017, restructured the State Board of Equalization and separated its functions among three separate entities: the State Board of Equalization, the CDTFA and the Office of Tax Appeals. The State Board of Equalization will continue to perform the duties assigned to it by the State Constitution, while all other duties will be transferred to the newly established CDTFA and the Office of Tax Appeals. CDTFA will handle most of the taxes and fees previously collected by the State Board of Equalization, including sales and use tax.

Under the Sales and Use Tax Law, all sales and use taxes collected by the CDTFA under a contract with any city, city and county, or county are required to be transmitted by the CDTFA to such city, city and county, or county periodically as promptly as feasible. These transmittals are required to be made at least twice in each calendar quarter.

Under its procedures, the CDTFA projects receipts of the sales and use tax on a quarterly basis and remits an advance of the receipts of the sales and use tax to the City on a monthly basis. The amount of each monthly advance is based upon the CDTFA's quarterly projection. During the last month of each quarter, the CDTFA adjusts the amount remitted to reflect the actual receipts of the sales and use tax for the previous quarter.

The CDTFA receives an administrative fee based on the cost of services provided by the Board to the City in administering the City's sales tax, which is deducted from revenue generated by the sales and use tax before it is distributed to the City.

As part of the State government's response to the COVID-19 pandemic, certain businesses were able to defer the payment of their sales taxes due to the City.

Other Sources of Revenues

City Utility Franchise Fees. This revenue source is a charge to the City's electric utility. Franchise fees are not taxes; rather, they are rents paid by utility providers to operate on or in City rights-of-way and City property, such as roads, sidewalks, parklands, etc. The rents are established by the City Council and typically are correlated to gross revenues generated by the utility provider. Revenues from this source remain stable albeit lower than otherwise would be due to the economic effects of the pandemic on the utility commercial customer base.

Business License Tax. Businesses that operate within City limits are required to obtain a business license. The fees are based on the type of business and an estimate of their gross receipts. The proceeds from the tax collected are available for unrestricted use in the General Fund. As mentioned earlier, receipts were higher in 2020 than in the prior year due to late payments. Before the onset of the pandemic in March 2020, business license activity was trending positively.

Refuse Disposal Franchise Fees. This revenue source is a charge to the City's franchise solid waste hauler. As discussed earlier, franchise fees are not taxes; rather, in the case of refuse disposal franchise fees they are rents paid by the refuse hauler for the use of rights-of-way to provide and distribute its services. Refuse hauler vehicles used to haul refuse are utilized more frequently and wear roads more significantly than other commercial or non-commercial vehicles. Revenues from this source were higher in FY 2019-20 than in the preceding year due to increased sales and rate adjustments by the hauler, Ukiah Waste Solutions.

Transient Occupancy Tax

Transient occupancy tax ("TOT") revenues are typically one of the largest sources of General Fund revenues. Commonly referred to as a "bed," "hotel," or "room" tax this revenue source was performing strongly over the last two years up until March. Travel restriction brought on by the pandemic will continue to negatively affect this revenue source. However, driven by increased tourism in the greater Ukiah Valley area and a larger volume of travelers heading north, this revenue source is poised to continue its growth trend for several more years after the pandemic has abated. Visitors are stopping in Ukiah as a final layover before making the trek to

Fort Bragg and Humboldt County. The TOT rate in Ukiah currently is 10 percent; however, 1 percentage point has been committed by the Ukiah City Council to fund the Visit Ukiah Program.

Property Taxes

Property Taxes represents the second-largest sources of taxes to the City's General Fund, after sales/use taxes. Property taxes represent a very stable source of revenue to the City, and are based in large part on assessed valuations of property located in the City.

Property Tax Delinquencies; Teeter Plan. Certain counties in the State of California, including Mendocino, offer a statutory program entitled Alternate Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds (the "**Teeter Plan**"). Under the Teeter Plan local taxing entities receive 100% of their tax levies net of delinquencies, but do not receive interest or penalties on delinquent taxes collected by the county. The County includes the City's property tax collections in its Teeter Plan. Consequently, the City's receipt of property taxes is equal to 100% of the amount levied. There is no assurance that the County will continue the Teeter Plan or that the City will continue to participate in the Teeter Plan. Delinquencies in the payment of property taxes could have an adverse effect on the ability of the City to make Lease Payments should the County discontinue the Teeter Plan or the City withdraw from or not be able to continue in the Teeter Plan.

General Method of Property Tax Calculations. Proposition 13, passed in 1978, established the current property tax regime for local agencies, including the City, throughout the State. Under Proposition 13, subject to voter-approved debt and certain other exceptions, the base property tax rate on a parcel is limited to 1% of its assessed value and the property tax collected by this 1% County-wide rate is shared by the local agencies eligible to receive property taxes within the applicable County pursuant to applicable State law. Under Proposition 13, the 1975-76 fiscal year serves as the original base year used in determining the assessment for real property. Thereafter, annual increases to the base year value are limited to the inflation rate, as measured by the California Consumer Price Index, or 2%, whichever is less. A new base year value, however, is also established whenever a property, or portion thereof, has had a change in ownership or has been newly constructed. See "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS – Article XIII A of the State Constitution" for additional information.

Proposition 8, enacted in 1978, allows for a temporary reduction in assessed value when a property suffers a "decline-in-value." As of the January 1st (lien date) each year, the Assessor must enroll either a property's Proposition 13 value (adjusted annually for inflation by no more than 2%) or its current market value, whichever is less. When the current market value replaces the higher Proposition 13 value, the lower value is commonly referred to as a "Proposition 8 Value." "Proposition 8 values" are temporary and, once enrolled, must be reviewed annually by the assessor until the Proposition 13 adjusted base year value is enrolled.

The California Tax on Commercial and Industrial Properties for Education and Local Government Funding Initiative has qualified to appear on the ballot in California as an initiated Constitutional amendment on November 3, 2020. The ballot initiative would amend the State Constitution to require commercial and industrial properties, except those zoned as commercial agriculture, to be taxed based on their market value. The proposal to assess taxes on commercial and industrial properties at market value, while continuing to assess taxes on residential properties based on purchase price as described above, is known as "split roll." At this time, the

City is unable to determine the likelihood of passage of the measure or the impact on the City's property tax receipts from passage.

Levy and Collection of Property Taxes. Property taxes are levied for each fiscal year on taxable real and personal property as of the preceding January 1. For assessment and collection purposes, property is classified either as "secured" or "unsecured" and is listed accordingly on separate parts of the assessment roll. The "secured roll" is that part of the assessment roll containing State-assessed public utilities property and real property the taxes on which have a viable tax lien, in the opinion of the County Assessor, to secure payment of the taxes. Other property is assessed on the "unsecured roll."

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each fiscal year, and become delinquent on December 10 and April 10, respectively. A penalty of 10% attaches immediately to all delinquent payments. Property on the secured roll with respect to which taxes are delinquent become tax defaulted on or about June 30 of the fiscal year. Such property may thereafter be redeemed by payment of a penalty of 1% per month to the time of redemption, plus costs and a redemption fee. If taxes are unpaid for a period of five years or more, the property is deeded to the State and may be sold at public auction.

Property taxes on the unsecured roll are due as of the January 1 lien dates and become delinquent on August 31. A 10% penalty attaches to delinquent unsecured taxes. If unsecured taxes are unpaid at 5:00 p.m. on October 31, an additional penalty of 1% attaches to them on the first day of each month until paid. The County has four ways of collecting delinquent unsecured personal property taxes: (1) a civil action against the taxpayer; (2) filing a judgment in the office of the County Clerk specifying certain facts in order to obtain a lien on certain property of the taxpayer; (3) filing a certificate of delinquency for record in the County Recorder's office in order to obtain a lien on certain property of the taxpayer; and (4) seizure and sale of personal property, improvements or possessory interests belonging or assessed to the assessee.

Beginning in 1978-79, Proposition 13 and its implementing legislation shifted the function of property tax allocation to the counties, except for levies to support prior voted debt, and prescribed how levies on county-wide property values are to be shared with local taxing entities within each county.

Financial Statements

The City's accounting policies conform to generally accepted accounting principles and reporting standards set forth by the State Controller. The audited financial statements also conform to the principles and standards for public financial reporting established by GASB.

Basis of Accounting and Financial Statement Presentation. The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Audited Financial Statements. Set forth in the following tables is the City's General Fund balance sheets and statements of revenues, expenditures and changes in General Fund Balance for fiscal years 2016-17 through 2020-21, which are based on the City's audited financial statements. The balance sheets and statements presented in this Official Statement are subject to the various notes attached to the City's financial statements for the respective years. The City's Comprehensive Annual Financial Report ("**CAFR**") for Fiscal Year 2020-21, including the City's audited financial statements, is set forth in Appendix A.

Relevant Fiscal Policies

The City has adopted a comprehensive set of fiscal policies to provide guidance for all fiscal activities and resource allocation decisions as defined in the Adopted Budget. The policies set forth guidelines for both current activities and long-range planning. In addition, the City Council approved or adopted several other fiscal policies including:

- Investment Policy.
- Debt Management Policy.

- Reserve Policy

The following are certain highlighted aspects of the adopted policies.

City Investment Policy. The City invests its funds in accordance with the City's Investment Policy, in accordance with Section 53600 et seq. of the State Government Code. Idle cash management and investment transactions are the responsibility of the City Manager and City Treasurer. The Investment Policy sets forth the policies and procedures applicable to the investment of City funds and designates eligible investments. The Investment Policy's stated overarching purpose is to (i) ensure that public funds are invested in such a manner as to comply with state and local laws; (ii) ensure prudent money management; (iii) provide for daily cash flow requirements; and (iv) meet the objectives of the Investment Policy (per California Government Code Section 53600.5) in the following order of priority:

1. **Safety of Principal:** Safety of principal is the foremost objective of the investment program. Investments of the City shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, the City strives to diversify its investments by investing funds among a variety of securities with independent returns.

2. **Liquidity:** The City's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements which might be reasonably anticipated. Maturities of investments are selected in anticipation of disbursement needs, thereby obviating the need for forced liquidation or lost interest penalties.

3. **Return on Investments:** The City's investment portfolio shall have the objective of attaining a comparative performance measurement or an acceptable rate of return throughout budgetary and economic cycles. These measurements should be commensurate with the City's investment risk constraints identified in the Investment Policy and the cash flow characteristics of the portfolio.

Debt Management Policy. The City's Debt Management Policy sets forth parameters for issuing debt and managing the City's debt portfolio and generally sets forth the following: (i) the purposes for which the debt proceeds may be used, (ii) the types of debt that may be issued, (iii) the relationship of the debt to, and integration with, the issuer's capital improvement program or budget, if applicable, (iv) policy goals related to the City's planning goals and objectives, and (v) the internal control procedures that the City has implemented, or will implement, to ensure that the proceeds of the proposed debt issuance will be directed to the intended use. This policy will also assist the City in pursuing and maintaining quality credit ratings in addition to providing guidance to decision makers.

Reserve Policy. The City's Reserve Policy provides that the City strive to maintain a fund balance in the General Fund, including the General Fund's Strategic Reserve Fund, of at least twenty-five percent (25%) of budgeted General Fund operating expenditures. A 25% fund balance is equivalent to approximately three months of operating expenditures. The Reserve Policy's stated purpose of a 25% minimum fund balance is to meet cash flow requirements, to protect the City's essential service programs and funding requirements during periods of economic uncertainty, local disasters, other financial hardships or downturns in the local economy, and to provide for unforeseen operating or capital needs. The Operating Reserve contained approximately \$7.7 million as of June 30, 2021.

Risk Management. The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the City participates. The City is a member of the Redwood Empire Municipal Insurance Fund (“**REMIF**”), a public entity pool comprised of fifteen northern California charter and associate member cities. REMIF is organized under a Joint Powers Agreement pursuant to the California Government Code. The purpose of REMIF is to arrange and administer programs of insurance for the pooling of self-insured losses and to purchase excess insurance coverage. The City pays an annual premium to REMIF for its workers’ compensation, general liability and property coverage.

The City of Ukiah participates in the following three REMIF programs:

General Liability Insurance. Annual premiums are paid by the member cities and are adjusted retrospectively to cover costs. The City of Ukiah self-insures for the first \$25,000 of each loss and pays 100 percent of all losses incurred under \$25,000. The City does not share or pay for losses of other cities under \$5,000, depending on the entity’s deductible amount. Participating cities then share in the next \$5,000 to \$750,000 per loss occurrence. Specific coverage includes comprehensive and general automotive liability, personal injury, contractual liability, professional liability, and certain other coverage. REMIF is a member of the California Joint Powers Risk Management Authority, which provides REMIF with an additional \$39,250,000 liability insurance coverage over and above REMIF retention level of \$750,000.

Worker’s Compensation. Periodic deposits are paid by member cities and are adjusted retrospectively to cover costs. The City of Ukiah is self-insured for the first \$10,000 of each loss and pays 100 percent of all losses incurred under \$10,000. The City does not share or pay for losses of other cities under \$5,000.

Property Insurance. The City participates in REMIF’s property insurance program. The annual deposits paid by participating member cities are based upon deductibility levels and are not subject to retroactive adjustments. The City of Ukiah has a deductible level of \$500,000 for high-risk flood zones and \$100,000 for all wildfire and property related claims, and a coverage limit of \$400,000,000 declared value. Separate internal service funds are maintained by the City for the City’s deductibles and allocated share of pooled costs noted above. The total cash and investments held in these funds at June 30, 2021, was \$383,075.

See APPENDIX A Note 10 for additional details regarding the City’s pension and other employee benefits, including as relates to Risk Management.

Employee Retirement System; CalPERS

*This caption contains certain information relating to California Public Employees’ Retirement System (“**CalPERS**”). The information is primarily derived from information produced by CalPERS, its independent accountants and actuaries. The City has not independently verified the information provided by CalPERS and makes no representations and expresses no opinion as to the accuracy of the information provided by CalPERS.*

The comprehensive annual financial reports of CalPERS are available on its Internet website at www.calpers.ca.gov. The CalPERS website also contains CalPERS’ most recent actuarial valuation reports and other information concerning benefits and other matters. Such information is not incorporated by reference in this Official Statement. None of the Authority, City or Underwriter can guarantee the accuracy of such information. Actuarial assessments are

“forward-looking” statements that reflect the judgment of the fiduciaries of the pension plans, and are based upon a variety of assumptions, one or more of which may not materialize or may be changed in the future. Actuarial assessments will change with the future experience of the pension plans.

General Information about the Pension Plans. All qualified permanent and probationary employees are eligible to participate in the Public Agency Cost-Sharing Multiple-Employer Defined Benefit Pension Plan (“**Plan**”), administered by CalPERS. The Plan’s benefit provisions are established by statute. The Plan is included as a pension trust fund in the CalPERS Comprehensive Annual Financial Report, which is available online at www.calpers.ca.gov.

The Plan consists of a miscellaneous pool and a safety pool (referred to as “**risk pools**”), which are comprised of individual employer miscellaneous and safety rate plans, respectively, including those of the City. The City does not have any rate plans in the miscellaneous risk pool. The City’s employer rate plans in the safety risk pool include the Safety Fire plan (“**Fire**”), the Safety Police plan (“**Police**”), the PEPRA Safety Fire plan (“**PEPRA Safety Fire**”) and the PEPRA Safety Police plan (“**PEPRA Police**”).

PEPRA. On September 12, 2012, the California Governor signed AB 340, a bill that enacted the California Public Employees’ Pension Reform Act of 2012 (“**PEPRA**”) and that also amended various sections of the California Education and Government Codes, including the County Employees Retirement Law of 1937. Effective January 1, 2013, PEPRA: (i) requires public retirement systems and their participating employers to share equally with employees the normal cost rate for such retirement systems; (ii) prohibits employers from paying employer paid member contributions to such retirement systems for employees hired after January 1, 2013; (iii) establishes a compulsory maximum non safety benefit formula of 2.5% at age 67; (iv) defines final compensation as the highest average annual pensionable compensation earned during a 36 month period; and (v) caps pensionable income at \$110,100 (\$132,120 for employees not enrolled in Social Security) subject to Consumer Price Index increases. Other provisions reduce the risk of the City incurring additional unfunded liabilities, including prohibiting retroactive benefits increases, generally prohibiting contribution holidays, and prohibiting purchases of additional non-qualified service credit.

Benefits Provided. The Plan provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full-time employment. Classic members and PEPRA Safety members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. PEPRA Miscellaneous members with five years of total service are eligible to retire at age 52 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after five years of service. The death benefit is the Basic Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees’ Retirement Law.

The provisions and benefits of each Plan that were in effect at June 30, 2021, are summarized as follows:

Contributions. Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the CalPERS actuary and shall be effective on the July 1 following notice of a change in the rate. Contribution rates for the employer rate plans are determined through the CalPERS' annual actuarial valuation process. Each employer rate plan's actuarially determined rate is based on the estimated amount necessary to pay the employer rate plan's allocated share of the cost of benefits earned by employees during the year, and any unfunded accrued liability. The City of Ukiah is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. For the year ended June 30, 2021 the contributions recognized as part of pension expense for each Plan were \$0 for Miscellaneous Risk Pools and \$15,338,474 for Safety Risk Plans.

The City is required to contribute at an actuarially determined rate of annual covered payroll, plus a fixed payment of unfunded liability. The actuarially determined rates and amounts for each Pension Plan for the fiscal years ended June 30, 2021 and June 30, 2021, are as follows:

Payable to the Pension Plan. At June 30, 2021, the City reported a payable of \$ -0- for the outstanding amount of contributions to the pension plan required for the year ended June 30, 2021.

For the year ended June 30, 2021, the City recognized a total pension expense for both plans was \$3,551,524 for Safety and \$5,103,809 for Misc.. See Note 11 to the City's audited financial statements for the fiscal year ending June 30, 2021 attached hereto as Appendix A for more information.

Actions Taken by CalPERS Related to Discount Rate and Other Assumptions. In 2013, the CalPERS' Board of Administration (the "**Board of Administration**") approved a recommendation to change the CalPERS amortization and smoothing policies. In 2018, the Board of Administration voted to shorten the period over which CalPERS will amortize actuarial gains and losses from 30 years to 20 years for new pension liabilities. In 2014, the Board of Administration approved new demographic actuarial assumptions based on a 2013 study of recent experience. The largest impact, applying to all benefit groups, is a new 20-year mortality projection reflecting longer life expectancies and that longevity will continue to increase. Because retirement benefits will be paid out for more years, the cost of those benefits will increase as a result. In 2015, the Board of Administration adopted a funding risk mitigation policy intended to incrementally lower its discount rate – its assumed rate of investment return – in years of good investment returns, help pay down the pension fund's unfunded liability, and provide greater predictability and less volatility in contribution rates for employers. In 2016, the Board of Administration voted to lower its discount rate for local agencies per the following schedule:

<u>Fiscal Year</u>	<u>Discount Rate</u>
2018-19	7.375%
2019-20	7.250
2020-21	7.000

On July 12, 2021, CalPERS announced it had achieved a preliminary investment return of 21.3% for the 12-month period ending June 30, 2021. Under the Funding Risk Mitigation Policy approved by the CalPERS Board of Administration in 2015, the double-digit return will trigger a reduction in the discount rate from 7.00% to 6.80%. The CalPERS Board may further reduce the discount rate in the near future. The final discount rate (and other assumptions) will be determined at the Asset Liability Management meeting that occurs in November 2021. CalPERS may lower the discount rate beyond the trigger set forth in the Funding Risk Mitigation Policy or make other changes.

Lowering the discount rate means employers that contract with CalPERS to administer their pension plans will see increases in their normal costs and unfunded actuarial liabilities. Active members hired after January 1, 2013, under PEPRAs will also see their contribution rates rise. PEPRAs included certain other provisions to try to minimize pension costs for covered employees. The three-year reduction of the discount rate will result in average employer rate increases of about 1 percent to 3 percent of normal cost as a percent of payroll for most miscellaneous retirement plans, and a 2 percent to 5 percent increase for most safety plans. Additionally, many CalPERS employers will see a 30 to 40 percent increase in their current unfunded accrued liability payments. These payments are made to amortize unfunded liabilities over 20 years to bring the pension fund to a fully funded status over the long-term.

Fiscal Year 2020-21 investment returns and changes to the discount rate and other assumptions, including demographic changes, will be reported on the June 30, 2021 CalPERS actuarial reports. These changes, including the newly determined discount rate, will be reflected in contribution levels for cities, counties, and special districts in Fiscal Year 2023-24.

Asset Volatility Ratio (AVR). Plans that have higher asset-to-payroll ratios experience more volatile employer contributions (as a percentage of payroll) due to investment return. For example, a plan with an asset-to-payroll ratio of 8 may experience twice the contribution volatility due to investment return volatility, than a plan with an asset-to-payroll ratio of 4. Shown below is the asset volatility ratio for the Miscellaneous Plan, the Safety Plan (Fire), the Safety Plan (Police), the PEPRAs Safety (Fire) and the PEPRAs Safety (Police) plan which is a measure of each plan's current contribution volatility. It should be noted that this ratio is a measure of the current situation. It increases over time but generally tends to stabilize as the plan matures.

Liability Volatility Ratio (LVR). Plans that have higher liability-to-payroll ratios experience more volatile employer contributions (as a percentage of payroll) due to investment return and changes in liability. For example, a plan with a liability-to-payroll ratio of 8 is expected to have twice the contribution volatility of a plan with a liability-to-payroll ratio of 4. The liability volatility ratio is also shown in the table below. It should be noted that this ratio indicates a longer-term potential for contribution volatility. The AVR, described above, will tend to move closer to the LVR as the plan matures. Since the liability volatility ratio is a long-term measure, it is shown below at the current discount rate (7 percent) as well as the discount rate the Board has adopted to determine the contribution requirement in the June 30, 2020 actuarial valuation (7.00 percent).

Deferred Compensation Plan. City employees may defer a portion of their compensation under a City sponsored Deferred Compensation Plan created in accordance with Internal Revenue Code Section 457. Under this plan, participants are not taxed on the deferred portion of their compensation until distributed to them; distributions may be made only at termination, retirement, death or in an emergency defined by the plan. The laws governing deferred compensation plan assets require plan assets to be held by a trust for the exclusive benefit of plan participants and their beneficiaries. Since the assets held under these plans are not the City's property and are not subject to City control, they are excluded from the City's financial statements.

OVERLAPPING DEBT OF THE CITY

Direct and Overlapping Bonded Debt

Set forth on the following page is a direct and overlapping debt report for the City (the “Debt Report”) prepared by California Municipal Statistics, Inc. and dated as of November 1, 2021. The Debt Report is included for general information purposes only. The City has not reviewed the Debt Report for completeness or accuracy and makes no representations in connection therewith. The Debt Report generally includes long term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the City in whole or in part. Such long-term obligations generally are not payable from revenues of the City (except as indicated) nor are they necessarily obligations secured by land within the City. In many cases long-term obligations issued by a public agency are payable from the general fund or other revenues of such public agency. The total 2020-21 assessed valuation of \$1,651,248,896 reflected in the Debt Report is provided by California Municipal Statistics, Inc. Neither the City, the Authority nor the Underwriter has verified this information.

CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS

The constitutional and statutory provisions discussed in this section have the potential to affect the ability of the City to levy taxes and spend tax proceeds for operating and other purposes.

Article XIII A of the State Constitution

Section 1(a) of Article XIII A of the State Constitution limits the maximum ad valorem tax on real property to 1% of full cash value (as defined in Section 2 of Article XIII A), to be collected by counties and apportioned according to law. Section 1(b) of Article XIII A provides that the 1% limitation does not apply to ad valorem taxes to pay interest or redemption charges on (1) indebtedness approved by the voters prior to June 1, 1978 or (2) any bonded indebtedness for the acquisition or improvement of real property approved on or after June 1, 1978, by two thirds of the votes cast by the voters voting on the Proposition. Section 2 of Article XIII A defines “full cash value” to mean “the county assessor’s valuation of real property as shown on the 1975–76 tax bill under ‘full cash value’ or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment.” The full cash value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or to reflect a reduction in the consumer price index or comparable data for the area under taxing jurisdiction or reduced in the event of declining property value caused by substantial damage, destruction or other factors. Legislation enacted by the State Legislature to implement Article XIII A provides that notwithstanding any other law, local agencies may not levy any ad valorem property tax except to pay debt service on indebtedness approved by the voters as described above.

The voters of the State subsequently approved various measures that further amended Article XIII A. One such amendment generally provides that the purchase or transfer of (i) real property between spouses or (ii) the principal residence and the first \$1,000,000 of the full cash value of other real property between parents and children, does not constitute a “purchase” or “change of ownership” triggering reassessment under Article XIII A. This amendment could serve to reduce the property-tax revenues of the City. Other amendments permitted the State Legislature to allow persons over 55 or “severely disabled homeowners” who sell their residences and buy or build another of equal or lesser value within two years in the same county, to transfer the old residence’s assessed value to the new residence.

In the November 1990 election, the voters approved the amendment of Article XIII A to permit the State Legislature to exclude from the definition of “newly constructed” the construction or installation of seismic retrofitting improvements or improvements utilizing earthquake hazard mitigation technologies constructed or installed in existing buildings after November 6, 1990.

Article XIII A has also been amended to permit reduction of the “full cash value” base in the event of declining property values caused by damage, destruction or other factors, provided that there would be no increase in the “full cash value” base in the event of reconstruction of property damaged or destroyed in a disaster.

Article XIII B of the State Constitution

Article XIII B of the State Constitution limits the annual appropriations of the State and of any city, county, school district, special district, authority or other political subdivision of the State to the appropriations limit for the prior Fiscal Year, as adjusted for changes in the cost of living, population and services for which the fiscal responsibility is shifted to or from the governmental

entity. The “base year” for establishing this appropriations limit is the 1978–79 Fiscal Year. The appropriations limit may also be adjusted in emergency circumstances, subject to limitations.

Appropriations of an entity of local government subject to Article XIIB generally include authorizations to expend during a Fiscal Year the “proceeds of taxes” levied by or for the entity, exclusive of certain State subventions, refunds of taxes, and benefit payments from retirement, unemployment insurance and disability insurance funds. “Proceeds of taxes” include but are not limited to, all tax revenues, certain State subventions received by the local governmental entity and the proceeds to the local governmental entity from (1) regulatory licenses, user charges, and user fees (to the extent that such proceeds exceed the cost of providing the service or regulation) and (2) the investment of tax revenues. Article XIIB provides that if a governmental entity’s revenues in any year exceed the amounts permitted to be spent, the excess must be returned by revising tax rates or fee schedules over the subsequent two fiscal years.

Article XIIB does not limit the appropriation of moneys to pay debt service on indebtedness existing or authorized as of January 1, 1979, or for bonded indebtedness approved thereafter by a vote of the electors of the issuing entity at an election held for that purpose, or appropriations for certain other limited purposes. Furthermore, Article XIIB was amended in 1990 to exclude from the appropriations limit “all qualified capital outlay projects, as defined by the Legislature” from proceeds of taxes. The Legislature has defined “qualified capital outlay project” to mean a fixed asset (including land and construction) with a useful life of 10 or more years and a value which equals or exceeds \$100,000. As a result of this amendment, the appropriations to pay the lease payments on the City’s long term General Fund lease obligations are generally excluded from the City’s appropriations limit. The City has never exceeded its appropriations limit.

Articles XIIC and XIID of the State Constitution

General. On November 5, 1996, the voters of the State approved Proposition 218, known as the “Right to Vote on Taxes Act.” Proposition 218 adds Articles XIIC and XIID to the California Constitution and contains a number of interrelated provisions affecting the ability of the City to levy and collect both existing and future taxes, assessments, fees and charges.

On November 2, 2010, California voters approved Proposition 26, entitled the “Supermajority Vote to Pass New Taxes and Fees Act.” Section 1 of Proposition 26 declares that Proposition 26 is intended to limit the ability of the State Legislature and local government to circumvent existing restrictions on increasing taxes by defining the new or expanded taxes as “fees.” Proposition 26 amended Articles XIII A and XIIC of the State Constitution. The amendments to Article XIII A limit the ability of the State Legislature to impose higher taxes (as defined in Proposition 26) without a two-thirds vote of the Legislature. The amendments to Article XIIC define “taxes” that are subject to voter approval as “any levy, charge, or exaction of any kind imposed by a local government,” with certain exceptions.

Taxes. Article XIIC requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes of the City (“general taxes”) require a majority vote; taxes for specific purposes (“special taxes”), even if deposited in the City’s General Fund, require a two-thirds vote.

Property-Related Fees and Charges. Article XIID also adds several provisions making it generally more difficult for local agencies to levy and maintain property-related fees, charges, and assessments for municipal services and programs. These provisions include, among other

things, (i) a prohibition against assessments which exceed the reasonable cost of the proportional special benefit conferred on a parcel, (ii) a requirement that assessments must confer a “special benefit,” as defined in Article XIID, over and above any general benefits conferred, (iii) a majority protest procedure for assessments which involves the mailing of notice and a ballot to the record owner of each affected parcel, a public hearing and the tabulation of ballots weighted according to the proportional financial obligation of the affected party, and (iv) a prohibition against fees and charges which are used for general governmental services, including police, fire or library services, where the service is available to the public at large in substantially the same manner as it is to property owners.

Reduction or Repeal of Taxes, Assessments, Fees and Charges. Article XIIC also removes limitations on the initiative power in matters of reducing or repealing local taxes, assessments, fees or charges. No assurance can be given that the voters of the City will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges currently comprising a substantial part of the City’s General Fund. If such repeal or reduction occurs, the City’s ability to pay debt service on the Bonds could be adversely affected.

Burden of Proof. Article XIIC provides that local government “bears the burden of proving by a preponderance of the evidence that a levy, charge, or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the governmental activity, and that the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor’s burdens on, or benefits received from, the governmental activity.” Similarly, Article XIID provides that in “any legal action contesting the validity of a fee or charge, the burden shall be on the agency to demonstrate compliance” with Article XIID.

Judicial Interpretation of Proposition 218. The interpretation and application of Articles XIIC and XIID will ultimately be determined by the courts, and it is not possible at this time to predict with certainty the outcome of such determination.

Impact on City’s General Fund. The City does not believe that any material source of General Fund revenue is subject to challenge under Proposition 218 or Proposition 26.

The approval requirements of Articles XIIC and XIID reduce the flexibility of the City to raise revenues for the General Fund, and no assurance can be given that the City will be able to impose, extend or increase the taxes, fees, charges or taxes in the future that it may need to meet increased expenditure needs.

Proposition 1A; Proposition 22

Proposition 1A. Proposition 1A, proposed by the Legislature in connection with the State’s Fiscal Year 2004-05 Budget, approved by the voters in November 2004 and generally effective in Fiscal Year 2006-07, provided that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate or change the allocation of local sales tax revenues, subject to certain exceptions. Proposition 1A generally prohibited the State from shifting to schools or community colleges any share of property tax revenues allocated to local governments for any Fiscal Year, as set forth under the laws in effect as of November 3, 2004. Any change in the allocation of property tax revenues among local governments within a county had to be approved by two-thirds of both houses of the Legislature.

Proposition 22. Proposition 22, entitled “The Local Taxpayer, Public Safety and Transportation Protection Act,” was approved by the voters of the State in November 2010.

Proposition 22 eliminates or reduces the State’s authority to (i) temporarily shift property taxes from cities, counties and special districts to schools, (ii) use vehicle license fee revenues to reimburse local governments for State-mandated costs (the State will have to use other revenues to reimburse local governments), (iii) redirect property tax increment from redevelopment agencies to any other local government, (iv) use State fuel tax revenues to pay debt service on State transportation bonds, or (v) borrow or change the distribution of State fuel tax revenues.

Unitary Property

AB 454 (Chapter 921, Statutes of 1986) provides that revenues derived from most utility property assessed by the State Board of Equalization (“Unitary Property”), commencing with the 1988–89 Fiscal Year, are allocated as follows: (i) each jurisdiction will receive up to 102% of its prior year State–assessed revenue; and (ii) if county–wide revenues generated from Unitary Property are less than the previous year’s revenues or greater than 102% of the previous year’s revenues, each jurisdiction will share the burden of the shortfall or benefit of the excess revenues by a specified formula. This provision applies to all Unitary Property except railroads, whose valuation will continue to be allocated to individual tax rate areas.

The provisions of AB 454 do not constitute an elimination of the assessment of any State–assessed properties nor a revision of the methods of assessing utilities by the State Board of Equalization. Generally, AB 454 allows valuation growth or decline of Unitary Property to be shared by all jurisdictions in a county.

Possible Future Initiatives

Article XIII A, Article XIII B and Propositions 218, 26, IA and 22 were each adopted as measures that qualified for the ballot pursuant to the State’s initiative process. From time to time, other initiative measures could be adopted, further affecting the City’s revenues or its ability to expend revenues.

BOND OWNERS’ RISKS

The following describes certain special considerations and risk factors affecting the payment of and security for the Bonds. The following discussion is not meant to be an exhaustive list of the risks associated with the purchase of any Bonds and does not necessarily reflect the relative importance of the various risks. Potential investors in the Bonds are advised to consider the following special factors along with all other information in this Official Statement in evaluating the Bonds. There can be no assurance that other considerations will not materialize in the future.

No Pledge of Taxes

General. The obligation of the City to pay the Lease Payments and Additional Rental Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. The obligation of the City to pay Lease Payments and Additional Rental Payments does not constitute a debt or indebtedness of the City, the State of California or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction.

The City is currently liable on other obligations payable from general revenues, which are described above under “CITY FINANCIAL INFORMATION – Long-Term Obligations Payable Out of General Fund.”

Limitations on Taxes and Fees. Certain taxes, assessments, fees and charges presently imposed by the City could be subject to the voter approval requirements of Article XIII C and Article XIII D of the State Constitution. Based upon the outcome of an election by the voters, such fees, charges, assessments and taxes might no longer be permitted to be imposed, or may be reduced or eliminated and new taxes, assessments fees and charges may not be approved. The City has assessed the potential impact on its financial condition of the provisions of Article XIII C and Article XIII D of the State Constitution respecting the imposition and increase of taxes, fees, charges and assessments and does not believe that an election by the voters to reduce or eliminate the imposition of certain existing fees, charges, assessments and taxes would substantially affect its financial condition. However, the City believes that if the initiative power was exercised so that all local taxes, assessments, fees and charges that may be subject to Article XIII C and Article XIII D of the State Constitution are eliminated or substantially reduced, the financial condition of the City, including its General Fund, could be materially adversely affected.

Although the City does not currently anticipate that the provisions of Article XIII C and Article XIII D of the State Constitution would adversely affect its ability to pay Lease Payments and its other obligations payable from the General Fund, no assurance can be given regarding the ultimate interpretation or effect of Article XIII C and Article XIII D of the State Constitution on the City's finances. See "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS."

Abatement

In the event of loss or substantial interference in the use and possession by the City of all or any portion of the Leased Property caused by material damage, title defect, destruction to or condemnation of the Leased Property, Lease Payments will be subject to abatement. See "SECURITY FOR THE BONDS – Abatement" herein. In the event that such component of the Leased Property, if damaged or destroyed by an insured casualty, could not be replaced during the period of in which proceeds of rental interruption insurance, if any, will be available in lieu of Lease Payments, or in the event that casualty insurance proceeds or condemnation proceeds are insufficient to provide for complete repair or replacement of such component of the Leased Property or prepayment of the Bonds, there could be insufficient funds to make payments to Owners in full. It is not always possible to predict the circumstances under which abatement of rental may occur. In addition, there is no statute, case or other law specifying how such an abatement of rental should be measured. For example, it is not clear whether fair rental value is established as of commencement of the lease or at the time of the abatement. If the latter, it may be that the value of the Leased Property is substantially higher or lower than its value at the time of issuance of the Bonds. Abatement, therefore, could have an uncertain and material adverse effect on the security for and payment of the Bonds.

If damage, destruction, title defect or eminent domain proceedings with respect to the Leased Property results in abatement of the Lease Payments related to such Leased Property and if such abated Lease Payments, if any, together with moneys from rental interruption or use and occupancy insurance, if any, (in the event of any insured loss due to damage or destruction), and eminent domain proceeds, if any, are insufficient to make all payments of principal and interest with respect to the Bonds during the period that the Leased Property is being replaced, repaired or reconstructed, then all or a portion of such payments of principal and interest may not be made. Reduction in Lease Payments due to abatement as provided in the Lease does not constitute a default thereunder, and no remedy is available to the Bond Owners under the Lease or the Indenture for nonpayment under such circumstances. See APPENDIX C – "SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – The Lease – Abatement of Rental."

Limited Recourse on Default; No Right to Repossess; No Acceleration of Lease Payments

Failure by the City to make Lease Payments, or failure to pay Additional Rental Payments or to observe and perform any other terms, covenants or conditions contained in the Lease or in the Indenture for a period of 30 days after written notice of such failure and request that it be remedied has been given to the City by the Authority or the Trustee, constitute Events of Default under the Lease. Such events permit the Trustee or the Authority to pursue any and all remedies available. However, notwithstanding anything in the Lease or in the Indenture to the contrary, there is no right under any circumstances to accelerate the Lease Payments or otherwise declare any Lease Payments that are not then in default to be immediately due and payable, nor do the Authority or the Trustee have any right to repossess or relet the Leased Property.

Following an event of default, the Authority or the Trustee may elect either to terminate the Lease and seek to collect damages from the City or to maintain the Lease in effect and seek to collect the Lease Payments as they become due. See “APPENDIX C – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – The Lease” herein.

In the event of a default, there is no remedy of acceleration of the total Lease Payments due over the term of the Lease and neither the Authority nor the Trustee are empowered to sell or relet the Leased Property and use the proceeds of such sale or reletting to redeem the Bonds or pay debt service with respect thereto. The City will be liable only for Lease Payments on an annual basis and, in the event of a default, the Authority or Trustee would be required to seek a separate judgment each year for that year’s defaulted Lease Payments. Any such suit for money damages would be subject to limitations on legal remedies against municipalities in California, including a limitation on enforcement of judgments against funds of a Fiscal Year other than the Fiscal Year in which the Lease Payments were due and against funds needed to serve the public welfare and interest.

Additional Obligations of the City

General. The City is permitted to enter into other obligations which constitute additional charges against its revenues without the consent of Owners of the Bonds, and may in the future be subject to liabilities payable from the general fund (some of which are described below). To the extent that additional obligations are incurred by (or imposed upon) the City, the funds available to pay Lease Payments may be decreased.

The Lease Payments and other payments due under the Lease (including payment of costs of repair and maintenance of the Leased Property, taxes and other governmental charges levied against the Leased Property) are payable from funds lawfully available to the City. If the amounts that the City is obligated to pay in a fiscal year exceed the City’s revenues for such year, the City may choose to make some payments rather than making other payments, including Lease Payments and Additional Rental Payments, based on the perceived needs of the City. The same result could occur if, because of California Constitutional limits on expenditures, the City is not permitted to appropriate and spend all of its available revenues or is required to expend available revenues to preserve the public health, safety and welfare.

Litigation. The City is subject to litigation arising in the normal course of business. See “LITIGATION.”

CalPERS Obligations. Many cities and other local agencies in the State have been faced with increased payments due to CalPERS in recent years. The City, like many other cities and local agencies in the State, is responsible for payments to CalPERS for its share of employee pension costs. Amounts owed to CalPERS for pension costs have increased in recent years and are expected to continue to increase, as CalPERS implements changes to its discount rate and other methodologies for calculating pension costs. See “THE CITY – Pension Plans” for additional information on CalPERS.

Default

Whenever any event of default referred to in the Lease happens and continues, the Trustee (as assignee of the Authority) is authorized under the terms of the Lease to exercise any and all remedies available under law or granted under the Lease. See “APPENDIX C – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS” for a detailed description of available remedies in the case of a default under the Lease.

If a default occurs, there is no remedy of acceleration of the total Lease Payments due over the term of the Lease. The Trustee is not empowered to sell the Leased Property and use the proceeds of such sale to prepay the Bonds or pay debt service on the Bonds.

The City will be liable only for Lease Payments on an annual basis and, in the event of a default, the Trustee would be required to seek a separate judgment each year for that year's defaulted Lease Payments. Any such suit for money damages would be subject to limitations on legal remedies against municipalities in the State, including a limitation on enforcement of judgments against funds of a fiscal year other than the fiscal year in which the Lease Payments were due and against funds needed to serve the public welfare and interest.

Abatement

Under certain circumstances related to damage, destruction, condemnation or title defects which cause a substantial interference with the use and possession of the Leased Property, the City's obligation to make Lease Payments will be subject to full or partial abatement and could result in the Trustee having inadequate funds to pay the principal and interest on the Bonds as and when due. See “SECURITY FOR THE BONDS – Abatement” and “APPENDIX C – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

Although the City is required under the Lease to maintain property and liability insurance with respect to the Leased Property, the required insurance coverage is subject to certain conditions and restrictions. See “SECURITY FOR THE BONDS – Property Insurance.”

[[[The City is not required to maintain rental interruption insurance to thereby generate available moneys to make debt service payments on the Bonds during any period of abatement.]]]

Sales Taxes

Sales tax revenues are typically the biggest source of revenue to the City, behind property taxes. Sales tax revenues are based upon the gross receipts of retail sales of tangible goods and products by retailers with taxable transactions in the City, which could be impacted by a variety of factors.

For example, before final maturity of the Bonds, the City may enter into an economic recession. In times of economic recession, the gross receipts of retailers often decline, and such a decline would cause the sales tax revenues received by the City to also decline.

In addition, changes or amendments in the laws applicable to the City's receipt of sales tax revenues, whether implemented by State legislative action or voter initiative, could have an adverse effect on sales tax revenues received by the City. For example, many categories of transactions are exempt from the statewide sales tax, and additional categories could be added in the future. Currently, most sales of food products for human consumption are exempt; this exemption, however, does not apply to liquor or to restaurant meals. The rate of sales tax levied on taxable transactions in the City or the fee charged by the CDTFA for administering the City's sales tax could also be changed.

Property Taxes

Property taxes are a significant source of General Fund revenue to the City. Certain risks associated with property tax revenues follow.

Levy and Collection. The City does not have any independent power to levy and collect property taxes. Any reduction in the tax rate or the implementation of any constitutional or legislative property tax decrease could reduce the City's property tax revenues, and accordingly, could have an adverse impact on the ability of the City to make Lease Payments. Likewise, delinquencies in the payment of property taxes could have an adverse effect on the City's ability to pay principal of and interest on the Bonds when due.

Reduction in Inflationary Rate. Article XIII A of the California Constitution provides that the full cash value base of real property used in determining assessed value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year, or may be reduced to reflect a reduction in the consumer price index or comparable local data. See "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS." Such measure is computed on a calendar year basis. Because Article XIII A limits inflationary assessed value adjustments to the lesser of the actual inflationary rate or 2%, there have been years in which the assessed values were adjusted by actual inflationary rates, which were less than 2%. Since Article XIII A was approved, the annual adjustment for inflation has fallen below the 2% limitation a limited number of times.

The City is unable to predict if any adjustments to the full cash value base of real property within the City, whether an increase or a reduction, will be realized in the future.

Appeals of Assessed Values. There are two types of appeals of assessed values that could adversely impact property tax revenues:

Proposition 8 Appeals. Most of the appeals that might be filed in the City would be based on Section 51 of the Revenue and Taxation Code, which requires that for each lien date the value of real property must be the lesser of its base year value annually adjusted by the inflation factor pursuant to Article XIII A of the State Constitution or its full cash value, taking into account reductions in value due to damage, destruction, depreciation, obsolescence, removal of property or other factors causing a decline in value.

Under California law, property owners may apply for a reduction of their property tax assessment by filing a written application with the appropriate county board of

equalization or assessment appeals board. In most cases, the appeal is filed because the applicant believes that present market conditions (such as residential home prices) cause the property to be worth less than its current assessed value. These market-driven appeals are known as Proposition 8 appeals.

Any reduction in the assessment ultimately granted as a Proposition 8 appeal applies to the year for which application is made and during which the written application was filed. These reductions are often temporary and are adjusted back to their original values when market conditions improve. Once the property has regained its prior value, adjusted for inflation, it once again is subject to the annual inflationary factor growth rate allowed under Article XIII A.

Base Year Appeals. A second type of assessment appeal is called a base year appeal, where the property owners challenge the original (basis) value of their property. Appeals for reduction in the “base year” value of an assessment, if successful, reduce the assessment for the year in which the appeal is taken and prospectively thereafter. The base year is determined by the completion date of new construction or the date of change of ownership. Any base year appeal must be made within four years of the change of ownership or new construction date.

No assurance can be given that property tax appeals in the future will not significantly reduce the City’s property tax revenues.

Natural Calamities

General. Natural disasters, such as seismic events, flooding, landslides or wildfires, could affect economic activity in the City, and could have a negative impact on City finances. There can be no assurance that the occurrence of any natural calamity would not cause substantial interference to and costs for the City or impact the Leased Property.

Seismic. The City is located in a seismically active area of California. If there were to be an occurrence of severe seismic activity in the area of the City, such an occurrence may adversely affect economic activity in the City, and could have a negative impact on City finances. The City could be at risk from strong ground motion and secondary effects related to a seismic event, including ground failure (such as landslide, liquefaction, lateral spreading, lurching and differential settlement) and seismically induced flooding (such as flooding from a tsunami or dam failure).

Wildfires. Although the City is not located within a Fire Hazard Severity Zone as established by CAL FIRE (<https://egis.fire.ca.gov/FHSZ>), there are areas adjacent to the City that are open space parklands and more susceptible to wildfires. In addition, many areas of northern California have suffered from major wildfires in recent years, including numerous wildfires in northern California in 2020 and in 2021. In addition to their direct impact on health and safety and property damage in California, the smoke from many of these wildfires has impacted the quality of life throughout the region, and the City and may have short-term and future impacts on commercial activity in the City. The fires have been driven in large measure by drought conditions and low humidity. Experts expect that California will continue to be subject to wildfire conditions year over year as a result in changing weather patterns due to climate change.

Droughts. California is subject to droughts from time-to-time. On April 1, 2015, for the first time in California’s history, Governor Edmund G. Brown directed the State Water Resources Control Board to implement mandatory water reductions in cities and towns across California to

reduce water usage by 25%. Following a wet winter in 2016-17, most of the mandatory water reductions were lifted, only to return again in 2021 following unusually dry years.

Climate Change. City finances may be negatively impacted by climate change. Local impacts of climate change are not definitive, but parcels in the City could experience changes to local and regional weather patterns; increased risk of flooding; and water restrictions. See, for example, the discussions above regarding wildfires and droughts.

COVID-19 Pandemic

The spread of COVID-19 has impacted governments, businesses and people in a manner that is having negative effects on global and local economies. In response to the pandemic, the City took actions to activate its emergency operations center, temporarily close all non-essential City services, introduced teleworking as and where appropriate, implemented daily screening of all employees, and abided by all state and federal guidelines and orders. The City actively monitors the COVID-19 situation in the community and acts swiftly to issue executive orders to mitigate the spread of the virus. Additionally, the City has forged a strong relationship with the Mendocino County Health Department and local medical clinics to ensure timely sharing of information and coordinated responses to issues.

The City continues to monitor the spread of COVID-19 and is working with local, state, and national agencies to address the potential impact of the pandemic upon the City. There can be no assurances that the spread of COVID-19 and/or responses intended to slow the spread of COVID-19 such as declining business and travel activity, will not materially adversely impact the state and national economies and, accordingly, materially adversely impact the financial condition of the City and the City's General Fund. In addition, the City may experience increased personnel costs and/or reduced revenues due to the COVID-19 situation and the related impact on economic and other activity in and around the City.

Cyber Security

The City, like many other public and private entities, relies on computer and other digital networks and systems to conduct its operations. As a recipient and provider of personal, private or other sensitive electronic information, the City is potentially subject to multiple cyber threats, including without limitation hacking, viruses, ransomware, malware and other attacks. The City maintains insurance coverage for loss resulting from cyber security incidents, however no assurance can be given that the City's efforts to manage cyber threats and attacks will be successful in all cases, or that any such attack will not materially impact the operations or finances of the City, or the administration of the Bonds. The City is also reliant on other entities and service providers in connection with the administration of the Bonds, including without limitation the County tax collector for the levy and collection of property taxes, the Trustee, and the dissemination agent. No assurance can be given that the City and/or the other entities will not be affected by cyber threats and attacks in a manner that may affect the Bond owners.

Limitations on Remedies Available to Bond Owners

The ability of the City to comply with its covenants under the Lease may be adversely affected by actions and events outside of the control of the City, and may be adversely affected by actions taken (or not taken) by voters, property owners, taxpayers or payers of assessments, fees and charges. See "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS" above. Furthermore, any remedies available to the owners of the Bonds

upon the occurrence of an event of default under the Lease or the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay and could prove both expensive and time consuming to obtain.

In addition to the limitations on Bondowner remedies contained in the Lease and the Indenture, the rights and obligations under the Bonds, the Lease and the Indenture may be subject to the following: the United States Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect; usual equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the Federal Constitution; and the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or state government, if initiated, could subject the Owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation or modification of their rights.

The opinion to be delivered by Bond Counsel, concurrently with the issuance of the Bonds, will include a qualification that the rights of the owners of the Bonds and the enforceability of the Bonds and the Indenture, the Lease and the Site Lease may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of judicial discretion in accordance with principles of equity or otherwise in appropriate cases. See "APPENDIX E — FORM OF OPINION OF BOND COUNSEL."

Secondary Market for Bonds

There can be no guarantee that there will be a secondary market for the Bonds or, if a secondary market exists, that any Bonds can be sold for any particular price. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue, secondary marketing practices in connection with a particular issue are suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then-prevailing circumstances. Such prices could be substantially different from the original purchase price.

TAX MATTERS

Federal Tax Status. In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to the qualifications set forth below, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax.

The opinions set forth in the preceding paragraph are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended (the "**Tax Code**") that must be satisfied subsequent to the issuance of the Bonds in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes. The City has made certain representations and covenants in order to comply with each such requirement. Inaccuracy of those representations, or failure to comply with certain of those covenants, may

cause the inclusion of such interest in gross income for federal income tax purposes, which may be retroactive to the date of issuance of the Bonds.

Tax Treatment of Original Issue Discount and Premium. If the initial offering price to the public at which a Bond is sold is less than the amount payable at maturity thereof, then such difference constitutes “original issue discount” for purposes of federal income taxes and State of California personal income taxes. If the initial offering price to the public at which a Bond is sold is greater than the amount payable at maturity thereof, then such difference constitutes “bond premium” for purposes of federal income taxes and State of California personal income taxes.

Under the Tax Code, original issue discount is treated as interest excluded from federal gross income and exempt from State of California personal income taxes to the extent properly allocable to each owner thereof subject to the limitations described in the first paragraph of this section. The original issue discount accrues over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). The amount of original issue discount accruing during each period is added to the adjusted basis of such Bonds to determine taxable gain upon disposition (including sale, redemption, or payment on maturity) of such Bond. The Tax Code contains certain provisions relating to the accrual of original issue discount in the case of purchasers of the Bonds who purchase the Bonds after the initial offering of a substantial amount of such maturity. Owners of such Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of purchasers who do not purchase in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Under the Tax Code, bond premium is amortized on an annual basis over the term of the Bond (said term being the shorter of the Bond’s maturity date or its call date). The amount of bond premium amortized each year reduces the adjusted basis of the owner of the Bond for purposes of determining taxable gain or loss upon disposition. The amount of bond premium on a Bond is amortized each year over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). Amortized Bond premium is not deductible for federal income tax purposes. Owners of premium Bonds, including purchasers who do not purchase in the original offering, should consult their own tax advisors with respect to State of California personal income tax and federal income tax consequences of owning such Bonds.

California Tax Status. In the further opinion of Bond Counsel, interest on the Bonds is exempt from California personal income taxes.

Other Tax Considerations. Current and future legislative proposals, if enacted into law, clarification of the Tax Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Tax Code or court decisions may also affect the market price for, or marketability of, the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, such legislation would apply to bonds issued prior to enactment.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of such

opinion, and Bond Counsel has expressed no opinion with respect to any proposed legislation or as to the tax treatment of interest on the Bonds, or as to the consequences of owning or receiving interest on the Bonds, as of any future date. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Owners of the Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may have federal or state tax consequences other than as described above. Other than as expressly described above, Bond Counsel expresses no opinion regarding other federal or state tax consequences arising with respect to the Bonds, the ownership, sale or disposition of the Bonds, or the amount, accrual or receipt of interest on the Bonds.

CERTAIN LEGAL MATTERS

Jones Hall, A Professional Law Corporation, Bond Counsel, will render an opinion with respect to the validity of the Bonds, the form of which is set forth in "APPENDIX E — FORM OF OPINION OF BOND COUNSEL." Certain legal matters will also be passed upon for the City and the Authority by Jones Hall, A Professional Law Corporation, as Disclosure Counsel. Certain legal matters will be passed upon for the City by the City Attorney, and for the Underwriter by its counsel, Stradling Yocca Carlson & Rauth, a Professional Corporation.

LITIGATION

Except as may otherwise be set forth in this Official Statement, to the best knowledge of the City, there is no action, suit, proceeding, inquiry or investigation before or by any court or federal, state, municipal or other governmental authority pending and notice of which has been served on and received by the City or, to the knowledge of the City, threatened against or affecting the City or the assets, properties or operations of the City which, if determined adversely to the City or its interests, would have a material and adverse effect upon the consummation of the transactions contemplated by or the validity of the Lease, the Site Lease or the Indenture, or upon the financial condition, assets, properties or operations of the City, and the City is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially adversely affect the consummation of the transactions contemplated by the Lease, the Site Lease or the Indenture, or the financial conditions, assets, properties or operations of the City, including but not limited to the payment and performance of the City's obligations under the Lease.

The City is subject to claims, actions, and lawsuits arising in the normal course of business. At this time, the City does not believe any of the lawsuits are likely to be resolved in a manner that would result in liability to the City in excess of its existing insurance coverage. However, no assurance can be given that an adverse outcome in any pending or future litigation against the City would not result in a material adverse effect upon the financial condition of the City and its ability to pay the Lease Payments securing the Bonds.

RATING

S&P Global Ratings (“**S&P**”), a division of Standard & Poor’s Financial Services LLC has assigned its municipal bond rating of “___” to the Bonds. This rating reflects only the views of S&P, and an explanation of the significance of this rating, and any outlook assigned to or associated with this rating, should be obtained from S&P. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. The City has provided certain additional information and materials to the rating agency (some of which does not appear in this Official Statement). There is no assurance that this rating will continue for any given period of time or that this rating will not be revised downward or withdrawn entirely by the rating agency, if in the judgment of the rating agency, circumstances so warrant. Any such downward revision or withdrawal of any rating on the Bonds may have an adverse effect on the market price or marketability of the Bonds.

CONTINUING DISCLOSURE

The City will covenant for the benefit of owners of the Bonds to provide certain financial information and operating data by not later than nine months after the end of the City’s fiscal year, or April 1, of each year (based on the City’s current fiscal year-end of June 30), commencing April 1, 2022, with the report for the 2020-21 fiscal year (the “**Annual Report**”) and to provide notices of the occurrence of certain listed events.

These covenants have been made in order to assist the Underwriter in complying with Securities Exchange Commission Rule 15c2-12(b)(5), as amended (the “**Rule**”). The specific nature of the information to be contained in the Annual Report or the notices of listed events by the City is set forth in “APPENDIX D – Form of Continuing Disclosure Certificate.”

A review of the City’s prior compliance with its continuing disclosure obligations under the Rule reveals that the City did not timely file its audited financial statements and/or annual report information by the due dates for Fiscal Years 2015-16 through 2019-20.

All remedial filings have been made and the City has engaged NHA Advisors LLC to assist with its continuing disclosure obligations under the Rule in the future.

MUNICIPAL ADVISOR

The City and the Authority have retained NHA Advisors LLC, of San Rafael, California, as municipal advisor (the “**Municipal Advisor**”) in connection with the offering of the Bonds. All financial and other information presented in this Official Statement has been provided by the City and the Authority from their records, except for information expressly attributed to other sources. The Municipal Advisor takes no responsibility for the accuracy or completeness of the data provided by the City, Authority or others and has not undertaken to make an independent verification or does not assume responsibility for the accuracy, completeness, or fairness of the information contained in this Official Statement. The fee of the Municipal Advisor is contingent upon the successful closing of the Bonds.

UNDERWRITING

Piper Sandler & Co., as underwriter (the "**Underwriter**"), has entered into a Bond Purchase Agreement with the Authority under which it will purchase the Bonds at a purchase price of \$_____, which is equal to the par amount of the Bonds, less an Underwriter's discount of \$_____.

The Underwriter will be obligated to take and pay for all of the Bonds if any are taken. The Underwriter intends to offer the Bonds to the public at the offering prices set forth on the inside cover page of this Official Statement. After the initial public offering, the public offering price may be varied from time to time by the Underwriter.

PROFESSIONAL SERVICES

In connection with the issuance of the Bonds, fees payable to the following professionals involved in the offering are contingent upon the issuance and delivery of the Bonds: Jones Hall, A Professional Law Corporation, as Bond Counsel and Disclosure Counsel; NHA Advisors LLC, San Rafael, California, as municipal advisor to the Authority and the City; _____, _____, California, as counsel to the Underwriter; and The Bank of New York Mellon Trust Company, N.A., as Trustee.

AUDITED FINANCIAL STATEMENTS
FOR FISCAL YEAR ENDING JUNE 30, 2021

APPENDIX B

GENERAL INFORMATION ABOUT THE CITY OF UKIAH AND THE COUNTY OF MENDOCINO

*The following information concerning the County of Mendocino (the “**County**”) and the City of Ukiah (the “**City**”) is included only for the purpose of supplying general information regarding the area. The Bonds are not a debt of the County, the City, the State of California (the “**State**”) or any of its political subdivisions, and neither the County, the City, the State nor any of its political subdivisions is liable therefor. General

The City. The City is located in the north central area of the County, approximately 100 miles north of San Francisco and about an hour’s drive from the coastal redwoods and the Mendocino Coast. The City is the largest city in the County and is the County seat. The City was incorporated in 1876 and was the first community in the United States to utilize a Council-Manager form of government. The City Council is made up of five members who set policy and set up the City budget. The City Council appoints a Mayor, City Manager, City Treasurer, City Clerk and members of other commissions.

The County. The County was created in 1850 by the State Legislature and was one of the State’s original 27 counties. Sonoma, Lake, Glenn, Tehama, Trinity and Humboldt counties all border Mendocino County on its inland side. The County spans an area of over 2 million acres, which is approximately 3500 square miles and its coastline runs about 100 miles. Coastal highways 1 and 101, running through the center of the County, are important transportation routes. Smaller country roads connect Mendocino’s five distinct regions, which are the Anderson Valley to the south, South Mendocino coast, North Mendocino coast, Northern Mendocino County and the Russian River Valley to the east. The City of Ukiah is the largest city in the County and is the County seat. The County is legislatively governed by a board of five supervisors, each with a separate district.

The County has nine Indian reservations lying within its borders, the fourth most of any county in the United States (after San Diego County, California; Sandoval County, New Mexico; and Riverside County, California).

Effective Buying Income

“Effective Buying Income” is defined as personal income less personal tax and nontax payments, a number often referred to as “disposable” or “after-tax” income. Personal income is the aggregate of wages and salaries, other labor-related income (such as employer contributions to private pension funds), proprietor’s income, rental income (which includes imputed rental income of owner-occupants of non-farm dwellings), dividends paid by corporations, interest income from all sources, and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local), nontax payments (fines, fees, penalties, etc.) and personal contributions to social insurance. According to U.S. government definitions, the resultant figure is commonly known as “disposable personal income.”

The following table summarizes the total effective buying income for the City, the County, the State, and the United States for the period 2018 through 2022.

The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. Any Dissemination Agent may resign by providing 30 days’ written notice to the City.

Section 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted;

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Indenture for amendments to the Indenture with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first annual financial information filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to the undertaking specifying the accounting principles to be followed in preparing financial statements, the annual financial information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative.

A notice of any amendment made pursuant to this Section 9 shall be filed in the same manner as for a Listed Event under Section 5(b).

Section 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the City shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Default. In the event of a failure of the City to comply with any provision of this Disclosure Certificate, the Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the City to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The Dissemination Agent shall have no duty or obligation to review any information provided to it hereunder and shall not be deemed to be acting in any fiduciary capacity for the City, the Bond owners or any other party. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

(b) The Dissemination Agent shall be paid compensation by the City for its services provided hereunder in accordance with its schedule of fees as amended from time to time, and shall be reimbursed for all expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriter and holders and beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 14. Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be regarded as an original, and all of which shall constitute one and the same instrument.

Section 15. Governing Law. This Disclosure Certificate shall be governed by the laws of the state of California.

FORM OF OPINION OF BOND COUNSEL

[Closing Date]

Board of Directors
Ukiah Public Financing Authority
300 Seminary Avenue
Ukiah, California 95482

OPINION: \$ _____ Ukiah Public Financing Authority
 Lease Revenue Bonds, Series 2022 (Capital Projects)

Members of the Board of the Directors:

We have acted as bond counsel to the Ukiah Public Financing Authority (the “Authority”) in connection with the issuance by the Authority of its Lease Revenue Bonds, Series 2022 (Capital Projects) in the aggregate principal amount of \$ _____ (the “Bonds”), under an Indenture of Trust dated as of February 1, 2022 (the “Indenture”), between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee, and under the provisions of Article 4 (commencing with Section 6584) of Chapter 5, Division 7, Title 1 of the California Government Code (the “Bond Law”). The Bonds are secured by Revenues as defined in the Indenture, including certain lease payments made by the City of Ukiah (the “City”) under a Lease Agreement dated as of February 1, 2022 (the “Lease”) between the Authority as lessor and the City as lessee. We have examined the Indenture, the Lease, the Bond Law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Authority and the City contained in the Indenture, the Lease and in the certified proceedings, and upon other certifications furnished to us, without undertaking to verify the same by independent investigation. Based upon our examination, we are of the opinion, under existing law, as follows:

1. The Authority is a joint exercise of powers agency duly organized and existing under the laws of the State of California, with power to enter into the Indenture and the Lease, to perform the agreements on its part contained therein and to issue the Bonds.

2. The Bonds constitute legal, valid and binding special obligations of the Authority enforceable in accordance with their terms and payable solely from the sources provided therefor in the Indenture.

3. The Indenture and the Lease have been duly approved by the Authority and constitute the legal, valid and binding obligations of the Authority enforceable against the Authority in accordance with their respective terms.

4. The Indenture establishes a valid first and exclusive lien on and pledge of the Revenues (as that term is defined in the Indenture) and other funds pledged thereby for the security of the Bonds, in accordance with the terms of the Indenture.

5. The City is a municipal corporation duly organized and existing under the laws of the State of California, with power to enter into the Lease and to perform the agreements on its part contained therein. The Lease has been duly approved by the City and constitutes a legal, valid and binding obligation of the City enforceable against the City in accordance with its terms.

6. Interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the Authority and the City comply with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Authority and the City have covenanted in the Indenture, the Lease and in other instruments relating to the Bonds to comply with each of such requirements, and the Authority and the City have full legal authority to make and comply with such covenants. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the ownership, sale or disposition of the Bonds, or the amount, accrual or receipt of interest on the Bonds.

7. Interest on the Bonds is exempt from California personal income taxation.

We express no opinion regarding any other tax consequences arising with respect to the ownership, sale or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

The rights of the owners of the Bonds and the enforceability of the Bonds, the Indenture and the Lease may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of judicial discretion in appropriate cases.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur. Our engagement with respect to this matter has terminated as of the date hereof.

Respectfully submitted,

A Professional Law Corporation

APPENDIX F

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The following description of the Depository Trust Company (“DTC”), the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of principal, interest and other payments on the Bonds to DTC Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interest in the Bonds and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC. Accordingly, no representations can be made concerning these matters and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters, but should instead confirm the same with DTC or the DTC Participants, as the case may be.

Neither the issuer of the Bonds (the “Issuer”) nor the trustee appointed with respect to the Bonds (the “Agent”) take any responsibility for the information contained in this Appendix.

No assurances can be given that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Bonds, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Bonds, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Bonds, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current “Rules” applicable to DTC are on file with the Securities and Exchange Commission and the current “Procedures” of DTC to be followed in dealing with DTC Participants are on file with DTC.

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding

company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of _____. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. *The information contained on this Internet site is not incorporated herein by reference.*

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting

rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

BOND PURCHASE AGREEMENT

_____, 2022

Ukiah Public Financing Authority
300 Seminary Avenue
Ukiah, CA 95482

City of Ukiah
300 Seminary Avenue
Ukiah, CA 95482

Ladies and Gentlemen:

The undersigned Piper Sandler & Co. (the “Underwriter”) offers to enter into this Bond Purchase Agreement (this “Purchase Agreement”) with the Ukiah Public Financing Authority (the “Authority”) and the City of Ukiah, California (the “City”), which, upon the acceptance by the Authority and the City, will be binding upon the Authority, the City and the Underwriter. This offer is made subject to acceptance by the Authority and by the City by the execution of this Purchase Agreement and delivery of the same to the Underwriter prior to 11:59 P.M., California time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the Authority and the City at any time prior to the acceptance hereof by the Authority and the City. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture (defined herein).

Section 1. Purchase and Sale. Upon the terms and conditions and on the basis of the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the Authority, and the Authority hereby agrees to issue, sell and deliver to the Underwriter all (but not less than all) of the Ukiah Public Financing Authority Lease Revenue Bonds, Series 2022 (Capital Projects) (the “Bonds”). The Bonds shall be dated as of their date of delivery. Interest on the Bonds shall be payable semiannually on April 1 and October 1 of each year, commencing April 1, 2022 (each an “Interest Payment Date”), and will bear interest at the rates and on the dates as set forth in Exhibit A hereto.

The purchase price for the Bonds shall be \$ _____ (which represents the principal amount of the Bonds in the amount of \$ _____, [plus a premium in the amount of \$ _____], less an Underwriter’s discount of \$ _____).

The City and Authority acknowledge and agree that: (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm’s-length commercial transaction among the City, the Authority and the Underwriter; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as a municipal advisor (as defined in Section 15B of the Securities

Exchange Act of 1934, as amended), financial advisor or fiduciary; (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City or the Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City or the Authority on other matters); and (iv) the City and the Authority have consulted their own legal, financial, municipal and other advisors to the extent they have deemed appropriate.

Section 2. The Bonds. The Bonds shall be secured by the Revenues (as defined in the Indenture, dated as of January 1, 2022 (the “Indenture”), by and between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”)) consisting primarily of base rental payments (“Base Rental Payments”) to be paid by the City pursuant to the Lease Agreement, dated as of January 1, 2022 (the “Lease Agreement”), by and between the Authority and the City. The Authority’s right to receive the Base Rental Payments due under the Lease Agreement and to exercise remedies upon default under such Lease Agreement shall be assigned to the Trustee for the benefit of the owners of the Bonds pursuant to an Assignment Agreement, dated as of January 1, 2022 (the “Assignment Agreement”), by and between the Authority and the Trustee.

The Bonds are being issued to (i) reconstruct the City’s corporation yard and construct improvements to various City streets, as described in the Official Statement; and (ii) fund the costs of issuance associated with the issuance and sale of the Bonds.

Section 3. Public Offering and Establishment of Issue Price. The Underwriter agrees to make a *bona fide* initial public offering of all the Bonds at the public offering prices (or yields) set forth on Exhibit A attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as they deem necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth on Exhibit A. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices.

The Underwriter agrees to assist the Authority in establishing the issue price of the Bonds and shall execute and deliver to the Authority at Closing (as defined below) an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Authority and Bond Counsel (as defined below), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

The Authority will treat the first price at which 10% of each maturity of the Bonds (the “10% test”), identified as “10% Test Used” in Exhibit A, is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Authority the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Authority the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Exhibit A attached hereto, except as otherwise set forth therein. Exhibit A also

sets forth, identified under the column “Hold the Offering Price Rule Used,” as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Authority and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the Authority when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- (i) “public” means any person other than an underwriter or a related party;
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public);
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and
- (iv) “sale date” means the date of execution of this Purchase Agreement by all parties.

Section 4. The Official Statement. By their acceptance of this Purchase Agreement, the Authority and the City ratify, confirm and approve of the use and distribution by the Underwriter prior to the date hereof of the Preliminary Official Statement relating to the Bonds, dated _____, 2022 (including the cover page, all appendices and all information incorporated therein and any supplements or amendments thereto and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, the “Preliminary Official Statement”) that authorized officers of the City and the Authority deemed “final” as of its date, for purposes of Rule 15c2-12

promulgated under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”) except for certain omissions permitted to be omitted therefrom by Rule 15c2-12. The Authority and the City hereby agree to deliver or cause to be delivered to the Underwriter, within seven (7) business days of the date hereof, copies of the final official statement, dated the date hereof, relating to the Bonds (including all information previously permitted to have been omitted by Rule 15c2-12, the cover page, all appendices, all information incorporated therein and any amendments or supplements as have been approved by the Authority, the City and the Underwriter (the “Official Statement”)) in such quantity as the Underwriter shall reasonably request to comply with Rule 15c2-12(b)(4) and the rules of the Municipal Securities Rulemaking Board (the “MSRB”).

Section 5. Closing. At 8:30 a.m., California time, on _____, 2022, or at such other time or date as the Authority, the City and the Underwriter mutually agreed upon, the Authority shall deliver or cause to be delivered to the Trustee, and the Trustee shall deliver or cause to be delivered through the facilities of The Depository Trust Company, New York New York (“DTC”), the Bonds in definitive form, duly executed and authenticated. Concurrently with the delivery of the Bonds, the Authority and the City shall deliver the documents hereinafter mentioned at the offices of The Weist Law Firm, Los Gatos, California (“Bond Counsel”) or another place to be mutually agreed upon by the Authority, the City and the Underwriter. The Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in immediately available funds. This payment for and delivery of the Bonds, together with the delivery of the aforementioned documents referenced herein, is called the “Closing.”

The Bonds shall be registered in the name of Cede & Co., as nominee of DTC in denominations of \$5,000 and any integral multiple thereof, and shall be made available to the Underwriter at least one (1) business day before the Closing for purposes of inspection and packaging. The Authority and the City acknowledge that the services of DTC will be used initially by the Underwriter to permit the issuance of the Bonds in book-entry form, and agree to cooperate fully with the Underwriter in employing such services.

Section 6. Representations, Warranties and Covenants of the Authority. The Authority represents, warrants and covenants to the Underwriter and the City that:

(a) The Authority is and will be at the date of Closing a joint exercise of powers authority organized and existing under the laws of the State of California (the “State”), including Section 6500 *et seq.* of the Government Code of the State of California (the “JPA Act”) with all necessary power and authority to enter into and perform its duties under the Site and Facility Lease, dated as of January 1, 2022 (the “Site Lease”), by and between the City and the Authority, the Lease Agreement, the Indenture, the Assignment Agreement, and this Purchase Agreement (collectively, the “Authority Documents”).

(b) The Authority has complied with all filing requirements of the JPA Act.

(c) By official action of the Authority prior to or concurrently with the acceptance hereof, the Authority has duly approved the distribution of the Preliminary Official Statement and the distribution of the Official Statement (including in electronic form), and has duly authorized and approved the execution and delivery of, and the performance by the Authority of the obligations on its part contained, in the Authority Documents. When executed and delivered, each Authority Document will constitute the legal, valid and binding obligation of the Authority enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally.

(d) Prior to the date hereof, the Authority has provided to the Underwriter for its review the Preliminary Official Statement that an authorized officer of the Authority has deemed final for purposes of Rule 15c2-12, has approved the distribution of the Preliminary Official Statement and the Official Statement and has duly authorized the execution and delivery of the Official Statement (including in electronic form). The Preliminary Official Statement, at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein (other than the information relating to DTC and its book-entry system, as to which no view is expressed), in light of the circumstances under which they were made, not misleading. As of the date hereof and on the Closing, the final Official Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein (other than the information relating to DTC and its book-entry system, as to which no view is expressed), in light of the circumstances under which they were made, not misleading.

(e) The execution and delivery by the Authority of the Authority Documents and the approval and execution by the Authority of the Official Statement and compliance with the provisions on the Authority's part contained in the Authority Documents, will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party or is otherwise subject to, which conflict, breach or default has or may have a material adverse effect on the ability of the Authority to carry out its obligations under the Authority Documents, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any material lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the Authority under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, trust agreement, bond, note, resolution, agreement or other instrument, except as provided by the Authority Documents.

(f) The Authority will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriter, which consent will not be unreasonably withheld. (h) As of the time of acceptance hereof and as of the date of Closing, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, is pending with respect to which the Authority has been served or, to the best knowledge of the officers of the Authority, threatened (i) in any way questioning the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices, (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the execution or delivery of any of the Bonds, or in any way contesting or affecting the validity of the Bonds or the Authority Documents or the consummation of the transactions contemplated thereby, or contesting the exclusion of the interest on the Bonds from gross income for federal income tax purposes or contesting the powers of the Authority to

Section 7. Representations, Warranties and Covenants of the City. The City represents, warrants and covenants to the Underwriter and the Authority that:

(a) The City is and will be at the date of Closing a municipal corporation and duly organized and existing pursuant to and under the Constitution and laws of the State and has all necessary power and authority to enter into and perform its duties under the Continuing Disclosure Certificate relating to the Bonds (the “Continuing Disclosure Certificate”), the Site Lease, the Lease Agreement, and this Purchase Agreement (collectively, the “City Documents” and, together with the Authority Documents, the “Legal Documents”) and has by official action duly authorized and approved the execution and delivery of, and the performance by the City of the obligations on its part contained in the City Documents.

(c) The Preliminary Official Statement heretofore delivered to the Underwriter is hereby deemed final by the City as of its date and as of the date hereof, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(i) of Rule 15c2-12. The Preliminary Official Statement, at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein (other than the information relating to DTC and its book-entry system, as to which no view is expressed), in the light of the circumstances under which they were made, not misleading. (d) The execution and delivery by the City of the City Documents and the approval by the City of the Official Statement and compliance with the provisions on the City’s part contained in

the City Documents, will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, trust agreement, bond, note, resolution, agreement or other instrument to which the City is a party or is otherwise subject to, which conflict, breach or default has or may have a material adverse effect on the ability of the City to carry out its obligations under the City Documents, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any material lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of City under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, trust agreement, bond, note, resolution, agreement or other instrument, except as provided by the City Documents.

(e) The City will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriter, which consent will not be unreasonably withheld. (g) The financial statements relating to the receipts, expenditures and cash balances of the City as of June 30, 2021 as set forth in the Official Statement fairly represent the receipts, expenditures and cash balances of the General Fund. Except as disclosed in the Preliminary Official Statement, the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the General Fund or in its operations since June 30, 2019 and, except as disclosed in the Preliminary Official Statement, the Official Statement or otherwise disclosed in writing to the Underwriter, there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement. (j) Any certificate signed by any officer of the City authorized to execute such certificate in connection with the issuance, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the City to the Underwriter and the Authority as to the statements made therein but not of the person signing such certificate.

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Piper Sandler & Co. (the “**Underwriter**”), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the “**Bonds**”).

1. Sale of the [Bonds][10% Maturities]. As of the date of this Certificate, for each Maturity of the [Bonds][10% Maturities], the first price at which a Substantial Amount of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A.

2. Initial Offering Price of the [Bonds][Undersold Maturities].

(a) The Underwriter offered the [Bonds][Undersold Maturities] to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this Certificate as Schedule B.

(b) As set forth in the Bond Purchase Agreement, the Underwriter has agreed in writing that, for each Maturity of the [Bonds][Undersold Maturities], it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Offering Period for such Maturity, nor would it permit a related party to do so. Pursuant to such agreement, the Underwriter has neither offered nor sold any Maturity of the [Bonds][Undersold Maturities] at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Offering Period.

3. Defined Terms.

[(a) *10% Maturities* means those Maturities of the Bonds shown in Schedule A hereto as the “10% Maturities.”]

(b) *Issuer* means Ukiah Public Financing Authority.

(c) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

[(d) *Offering Period* means, with respect to an Undersold Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date (_____, 2022), or (ii) the date on which the Underwriter has sold a Substantial Amount of such Undersold Maturity to the Public at a price that is no higher than the Initial Offering Price for such Undersold Maturity.]

(e) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than a Regulatory Underwriter or a related party to a Regulatory Underwriter. The term “related party” for purposes of this Certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(f) *Regulatory Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

(g) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is _____, 2022.

(h) *Substantial Amount* means ten percent.

[(i) *Undersold Maturities* means those Maturities of the Bonds shown in Schedule A hereto as the “Undersold Maturities.”]

The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax and Nonarbitrage Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall, A Professional Law Corporation, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038-G, and other federal income tax advice it may give to the Issuer from time to time relating to the Bonds.
