AGENDA SUMMARY REPORT

SUBJECT: Receive Community Development Director's Report.

DEPARTMENT: Community
Development

PREPARED BY: Craig Schlatter, Community Development Director

PRESENTER: Craig Schlatter, Community Development
Director

ATTACHMENTS:

1. Planning Division Projects Report - 04-01-25

Summary: Planning Commission will receive the Community Development Director's Report.

Background: Director's Reports are bi-monthly oral reports given by the Community Development Director on the status of projects, primarily within the Planning Division, of the Community Development Department. Updates may include, but are not limited to, application status of major and minor discretionary permits, the implementation status of advanced planning and related 2040 General Plan programs and projects, and updates related to the activities of other divisions of the Department.

Discussion: This report is expected to provide updates in the following areas:

- March 2025 Planning Division Projects Report (Attachment 1)
 - This is a monthly report produced on the first of each month. The March 2025 report and previous monthly reports are located on the Planning Division Services webpage, under "Current Planning Reports": <https://cityofukiah.com/community-development/planning-services/>

Recommended Action: Receive Community Development Director's bi-monthly Director's Report, and discuss any questions with Staff.

Original submittal 9/13/17 (File no. 17-3069). Initial DRB evaluation on January 25, 2018.	Design Review Board Hearing (DRB): 4/25/24 Recommended Approval to Planning Commission (PC); On 03/04/25 revised application and plan materials were submitted to the attention of staff; awaiting applicant response; PC Hearing: TBD
PA24-000020/21	534 E. Perkins St.	12/23/24	Major Site Development Permit of APN 002-200-43 within the Pear Tree Center, approximately 150 feet west of the E. Perkins St./S. Orchard Ave. intersection. The proposal includes the construction of a ±1,700 sq. ft. Starbucks retail, operating as carry-out and drive-through only, with no interior dining, and a total gross building area, including the outdoor canopy, of approximately 2,885 sq. ft. The site is currently an underutilized parking lot originally developed to support the shopping center and includes access, drainage, and public utility easements. Originally, the project requested a subdivision of the existing parcel into two lots, one for future development under separate permitting processes.	Received revised project scope request to eliminate the subdivision consideration 1/23/25; awaiting updated application information; DRB & PC Hearings: TBD
PA25-000005	195 Seminary Ave.	3/3/25	Major Use Permit Renewal for 195 Seminary Avenue (APN 002-272-16) to allow for the sale and delivery of 'Cannabis Products' at an existing 'Cannabis-Related Business' within an existing commercial structure. 2040 General Plan Implementation - Status

4/1/2025

General Plan Element	Implementation Program	Date Due	Description	Status / Comments
Land Use	E - Zoning Code Amendments	12/31/2025	Zoning districts and map consistency with the 2040 Land Use diagram. This Ordinance Amendment will facilitate the creation of an Open Space (O-S) zoning designation, as envisioned in the Ukiah 2040 General Plan. The designation seeks to preserve and manage areas of significant natural value, such as wildlife habitats, riparian corridors, creeks, and scenic resources, while supporting community resilience and sustainable land use practices.	On January 8, 2025, a Planning Commission (PC) discussion and workshop was held, presented by and in consultation with Community Development and Community Services Staff. During this session, the Commission tasked Staff with developing preliminary concepts for the Open Space Zoning District. These concepts are scheduled to be presented at the regular PC Hearing on May 14, 2025.
Land Use	E - Zoning Code Amendments	12/31/2025	Zoning amendment to establish a consistent program for new signage, streamlining the application process and implementing design standards. This Ordinance Amendment addresses goals related to lighting, community character, and consistency across zoning designations, focusing on reducing poor signage that detracts from the built environment	On February 27, 2025, a Design Review Board (DRB) discussion and workshop was held to review and provide a recommendation to the Planning Commission on proposed ordinance amendments regarding signage. These concepts are scheduled to be presented at the regular PC Hearing on April 23, 2025.

General Plan Element	Implementation Program	Date Due	Description	Status / Comments
Land Use	E - Zoning Code Amendments	12/31/2025	The City shall amend the Zoning Code to address the following topics: Downtown Zoning Code and Design Guidelines	In summer 2025, the Zoning Reform Ad Hoc will meet with Staff to further potential amendments to the Downtown Zoning Code by balancing the differing needs of Perkins Street - "Revitalization" and Downtown "Preservation" as it pertains to land use and economic development.
Environment & Sustainability	H - Cultural and Historic Registry	12/31/2025	On 8/21/2024, City Council (CC) directed Staff to complete an updated Historic Resources Survey and develop a historic preservation code. A Request for Proposals (RFP) for Architectural and Historical Resource Survey Preparation was released on 10/28/2024, with proposals due by 12/5/2024.	Proposals were received from consultants interested in preparing the Survey for the City, but fees proposed were higher than staff's initial estimates. A City Council Ad Hoc was formed and assigned to 'Historic Preservation' topics.
Environment & Sustainability	I - Historic Preservation Ordinance	12/31/2030	This was formerly reported as the ordinance amendment for modifications to Ukiah City Code (UCC) Section 3016 for demolition permit procedures. Development of the historic preservation code will holistically integrate demolition permit procedures.	Development of the historic preservation ordinance and code will be undertaken either concurrently or immediately after development of the updated architectural and historical resource survey
Environment & Sustainability	M - Adopt a Municipal Climate Action Plan (CAP)	12/31/2025	A Climate Action Plan (CAP) and a Climate Adaptation & Resilience Strategy (CARS) are currently being prepared. Together, the CAP and CARS will establish a strategic roadmap for how the City will reduce greenhouse gas emissions, prepare for climate hazards, & build a more resilient community.	The draft CAP is currently circulating for community feedback from March 3, 2025 to April 2, 2025.
Economic Development	A - Economic Development Strategy	12/31/2025	On June 19, 2024, the Ukiah City Council provided direction to Staff in the preparation of an Economic Development Strategy that guides and supports annexation efforts - an "operational guide" and to help intentionally chart a course towards the Ukiah of the future	Between August 1 and October 31, 2024, interviews were conducted with key stakeholders and community champions as identified in the Ukiah 2040 General Plan. Staff is currently analyzing the interviews to identify roughly three primary goal areas for further exploration.

General Plan Element	Implementation Program	Date Due	Description	Status / Comments
Agriculture	C - Align Agricultural Standards	12/31/2030	Ordinance Amendment to bring consistency to Agricultural regulations of UCC with Mendocino County regulations and Ukiah 2040 Agriculture Element by amending Agricultural Combining "A" and Agriculture Exclusive "AE" zoning districts.	City Council approved introduction of the ordinance on 2/19/25; adopted by the City Council on 03/05/25.
Public Facilities, Services, and Infrastructure	B - Parks Gap Analysis	12/31/2025	Preparation of a parks gap analysis identifying areas of the City underserved by parks and recreation facilities access.	The Parks Gap Analysis was approved by the City Council on 03/19/2025.

AGENDA SUMMARY REPORT

SUBJECT: Planning Commission Educational Workshop, Part 2 of 2: Receive Training and Discuss Topics of Interest with Staff.

DEPARTMENT: Community Development

PREPARED BY: Craig Schlatter, Community Development Director

PRESENTER: Craig Schlatter, Community Development Director; Darcy Vaughn, Assistant City Attorney

ATTACHMENTS:

1. Ukiah DZC- Table 29 Exception Procedures
2. How-to-Prepare-Findings-and-Conditions-of-Approval
3. Ukiah DZC 9231.14 Nonconforming Structures

Summary: Planning Commission will receive training and presentation materials and discuss questions and content with Staff.

Background: This Planning Commission Educational Workshop has been scheduled to afford the opportunity for the Planning Commission to receive information and discuss concepts of note with Staff. It is the second part of a two-part training series to bring Commissioners up to date on relevant policy, procedures, and tools and equip Commissioners with the knowledge and resources to be more effective in their roles. The Part 1 Training Series, presented to the Commission on February 26, 2025, gave an overview of the American Planning Association (APA), including APA's *2025 Trend Report for Planners*, the American Institute for Certified Planners (AICP), Fire Hazard Severity Zone mapping, and other planning topics of interest.

Topics for this April 9 training, which was originally scheduled for June 2024, will include the following:

1. The differences between variances and exceptions, particularly within the Downtown Zoning Code
2. Best Practices for the drafting of Discretionary Permit Findings
3. Nonconforming Structures in the Downtown Zoning Code - definition and overview
4. The role of the Commission for Current and Advanced Planning- similarities and differences

Discussion: As background information and to provide some resources prior to the Commission's workshop, below Staff has described each of the noted topics of interest and included relevant attachments. Additional information and resources may be provided at the workshop.

1. Differences between Variances and Exceptions, Particularly within the Downtown Zoning Code

The Downtown Zoning Code (code) is contained within Division 9, Chapter 2, Article 18 of Ukiah City Code. Ukiah City Code can be accessed at this link: <https://www.codepublishing.com/CA/Ukiah/>. On the left-hand side of the Contents page, navigate to Article 18 by clicking on Division 9 Planning and Development, then clicking Chapter 2 Zoning, and scrolling down to Article 18 in the dropdown menu.

The code notes within Section 9231.7 that *Variances are prohibited within the boundaries of this code. Deviations from the requirements of this code are allowed through an exception as provided for in section 9231.5 of this code.*

Section 9231.5 of the code: *Where this code allows specific requirements to be modified, such modification may be allowed with approval of an exception. Table 29: Exception Procedures, establishes two (2) levels of exceptions, major and minor, and the procedures for the review and processing of exceptions. See Attachment 1 for the Table 29 Exception Procedures.*

Section 9232.3(E) Definitions "E" defines "Exception" as: *A ruling that would permit a practice that is not consistent with a standard of this code. This code distinguishes between major and minor exceptions (see section 9231.5 of this code, Exceptions, and Table 29: Exception Procedures).*

The Downtown Zoning Code does not provide a definition of Variance within Section 9232. However, Variance is defined elsewhere in the City's zoning code- per Division 9, Chapter 2, Article 21, Variance or Variance Permit is defined as: *A permit that grants a minor modification or variation of the strict application of any of the provisions of this chapter when the strict application of any of the provisions of this chapter when the strict application would deprive a property of privileges enjoyed by other property in the same vicinity, district, and zone. Variance definition shall not be construed as to permit those uses not permitted by the zone.*

2. Best Practices for the Drafting of Discretionary Permit Findings

At the March 18, 2022, Planning Commissioners Academy, the League of California Cities presented a session titled "How to Prepare Findings and Conditions of Approval." The PowerPoint slides for this presentation are included as Attachment 2.

3. Nonconforming Structures within the Downtown Zoning Code - Definition and Overview

Regulations pertaining to nonconforming structures in the downtown are contained within Section 9231.14 Nonconforming Structures, included as Attachment 3. This section of the training will provide an overview of this section of the code and relevant examples.

4. The Role of the Commission for Current and Advanced Planning- Similarities and Differences

As noted by the Community Development Director during his Director's Report to the Commission on February 26, 2025, Ukiah Planning Commissions of recent years have primarily exercised their authority through the review and approval/denial of discretionary permit applications, informally referred to as "Current Planning" in the field of professional planning. This section of the training will focus on the similarities and differences between "Advanced (or Long-Term) Planning," which primarily focuses on implementation of the General Plan, and Current Planning. Topics will include roles and responsibilities between Staff and the Commission, how the Commission's role differs from that of the City Council and other boards and commissions, and the relationship the Commission has with the public and City Council.

Recommended Action: Receive training presentation and materials and discuss with Staff.

HOW TO PREPARE FINDINGS AND CONDITIONS OF APPROVAL

League of California Cities
Planning Commissioners Academy
March 17, 2022

Moderator: Joel Rojas

Development Services Director, San Juan Capistrano
Immediate Past President, Planning and Community Development Department CalCities

Speaker: Patricia Curtin

Land Use and Public Agency Lawyer, Wendel Rosen LLP
Former Planning Commissioner, Lafayette

FINDINGS

- Findings explain how a city processed evidence presented in reaching a decision.
- Documenting the city's thought process.
- “Bridge the gap” between the evidence and ultimate decision.

PURPOSE OF FINDINGS

- Provides a framework for making decisions, thereby enhancing the integrity of the process and promotes transparency
- Facilitates orderly analysis and reducing the likelihood the city will leap randomly from evidence to conclusions
- Serves a public relations function by demonstrating that decision-making is careful, reasoned, and equitable
- Enables the parties to determine whether and on what basis they should seek judicial review and remedies
- Apprises the reviewing court of the basis for the city's decisions. See *Topanga Ass'n for a Scenic Community v. Central Los Angeles*, 11 Cal.3d 506 (1974)

WHEN ARE FINDINGS NECESSARY?

- Decisions made in a nonlegislative/adjudicatory role (variances, use permits, subdivision maps, design proposals).
- Not **required** for legislative acts (general plan adoption, rezoning) unless required by state law or local ordinance.
- State law requires specific findings when reducing number of housing units or not approving a housing project.
- Imposing conditions/fees or requiring dedication to development. Must demonstrate the condition has a “rough functionality” to the development’s impact.

FORM

- Provide written findings. Generally in or attached to the resolution approving/denying the project.
- Conclusory findings are not adequate. Need to explain how the agency derived at its decision.
- Use the word “because” - “The proposed project subject to the use permit is consistent with the General Plan because . . .”.
- Tie the findings to requirements in the city’s plans, standards and/or codes.

IMPORTANT TO MAKE A CLEAR RECORD

The Planning Commission's decision is based on, but is not limited to:

- The **Environmental Impact Report (EIR)** and the appendices and technical reports cited in and/or relied upon in the EIR.
- The **staff reports**, City files and records and other documents, prepared for and/or submitted to the City relating to the EIR, and the Project.
- The evidence, facts, findings and other determinations set forth in this **resolution**.
- The **General Plan** and its related EIR, and the Municipal Code.
- All **designs, plans, studies, data and correspondence** submitted to the City in connection with the EIR and/or the Project.
- All documentary and oral **evidence received at public meetings**, and hearings or submitted to the City during the comment period relating to the EIR and/or Project.
- All **other matters of common knowledge to the City**, including, but not limited to, City, state, and federal laws, policies, rules, regulations, reports, records and projections related to development within the City and its surrounding areas.

SAMPLE FINDINGS

General Plan Consistency Findings.

No. 1 -

- **Poor Example** - The proposed single family project of 12 units is consistent with the General Plan land use designation.
- **Good Example**- The proposed project is consistent with the General Plan land use designation of Residential because the proposed project (2 acre site) includes 10 units which is within the density range allowed by the Residential designation (0-6 units/gross acre) that is identified for the site.

NO. 2 -

- **Poor Example** The proposed rezoning to light industrial is consistent with all applicable General Plan policies.
- **Good Example** – Re-designating the site from business/office to light industrial is consistent with the General Plan because it is consistent with the following applicable General Plan policies:
 - 2.1.1 - Promote a combination of employment and residential uses that provide both jobs and housing for the City's residents.
 - 2.1.4 - Promote the placement of the most intensive non-residential development (Light Industrial) in the Planning Area as defined in Figure 2-3.

- 2.4.1 - The City does not support or accommodate general Heavy Industrial uses. The City does allow and encourage Light Industrial and uses in appropriate locations.
- 2.4.3 - Ensure there is adequate land available to accommodate industrial development.
- 5.1.3 - Actively recruit businesses and industries that are compatible with the General Plan's land use and implementation goals and policies.

SITE DEVELOPMENT PLAN FINDINGS

No. 1 -

- **Poor Example** - Streets and pedestrian facilities are adequate to carry the traffic expected to be generated by the SDP.
- **Good Example** - Streets and pedestrian facilities are adequate to carry the quantity and type of traffic expected to be generated by the SDP because the existing streets will be improved as required by condition of approval no. 10 that requires the widening of the street to four lanes with a separate sidewalk along the eastern side of the street. These modifications to the street widths will carry traffic safely in and out of the site as explained at page 17 of the traffic report attached to the Staff Report. Furthermore, the proposed landscape buffer and meandering sidewalk will provide a connection between neighborhoods allowing for pedestrians to walk safely within and around the neighborhood.

NO. 2 -

- **Poor Example** - The site is physically suitable for the type and density/intensity of development being proposed.
- **Good Example** - The site is physically suitable for the type and density/intensity of development being proposed because the proposed development is similar in size and intensity to the residential development surrounding the site. The proposed development allows 10,000 sq. ft. lots with 1 dwelling unit and the surrounding existing development consists of 10,000-12,000 sq. ft. lots with 1 dwelling unit.

NO. 3 -

- **Poor Example** - The proposed planned unit development (PUD) would produce a development of superior quality than might otherwise occur under the standard zoning designation of R-5.
- **Good Example** - The proposed PUD would produce a comprehensive development of superior quality than might otherwise occur from the strict application of the zoning standards requiring single family homes on 5,000 sq. ft. lots because the proposed development clusters density at the center of the site allowing for more open space at the perimeter, thereby preserving the visual character along Main Street. In addition, the project proposal includes varied types of housing, one and two story and duplexes. This development provides an opportunity for single, elderly and first time homeowners to locate in the city. In addition, the project provides five acres of public open space with picnic facilities and bathrooms and seven miles of walking trails along the perimeter of the development.

Housing Accountability Act (“Anti-NIMBY Law”) (Gov. Code § 65589.5)

Adopted in 1982 in response to the housing crisis.

Amended over the years and most recently in 2019 (SB 330 – Housing Crisis Act).

Precludes denial of a housing project or reducing its density if it complies with “applicable, objective general plan and zoning standards and criteria, including design review standards,” without making specific written findings based on a preponderance of the evidence, even if the project does not include affordable housing.
Sect. 65589.5(j)

Can only deny housing project if:

A) Project would have a specific, adverse impact on public health or safety.

A “specific adverse impact” means a significant, quantifiable, direct and unavoidable impact, based on objective, identified written public health or safety standards, policies, or conditions in existence on date application was deemed complete.

B) There is no feasible way to satisfactorily mitigate or avoid the adverse impact other than disapproving the project or lowering its density.

AFFORDABLE HOUSING PROJECTS

A City shall not disapprove an affordable project, or condition approval in a manner that renders the housing development project infeasible for development of the affordable units, unless it makes written findings, based upon a preponderance of the evidence in the record.

CAN ONLY DENY AN AFFORDABLE HOUSING PROJECT IF:

- The City has adopted a housing element in accordance with Government Code § 65588, is in substantial compliance with the Housing Element law, and the City has met or exceeded its share of the regional housing need of the income category proposed for the housing project.
- The project would have a specific adverse impact upon the public health or safety that cannot be satisfactorily mitigate without rendering the housing development project unaffordable, or development of the emergency shelter financially infeasible; inconsistency with the zoning ordinance or general plan land use designation shall not constitute a specific, adverse impact upon public health or safety.

- The denial of the project or imposition of conditions is required in order to comply with state or federal law (e.g., CEQA), and there is no feasible method to comply without rendering the housing development project unaffordable.
- The project is proposed on land zoned for agriculture or resource preservation that is surrounded on at least two sides by land being used for agriculture or preservation purposes, or the site does not have an adequate water or wastewater facility to serve the project.
- The project is inconsistent with both the city's zoning ordinance and general plan land use designation as specified in the general plan as it existed on the date the application was deemed complete, and the city had adopted a revised housing element in accordance with §65588 that is in substantial compliance with the Housing Element law.

CONDITIONS OF APPROVAL

WHAT ARE CONDITIONS OF APPROVAL?

- Requirements placed on discretionary projects (use permits, development plans, etc.)
- Must be consistent with federal, state and local laws
- Detail the requirements for implementing the approved project

WHO PREPARES CONDITIONS OF APPROVAL?

- Planning staff in coordination with other City departments
- Applicant may have input to ensure conditions of approval are feasible to implement
- Most agencies have standard conditions of approval that are provided to the applicant early in the review process
- Decisionmakers may also add conditions during the hearing process

WHO, WHAT, WHEN, WHY AND HOW

- **Who** is responsible for reviewing and approving (local agency)?
- **What** is the condition trying to implement ?
- **When** will it be implemented (e.g., timing, triggers)?
- **Why** is the condition needed (end result)?
- **How** will compliance be demonstrated (plans, agreement, etc.)?

GOOD EXAMPLE

- Prior to the issuance of the first building permit **[when]** the applicant shall design and submit for review plans for a pedestrian access corridor between Blocks F and G **[what]**. Approval of the access corridor shall provide connectivity between the Plaza District (Block F) and Central Park (Block G) **[why]**. The corridor shall be consistent with the design of the Plaza District mixed use concept, be well lit and include appropriate site amenities as set forth in the Plaza District Master Plan in Section 3 **[how]**. Prior to the submittal of construction documents, the applicant shall obtain approval of the design by the Zoning Administrator **[who]**.

SAMPLE COA #1

WHAT IS MISSING...?

- The applicant shall submit a residential parking plan designating portions of the common area parking for exclusive use by Phase 2 residents. The plan shall specify parking allocations by unit and any restrictions necessary to preserve the parking rights established for individual residential units.
- Missing “when” and “who.”

REVISED CONDITION

- Prior to issuance of a building permit [**when**], the applicant shall submit a residential parking plan [**how**] designating portions of the common area parking for exclusive use by the Phase 2 residents [**why**], for review and approval of the Zoning Administrator [**who**]. The plan shall specify parking allocations by unit and any restrictions necessary to preserve the parking rights established for individual residential unit [**what**].

SAMPLE COA #2

WHAT IS MISSING...?

- A landscaping and irrigation plan for all areas shown on the site plan shall be prepared. The landscaping plan shall include the project's frontage and side yards.

REVISED CONDITION

- The applicant shall prepare a landscaping and irrigation plan for all areas shown on the site plan for review and approval of the Community Development Director **[who]** prior to the issuance of the first building permit **[when]**. The landscaping plan shall include the frontage and side yards **[what]**, conform to the City's Water Efficient Landscape Ordinance, the Guidelines for Implementation of the City Water Efficient Landscape Ordinance **[why]** and shall be installed prior to final occupancy. The plan shall be prepared by a licensed landscape architect and shall be certified to be in compliance with the City's Water Conservation Ordinance **[what]**.

SAMPLE COA #3

WHAT IS MISSING...?

- Public art shall be designed and located at the entry of the project so that it can be viewed by the public at large.

REVISED CONDITION

- Prior to recordation of the final map **[when]**, the applicant shall submit a plan **[what]** for review and approval of the Zoning Administrator **[who]** showing the design and location of the public art piece. The design shall preserve the character and integrity of the historic Main Street bridge **[why]**. The art shall be located in such a manner that it is visible from the intersection of Main Street/Maple Avenue and shall not be obstructed by landscaping **[how]**.

SAMPLE COA #4

WHAT IS MISSING...?

- Prior to building permit issuance, the applicant shall revise the project plans to demonstrate a reduced breezeway width between the existing garage and the proposed garage.

REVISED CONDITION

- Prior to building permit issuance **[when]**, the applicant shall submit for review and approval of the Zoning Administrator **[who]** revisions to the project plans **[how]**, date-stamped “Received April 3, 2014”, reducing the breezeway width to 5 feet between the existing garage and the proposed garage **[what]** to ensure architectural compatibility with the existing home **[why]**.

SAMPLE COA #5

WHAT IS MISSING...?

- Applicant shall investigate the historical landslide area located on the property and ensure proposed improvements will not cause any landslide risk. Applicant will be responsible for implementation of any necessary mitigation measures.

REVISED CONDITION

- Prior to issuance of the final map **[when]**, applicant shall contract with a licensed Geotechnical Engineer to investigate the historical landslide area located on the property **[how]** and ensure proposed improvements will not cause any landslide risk to the property or surrounding properties **[why]**. The geotechnical findings and remediation recommendations **[what]** shall be submitted for review and approval of the City Engineer **[who]**. The applicant will be responsible for implementation of any mitigation measures as outlined by the geotechnical engineer to ensure long term stability of the site.

9231.14 NONCONFORMING STRUCTURES

A. Continued, Transferred, or Sold: Nonconforming structures may be continued, transferred, or sold, but only in compliance with the provisions of this section.

B. Nonconforming Structures and Involuntary Damage: Nonconforming status shall terminate if a nonconforming structure is involuntarily damaged or destroyed by accident (e.g., fire, explosion, etc.) or natural disaster (e.g., earthquake, etc.); provided, that the structure may be repaired or reoccupied in the following manner:

1. Damage Up to Fifty Percent (50%) of Market Value:

A nonconforming structure involuntarily damaged up to fifty percent (50%) of its current market value (as defined by subsection D of this section) may be reconstructed, repaired, restored, and used as before; provided, that the restoration is initiated (as defined in subsection D of this section) within twelve (12) months, and is substantially completed within twenty-four (24) months from the date of application for the required building permit.

a. Process for Reconstruction, Repair, Restoration:

(1) The applicant provides documentation, satisfactory to the Planning Director, supporting the claim that the damage or destruction occurred involuntarily;

(2) No expansion of the gross floor area or number of dwelling units occurs;

(3) The replacement structure is in compliance with the current building code and would not be detrimental to the public health, safety, or welfare or materially injurious to the properties or improvements in the immediate vicinity of the replacement structure;

(4) A building permit is issued no later than twelve (12) months after the date of the destruction, and construction is diligently pursued to completion.

If the preceding requirements are not met, the replacement structure shall comply with all of the regulations of the applicable zoning district in effect on the date of application for the required building permit.

2. Damage to Fifty Percent (50%) or More of Market Value:

A nonconforming structure involuntarily damaged to fifty percent (50%) or more of its current market value (as defined in subsection D of this section) shall not be reconstructed, repaired, or restored, except in conformity with the applicable requirements of the applicable zoning district.

C. Nonconforming Structures and Voluntary Repair and Maintenance: The ordinary and normal repair and maintenance work that may be required to keep a nonconforming structure in sound condition may be made in compliance with this

subsection. A nonconforming structure may undergo ordinary repair and maintenance only in the following manner:

1. Minor Repair: Minor normal repair and maintenance may be made to a nonconforming structure:

a. Provided, that no structural alterations are made (exception: see section 9231.16 of this code), and the work does not exceed fifty percent (50%) of the current market value of the structure during any calendar year;

b. For the purposes of this subsection the cost of any required foundation work shall not be counted within the fifty percent (50%) limitation.

2. Major Repair: Major repair to a nonconforming structure, when the cost of repairing or replacing the damaged portion of the structure exceeds fifty percent (50%) of the current market value of the structure before damage or destruction, may occur with Planning Commission approval of a major use permit; provided, that the Commission first determines that the major repairs are necessary to correct hazards to public health or safety.

3. Other Voluntary Modifications: The reconstruction or structural alteration of a nonconforming structure may be allowed with Zoning Administrator approval of a minor use permit; provided, that the review authority first determines that the modification is necessary to secure added safety or to reduce the fire hazard and/or to secure aesthetic advantages through the alignment, architecture, or closer conformity to surrounding allowed structures in the immediate neighborhood, and only in compliance with subsections C1 and C2 of this section.

D. Definitions:

1. Restoration Is Initiated: As used in this subsection, “restoration is initiated” requires that, at a minimum, a complete building permit application has been filed.

2. Current Market Value:

a. As used in this subsection, “current market value” is the market value of the structure immediately before the occurrence of the damage.

b. For the purposes of administering the provisions of this subsection, the applicant shall submit an appraisal from a licensed appraiser and the City’s Building Official shall verify the appraiser’s determination of the current market value of the damaged structure, which determination shall be final unless appealed in compliance with section 9266 of this code. (Ord. 1139, §2 (Exh. A, 12.140), adopted 2012)

AGENDA SUMMARY REPORT

SUBJECT: Receive Presentation on the 2024 Annual Progress Reports to the Department of Housing and Community Development and the Governor's Office of Land Use and Climate Innovation.

DEPARTMENT: Community Development

PREPARED BY: Katherine Schaefers, Planning Manager

PRESENTER: Katherine Schaefers, Planning Manager

ATTACHMENTS:

- 1. 2024 APR - Housing Element
- 2. 2024 APR - General Plan

Summary: The Planning Commission will receive a presentation on the 2024 annual progress reports to the Department of Housing and Community Development and the Governor's Office of Land Use and Climate Innovation and discuss questions with Staff.

Background: Government Code requires the City's Community Development Department to provide an Annual Progress Report (APR) to the City Council, Governor's Office of Land Use and Climate Innovation (LCI), and the California Department of Housing and Community Development (HCD) regarding the City's progress in implementing its adopted housing element, as well as its general plan. Annual reports are due by April 1st of the proceeding calendar year for which the reports are prepared (CY 2024 report due 4/1/2025).

Discussion: Below is a summary of the City's 2024 progress in implementing the 2019-2027 Housing Element and 2040 General Plan. For details, please refer to the Housing Element APR in Attachment 1 and General Plan APR in Attachment 2. Please note that Staff presented the information that follows, along with both reports, to the City Council at their regular meeting on March 19, 2025, and a video for the presentation can be found on the City's meeting webpage at: <https://cityofukiah.com/meetings/>.

2024 HOUSING ELEMENT (HCD) APR

For the 2019-2027 Housing Element/6th Planning Cycle, Ukiah was assigned a Regional Housing Needs Allocation (RHNA) of 239 residential units. The following table (Table 1) summarizes Ukiah's progress in meeting its RHNA housing targets. This information is also provided in Table A of the Housing Element APR. From 2019 to 2023, the City made significant progress towards its RHNA goals across all income-level categories through the permitting of Accessory Dwelling Units (ADUs), new single-family residential homes, and large multi-family housing projects. Notably, the 'Very Low-Income' target of 86 units was met by the end of 2023, primarily through the 72-unit Acorn Valley Plaza project at 197 & 199 East Gobbi Street. In 2024, Ukiah also met its 'Above Moderate-Income' allocation with the 32-unit housing project at 191 Cooper Lane.

Table 1 – RHNA Allocation and Progress

Income Level	2019-2027 RHNA Original Allocation	Issued Units in 2024	RHNA Remaining
Very Low-Income	86	0	0
Low-Income	72	0	15

Moderate-Income	49	8	14
Above Moderate-Income	32	33	0
Total	239	20	29

In 2024, the City issued 10 building permits for new residential units (Table 2), and with past and projected housing production, Ukiah is on track to meet and exceed its RHNA goals by 2027. The remaining RHNA targets for 'Low Income' and 'Moderate Income' households, 15 units and 14 units, respectively, are expected to be met with an upcoming housing project on Cooper Lane, as well as the continued development of ADUs and infill housing over the next two years. Full details and a year-by-year breakdown of Ukiah's RHNA progress may be found in Table B of the Housing Element Annual Progress Report.

Table 2 – 2024 Building Permits by Income

Income Level	Number of Units
Moderate-Income	8
Garage and shed conversions into ADUs	3
Detached ADUs	4
Attached ADU	1
Above Moderate-Income	33
Single-family residence	1
Multi-family housing complex	32

The City of Ukiah's Housing Element APR includes multiple tables that document housing production, program implementation, and land use decisions. Below is a description of what each of these tables provides:

- **Tables A, A2, and B:** Provide information on housing production and progress toward the RHNA allocation.
- **Table C:** Not applicable, as the City is on track to meet regional housing targets without needing to rezone sites.
- **Table D:** Summarizes program implementation in the Housing Element.
- **Tables E and F:** Not applicable, as the City did not utilize commercial development bonuses or acquire units for alternative sites.
- **Table F2:** Not applicable, as there were no conversions of above-moderate income units to lower affordability levels.
- **Table G:** Shows the two locally owned sites sold by the City for housing development.
- **Table H:** Documents the City's formal action to declare surplus land.
- **Table I:** Not applicable, as no subdivided properties used SB9 (Government Code 66411.7).
- **Table J:** Not applicable, as the City did not use a density bonus for student housing.
- **Table K:** Not applicable, as the City has no local tenant preference ordinance.
- **LEAP Reporting:** Local Early Action Planning (LEAP) funds are grants provided to cities to improve processes and plans aimed at accelerating housing production. In 2024, the City successfully utilized LEAP funds by updating lot adjustment policies, implementing the new LEAP-funded electronic permit system (CitizenServe), and other projects, with final invoices submitted to HCD for reimbursement by the 2024 deadline.

Since the adoption of the 6th Cycle Housing Element in October 2019, Staff have prioritized implementation of programs contained in Section 7 of the Housing Element to advance its goals and policies. All Housing Element Implementation Programs were completed in 2024. This status is reported in Table D of the Housing Element APR. Certain completed programs will continue as ongoing as Staff secures additional funding.

2024 GENERAL PLAN (LCI) APR

The Ukiah 2040 General Plan provides a long-term framework for the City's growth, focusing on sustainable development that promotes economic prosperity, environmental stewardship, housing affordability, and improved mobility. The General Plan is organized into eight sections: Land Use, Economic Development, Mobility, Public Facilities, Services and Infrastructure, Environment and Sustainability, Safety, Agriculture, and Housing. Each section includes specific implementation programs, with goals set for completion in the 2022-2025, 2026-2030, and 2031-2040 timeframes. Some programs are also designated as ongoing or annual tasks.

The 2024 General Plan Annual Progress Report (APR) outlines Ukiah's progress in these areas. Staff has compiled key actions that demonstrate progress in implementing the General Plan. Below are a few of the key highlights (note progress on the Housing Element is reported above):

1. Land Use Element Implementation Progress

- *Missing Middle Housing Ordinance Adopted*: Supports diverse housing types per Policy LU-9.
- *Zoning Code Updates in Progress*: Ensuring consistency with General Plan land-use designations per Policy LU-10.1 (Downtown Zoning Code), LU-11.7 (Sign Regulations), and LU-11.9 (Historic Preservation and Restoration).

2. Economic Development Implementation Progress

- *Economic Development Strategy Launched*: Stakeholder engagement and data collection phase initiated in August 2024.
- *Draft Strategic Framework Scheduled for Completion in 2025*.

3. Mobility Element Implementation Progress

- *School Street Multimodal Transportation Study Launched*: \$238,999.99 contract awarded to analyze pedestrian, bicycle, and vehicle circulation.

4. Public Facilities Element Implementation Progress

- *Parks Gap Analysis*: The draft of this initial analysis was undertaken.

5. Environment and Sustainability Element Implementation Progress

- *Climate Action Plan (CAP) Initiation*: The City is preparing its Municipal Climate Action Plan (CAP) for possible adoption in April 2025. The CAP outlines the City's strategies to reduce greenhouse gas emissions and achieve carbon neutrality by 2045.
- *\$1.39 million CAL FIRE Grant*: Grant awarded towards future (2031-2040) Implementation Program Goals. The City was awarded \$1.39 million to establish a climate-resilient forest canopy of 722 trees across the community, supporting Policy ES-3.1, which aims to expand the city's tree canopy and promote sustainable urban forestry practices.
- *Historic Resources Survey and Historic Preservation Code*: Preparation work begun.

6. Safety Element Implementation Progress

- *Office of Emergency Management (OES) continues to respond to community needs*.
- *Multi Jurisdiction Hazard Mitigation Plan (MJHMP) and Community Wildfire Protection Plan (CWPPP) work begun*: Partnered with the County of Mendocino.
- *Addressed FEMA flood map and CalFIRE High Fire Severity Zone changes*.

7. Agriculture Element Implementation Progress

- *Right to Farm Ordinance Adopted*: Implements Policy AG-3.1.
- *Agricultural Consistency Ordinance Drafted*: Supports Policy AG-2.2.

Staff recommends the Planning Commission receive a report on the 2024 Annual Progress Reports to HCD and LCI and discuss any questions.

Recommended Action: Receive presentation on the 2024 annual progress reports to the Department of Housing and Community Development and the Governor's Office of Land Use and Climate Innovation, and discuss any questions with Staff.

Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
H-1 - 1a: Implement a residential rehabilitation program.	Encourage the rehabilitation of existing residential unit	Ongoing, as funding is available	COMPLETED/ONGOING: The City of Ukiah applied for competitive funding through the "non-entitlement" allocation of the State Community Development Block Grant (CDBG) program to launch a Housing Rehabilitation program and was awarded a \$500,000 grant by HCD in 2022. Applications for housing rehabilitation assistance were received from low-income homeowners in 2024 and are being processed for possible approval. The program seeks to correct health and safety hazards in deteriorated housing; and to extend the useful life of existing housing units. Loans and grants are available for owner-occupied homes or for units occupied by low-income tenants of owner-investors jurisdiction wide.The Emergency Repair Grant Program provides a grant of up to \$7,500 for emergency home repairs to correct housing conditions posing an imminent threat to the health and safety of the owner occupant. Funds for this rehabilitation program remain available.
H-1 - 1b: Continue the City's Energy Efficiency Public Benefits Fund and renewable energy and energy efficiency rebate programs.	Provide education and opportunities to increase green building practices.	Ongoing, as funding is available	COMPLETED/ONGOING: In 2024, similar to previous years, the City of Ukiah's Electrical Utility Department offered a myriad of funding opportunities that encouraged the use of renewable energy and energy efficient products. Rebates and refunds remain available for appliances, products, home improvement (insulation, windows, solar attic fan, air sealing, duct sealing, air conditioner, heat pump, smart thermostat, etc.), and vehicles (including e-bikes). For residential rebates, the City created the following webpage: https://www.directefficiency.com/ukiah-electric-rebates/#ukiah-home-improvements
H-1 - 1c: Support funding or other applications that would preserve/conserv existing mobile home parks.	Preserve at-risk housing units.	Ongoing, as funding is available	COMPLETED/ONGOING: A rent stabilization ordinance was adopted by the City Council in 2011. Staff has investigated the Mobile-home Park Rehabilitation and Residential Ownership Program (MPRRP) via HCD that would finance the preservation of affordable mobile-home parks by conversion to ownership or control by resident organizations, nonprofit housing sponsors, or local public entities, but no action has yet been taken. In 2024, the City of Ukiah Housing Rehabilitation Program, was made available funds for repair and replacement to mobile home residents within City limits to encourage preservation of existing parks. .
H-1 - 1d: Continue providing informational materials to the public through the Green Building Information Center and at the public counter.	Provide education and opportunities to increase green building practices.	Ongoing, as funding is available	COMPLETED/ONGOING: In 2024, staff updated and maintained the Green Building Resource Center in the Ukiah Civic Center. The Community Development Department also maintains resources on its website, including helpful links to enable the public to learn more about healthy and energy, water, and material conserving design and construction. Additionally, the City's Electric Utility Department provides information on these types of practices and programs.
H-1 - 1e: Develop standards and design guidelines for residential development in the Medium Density Residential (R-2) and High Density Residential (R-3), Community Commercial (C-1) and Heavy Commercial (C-2)	Streamline housing development.	Establish development standards and design guidelines by the end of calendar year 2020.	COMPLETED: Objective Design and Development Standards adopted by the City Council (Ordinance No. 1216) on 3/1/2021. In 2023 and 2024, the City further refined these regulations per Ordinance No. 1234, Adopted 10/18/23; Ordinance No. 1244, Adopted 03/04/24; Ordinance No. 1243, Adopted 10/16/24.

Table D cont.

-1 - 1f: Develop an At-Risk Units Program	Preserve at-risk housing units.	Develop At-Risk Program by the end of calendar year 2020.	COMPLETED: In 2020, Staff developed an At-Risk Program for the City of Ukiah, including informational hand-outs. Through the Planning Division webpage, these materials are available for review. The nature of conversion risk varies significantly among projects depending on the type of subsidy and related affordability controls. As all identified units are guaranteed to remain affordable for the remainder of this RHNA cycle, the City will continue to monitor their status. Should changes to status arise, however, Staff will
-1 - 1g: Tenant Education and Assistance for Tenants of At-Risk Projects.	Require property owners to give notice to tenants of their intent to opt out of low-income use restrictions. Provide tenants of at-risk units with education regarding tenant rights and conversion procedures.	Develop education program and notification procedures by June 30, 2020; implement program on an ongoing basis throughout the 2013-2027 planning period.	COMPLETED AND ONGOING: Informational handouts were developed by City Staff to educate tenants of their rights and conversion procedures. However, no at risk projects have been identified by the City of Ukiah that would require action at this time.
-2 - 2a: Update the inventory of vacant and underutilized parcels.	Ensure that adequate residentially designated land is available to accommodate the City's share of the Regional Housing Need.	Updated annually, by June 30 of each year; posted on the City's website and at the public counter	COMPLETED & ONGOING: This list was updated in December, 2024. It is posted to the City of Ukiah's Planning Division web-page.
-2 - 2b: Monitor the rate of conversion of primary residences to short-term rental units.	Ensure that adequate residentially designated land is available to accommodate the City's share of the Regional Housing Need and not converted to commercial uses.	Develop monitoring program by June 30, 2020; annually track number of short-term rentals and present information along with annual progress report to City Council each year; short-term rental ordinance research report due June 30, 2025.	COMPLETED & ONGOING: Monitoring of short-term rentals is facilitated through the Plan Check/business license process. All Short-Term Rentals require a business license to operate within the City of Ukiah. If deemed necessary, Staff will review software programs to further assist with short term rental enforcement, but notes that a significant portion of operators do not facilitate whole-home rentals and that the number of short-term rentals does not appear significant based on active business license.
-2 - 2c: Monitor the conversion of single family residential homes to commercial uses	Ensure that adequate residentially designated land is available to accommodate the City's share of the Regional Housing Need and not converted to commercial uses.	Gather data and report findings to City Council by June 30, 2021.	COMPLETED & ONGOING: Presently, conversion of residential structures is monitored via the Plan-Check Process. In 2024, there were no conversions of residential homes to commercial uses. In fact, the most recent submittals are to facilitate the conversion of commercial structures into residential units.
-2 - 2d: Pursue additional funding sources to augment the Ukiah Housing Trust Fund, creating a permanent source of funding for affordable housing.	Encourage the development of a variety of different types of housing. Facilitate the production of housing for all segments of the Ukiah population	Ongoing	COMPLETED & ONGOING: The City of Ukiah was awarded a ProHousing Designation by HCD in 2023. As a result of this designation, the City was eligible and applied for/was awarded \$455,000 in Prohousing Incentive Pilot (PIP) funds and \$517,061 in PHLA funds to facilitate Affordable Housing production and/or rehabilitation in the City.
-2 - 2e: Continually engage with a variety of housing developers who specialize in providing housing to each economic segment of the community.	Facilitate the production of housing for all segments of the Ukiah population	Ongoing community and stakeholder outreach, occurring at least on a quarterly basis and continuing throughout the 2013-2027 planning period.	COMPLETED & ONGOING: City Staff continue to actively participate in the Inland Mendocino County Housing Action Team, which includes developers of residential homes. In 2024, Staff regularly communicated with project developers from Mendocino County and Northern California to engender interest in locating projects within the City.
-2 - 2f: Amend the zoning code: Emergency shelters, Transitional/Supportive housing, Single Room occupancy Housing and Manufactured/Factory	Facilitate the production of housing for all segments of the Ukiah population	Complete draft Zoning Code amendments by December 30, 2020; secure adoption by June 30, 2021.	COMPLETE: Zoning Ordinance amendments adopted by the City Council (Ordinance 1216) on 9/1/2021.
-2 - 2g: Facilitate the consolidation of smaller, multi-family parcels by providing technical assistance to property owners and developers in support of lot consolidation.	Facilitate the production of housing for all segments of the Ukiah population. Preserve at-risk housing units.	Present report to Planning Commission and City Council, with recommendations, by June 30, 2026.	COMPLETED/ONGOING: In FY 2024, the City Council adopted an ordinance designed to improve the lot line adjustment process by streamlining review requirements and reducing unnecessary application requirements. This change makes it easier for property owners to consolidate parcels for residential development. Although Mendocino County significantly increased corresponding fees, the City Council chose to maintain existing fees and introduce incentives for residential lot line adjustments (LLAs). These efforts aim to encourage parcel consolidation or modification, facilitating more efficient use of land for residential development while keeping costs manageable for developers and homeowners.

Table D cont.

-2 - 2h: Ensure capacity for adequate sites for meeting RHNA: (1) Update C1 and C2 Zones to allow by-right housing development, with objective design and development standards (2) Update the R-2 Zone to allow up to 15 dwelling units per acre instead of 10 dwelling units per acre (3) Update the C-N Zone to increase residential density and allow similar housing types as those allowed in R-2. (4) By-right housing program for select parcels.	Facilitate the production of housing for all segments of the Ukiah population	Develop objective design and development standards per schedule associated with Implementing Program 1c; pursue amendments to the Zoning Code as outlined above by June 30, 2021.	COMPLETE: Zoning Ordinance amendments including by-right housing development with objective design and development standards, increasing residential density in the C-N zone, and by-right housing for select parcels, adopted by the City Council (Ordinance 1216) on 3/1/2021. The Council adopted a Resolution to amend the General Plan to match the increase in density in the C-N Zone on 8/18/2021.
-2 - 2i: Monitor residential capacity (no net loss). Proactively monitor the consumption of residential acreage to ensure an adequate inventory is maintained for the City's RHNA obligations.	Preserve at-risk housing units.	Ongoing, with annual reports to HCD and the City Council; develop and implement a project evaluation procedure pursuant to Government Code 65863, by June 30, 2021.	COMPLETED/ONGOING: No residential net loss was identified for the year 2024. The City has updated its vacant and underutilized inventory to ensure that there is adequate acreage to maintain the City's RHNA obligations.
-2 - 2j: First Time Homebuyer Assistance	Expand affordable housing opportunities for first time homebuyers.	Ongoing	COMPLETED/ONGOING: The City of Ukiah's first time homebuyer program is designed to provide assistance to eligible homebuyers in purchasing homes located within City limits. In 2021, first time homebuyer assistance was provided to two (2) households through a HOME award. In 2024, the City researched new funding opportunities to support the program.
-2 - 2k: Collaborate with local service providers on addressing homelessness. Continue participation in the Mendocino County Continuum of Care.	Facilitate the production of housing for all segments of the Ukiah population, including those with special needs.	Ongoing	COMPLETED/ONGOING: The City continues to participate in the Mendocino County's Continuum of Care via multiple Departments, including the Ukiah Police Department and the City Manager's Office. Additionally, the City's Community Development Department meets bi-annually with leadership of the Ukiah Police Department, Ukiah Valley Fire Authority, and Building Bridges Homeless Services Center.
-2-2l: Review existing city processes for compliance with AB 2162.	Revise zoning codes/processes to allow supportive housing by right in zones where multifamily and mixed uses are permitted, including nonresidential zones permitting multifamily uses. Ensure that adequate residentially designated land is available to accommodate the City's share of the Regional Housing Need. In order to mitigate the loss of affordable housing units, require new housing developments to replace all affordable housing units lost due to new development.	Complete review of existing City processes by June 30, 2020; revise zoning codes/processes by December 31, 2020	COMPLETED: Transitional housing, and supportive housing is allowed by-right in zones where multifamily and mixed uses are permitted. Ord. 1205 was adopted on August 5, 2020 addressing this goal and ensuring compliance with AB 2162.
-2 - 2m: Housing Units Displacement Program	The replacement requirement will be implemented immediately and applied as applications on identified sites are received and processed.	ONGOING: Displacement not identified in 2024, as all development was supplemental or occurred on vacant parcels.	
-2- 2n: Homeless Shelter Overlay District Evaluation. Evaluate the Homeless Shelter Overlay District to determine suitability for accommodating the identified number of	Facilitate the production of housing for all segments of the Ukiah population, including those with special needs.	Complete draft Zoning Code amendments by December 30, 2021; secure adoption by June 30, 2022	COMPLETE: Staff previously presented analysis to the Planning Commission, and determined that the current homeless shelter overlay district was adequate to meet the needs of unhoused individuals, including those with special needs.

Table D Cont.

H-3 - 3a: Research, review and amend the development standards in the zoning code for opportunities to maximize housing development.	Increasing maximum allowable height for new residential buildings; Increasing density; Reducing yard setbacks; Reducing minimum site area; Upzoning R-1 (Single-family Residential) and R-1-H (Single-family Residential- Hillside Combining) zoning districts to allow by-right and/or permit other residential building types and densities.	Complete draft policy by June 30, 2020	COMPLETE: Zoning Ordinance amendments including by-right housing development with objective design and development standards, increasing residential density in the C-N zone, and by-right housing for select parcels, adopted by the City Council (Ordinance 1216) on 3/1/2021. The Council adopted a Resolution to amend the General Plan to match the increase in density in the C-N Zone on 8/18/2021. In 2024, the City adopted the "Missing Middle" Ordinance No. 1243, on 10/16/24, modifying the R-1, R-2 and R-3 zones to incorporate changes consistent with Ukiah 2040 General Plan's density-related analysis and housing goals, such as reduced setback, parking and lot-size requirements; allowing a greater variety of housing types, such as 'Dwelling Groups'. In addition, the City adopted an "ADU" Ordinance No. 1244, on 03/4/24 to update the City's approval process for Accessory Dwelling Units (ADUs) and Junior Accessory Dwelling Units (JADUs), facilitating ADU compliance with recent changes in the California Government Code, including AB 376, AB 2221, SB 477.
H-3 - 3b: Develop flexible parking policies for new residential development. The intent of this policy is to reduce parking requirements, especially in zoning districts that allow for lower-income housing developments.	Remove governmental constraints to infill housing development.	Complete draft policy by June 30, 2020	COMPLETE: Zoning Ordinance amendments including flexible parking policies were adopted by the City Council (Ordinance 1216) on 3/1/2021. In 2023, the City further amended parking regulations in for projects using Objective Design & Development Standards by reducing multi-family requirements per Ordinance No. 1234; Adopted - 10/18/23
H-3 - 3c: Explore other policies and regulations that facilitate new infill housing development. Produce report with recommendations and present to Planning Commission and City Council.	Encourage the use of density bonuses and provide other regulatory concessions to facilitate housing development.	Complete draft report by June 30, 2026	COMPLETED/ONGOING: Staff continues to research policies and regulations that facilitate new infill housing development. Staff encourages the use of density bonuses and provides other regulatory concessions to facilitate housing development, when appropriate.
H-3 - 3d: Facilitate improvements to permit processing to streamline housing development.	Remove governmental constraints to infill housing development.	Pre-application conferences ongoing; City processing procedures brochure developed by June 30, 2021	COMPLETED/ONGOING: Staff created a Housing Development Checklist (processing procedures brochure) for by-right housing development of duplexes, triplexes, 4-plexes and larger projects in 12/2021. These are currently available on the City website and via email upon request. It was also sent to known housing developers currently working with the City. In 2022, Danco Communities utilized these objective standards to facilitate development of Acorn Valley Plaza at 210 East Gobbi Street. Per Ordinance No. 1234 (Adopted - 10/18/23), Staff further removed governmental constraints to infill housing.
H-3 - 3e: Continue to apply the CEQA infill exemption to streamline environmental review.	Improve building and planning permit processing for residential construction.	Ongoing	COMPLETED/ONGOING: Staff regularly applies and utilizes the CEQA infill exemption to streamline environmental review when appropriate.
H-3 - 3f: Review Site Development Permit and Use Permit Processes. Produce report for City Council analyzing processes and making recommendations for how to revise processes and/or Ukiah City Code such that project approval process is accelerated.	Remove governmental constraints to infill housing development. Improve building and planning permit processing for residential construction.	Report due to City Council by December 31, 2020; process and/or code improvements to be implemented immediately thereafter.	COMPLETED/ONGOING: Zoning Ordinance amendments, including by-right housing with objective design and development standards were adopted by the City Council on 3/1/2021 (Ordinance 1216). These objective standards streamline both the Site Development Permit and Use Permit processes. In 2024, The Pinoleville Pomo Nation utilized these objective standards to facilitate A 32-Unit, multi-family housing development at 191 Cleveland Lane. Staff continually reviews and updates policy.

COMPLETED: In determining the impact of new growth on military readiness activities, information provided by military facilities shall be considered. The City shall address military impacts based on information from the military and other sources. All amendments to the Ukiah General Plan, and large development projects shall be sent to military referral entities. A request for review is sent to these contacts prior to determination of project's completeness, so that any requests for additional information or conditions may be integrated into the project in a timely manner. In 2022, the City utilized this referral procedure to provide notice to appropriate military offices on October 18, 2022 for the City's 2040 General Plan.
H5-5a: Maintain a housing resources webpage. Assume a leadership role in the development of all types of housing in the community.		Updated regularly, as new and relevant information is available.	COMPLETED & ONGOING: The Housing Services Division is responsible for administering the City's federal, state, and local housing, and community development programs to improve and expand the City's housing stock, especially for low- and moderate-income residents, seniors, and those with special needs. In 2022, the City created a Housing Services webpage. In 2024, the City featured its Housing Rehabilitation Program, Ukiah Housing Trust Fund, and the Community Development Block Grant (CDBG) Program on the webpage, along with other housing resources available to residents and developers in Mendocino County and Ukiah.
H5-5b: Complete the update of the 2020 Sphere of Influence, Municipal Service Review, and Ukiah 2040 General Plan. Include an Pursue annexation efforts that lead to an orderly expansion of growth, where services are adequate for future residential development.		2020 - Sphere of Influence and Municipal Service Review; 2021- Ukiah 2040 General Plan.	COMPLETED & ONGOING: On December 9, 2022, Mendocino County LAFCo adopted the City's Municipal Service Review and Sphere of Influence Update. On September 11, 2023, at their regular Commission Meeting, the City of Ukiah's request to annex City-Owned parcels in unincorporated Mendocino County (A-2021-01) was approved.
H5-5c: Work collaboratively with stakeholder jurisdictions for opportunities to lessen or remove development constraints and update the housing Remove governmental constraints to infill housing development. Improve building and planning permit processing for residential construction.		Ongoing, at least on an annual basis	ONGOING: In 2024, Staff worked collaboratively with the County, as well as other jurisdictions, on opportunities to lessen or remove development constraints. In particular, Staff focused on progressing a master tax share agreement to streamline future annexation efforts.

CITY OF UKIAH 2040 GENERAL PLAN ANNUAL PROGRESS REPORT 2024

Prepared by
COMMUNITY DEVELOPMENT DEPARTMENT
PLANNING DIVISION

Date of City Council Review: **MARCH 19, 2025**

GOVERNOR'S OFFICE OF LAND USE AND CLIMATE INNOVATION (LCI) 2024 CITY OF UKIAH GENERAL PLAN ANNUAL PROGRESS REPORT (APR) MEMORANDUM

Purpose of the APR: The Governor's Office of Land Use and Climate Innovation (LCI) Annual Progress Report (APR) provides local legislative bodies and the public with information on the implementation of the General Plan for their city or county. These APRs also serve to update the public on progress toward achieving the City's identified goals.

City Council Review Date: The 2024 LCI APR was presented to the Ukiah City Council on March 19, 2025, for their review and acceptance.

2040 General Plan Adoption Date: On December 7, 2022, the City Council adopted a resolution approving the 2040 General Plan (Resolution No. 2022-79), along with a resolution certifying the Environmental Impact Report (EIR), adopting the Findings of Fact and Statement of Overriding Considerations, and approving the Mitigation Monitoring Reporting Program (Resolution No. 2022-78; State Clearinghouse No. 2022- 050556). In addition, the City's 6th Cycle Housing element was adopted by the Ukiah City Council on October 23, 2019, and subsequently certified by the California Department of Housing and Community Development on December 5, 2019.

EXECUTIVE SUMMARY

The Ukiah 2040 General Plan serves as the City's long-term blueprint for sustainable growth, balancing economic prosperity, environmental stewardship, housing affordability, and mobility improvements. The 2024 APR reflects Ukiah's commitment to implementing this vision. This report outlines the progress made in each General Plan element, highlighting key implementation milestones, policy updates, and public engagement efforts that align with the General Plan's objectives.

GENERAL PLAN IMPLEMENTATION PROGRESS – 2024

This section summarizes the City's progress in implementing the Ukiah 2040 General Plan across all elements.

General Plan Implementation Programs

For full details on the Goals, Policies and Implementation Programs of the Ukiah 2040 General Plan, please refer to the enclosed *City of Ukiah 2040 General Plan – Appendix A*.

1 LAND USE ELEMENT IMPLEMENTATION

The Land Use Element establishes the framework for managing Ukiah's growth while ensuring land-use decisions align with community goals.

Key 2024 Accomplishments:

✓ *Missing Middle Housing Ordinance Adopted:* Supports diverse housing types per Policy LU-9.

✓ *Zoning Code Updates in Progress:* Ensuring consistency with General Plan land-use designations per Policy LU-10.1 (Downtown Zoning Code), LU-11.7 (Sign Regulations), and LU-11.9 (Historic Preservation and Restoration).

The Missing Middle Ordinance was adopted to align local regulations with the Ukiah 2040 General Plan (Goal LU-9), promoting more flexible and diverse housing options while supporting the City's commitment to sustainability and community resilience. Key changes in the Ordinance clarify that duplexes, a critical component of "Missing Middle" housing, are permitted by right in residential zones and exempt from certain objective design regulations. The ordinance also streamlines the approval process for Missing Middle housing types, reduces regulatory barriers, and ensures compatibility with existing neighborhoods. By promoting the development of Missing Middle Housing, the City can enhance housing affordability, increase density in appropriate areas, and create more walkable, livable communities.

2 ECONOMIC DEVELOPMENT ELEMENT IMPLEMENTATION

The Economic Development Element supports business growth, job creation, and strategic planning for a resilient economy.

Key 2024 Accomplishments:

✓ *Economic Development Strategy Launched:* Stakeholder engagement and data collection phase initiated in August 2024.

✓ *Draft Strategic Framework Scheduled for Completion in 2025.*

The first phase of the community engagement process included one-on-one interviews and focus groups with key stakeholders and economic development leaders. As part of Implementation Program A, stakeholders included representatives from the local business community, Economic Development and Financing Corporation (EDFC), the Greater Ukiah Business and Tourism Alliance/Visit Ukiah, the West Business Development Center, the Mendocino Private Industry Council, Mendocino County, agricultural stakeholders, and other organizations working to promote Ukiah's economic development.

3 MOBILITY ELEMENT IMPLEMENTATION

The Mobility Element focuses on improving multimodal transportation and enhancing pedestrian and bicycle infrastructure.

Key 2024 Accomplishments:

✓ *School Street Multimodal Transportation Study Launched:* \$238,999.99 contract awarded to analyze pedestrian, bicycle, and vehicle circulation.

Building on the success of the Downtown Streetscape project, the planning effort for School Street aims to improve pedestrian, bicycle, and vehicle circulation along the School Street corridor from Clay Street

to Henry Street, progressing Goal MOB-1, Policy MOB-1.1 and Implementation Program C, Right of Way Needs.

4 PUBLIC FACILITIES ELEMENT IMPLEMENTATION

The Public Facilities Element focuses on enhancing infrastructure, including water systems, sewage systems, stormwater management, and facilities.

Key 2024 Accomplishments:

✓ *Parks Gap Analysis:* Initial draft begun.

The plan will help the City of Ukiah assess how well community park needs are currently being met, identify key considerations, and determine necessary action to meet future demands. This analysis will support the City's efforts to prepare for population growth, shifting demographics, and potential annexations.

5 ENVIRONMENT AND SUSTAINABILITY ELEMENT IMPLEMENTATION

This element provides a framework for reducing greenhouse gas emissions, enhancing climate resilience, protecting natural resources, and promoting environmental sustainability.

Key 2024 Accomplishments:

✓ *Climate Action Plan (CAP) Initiation:* The City is preparing to adopt its Municipal Climate Action Plan (CAP) in April 2025. The CAP outlines the City's strategies to reduce greenhouse gas emissions and achieve carbon neutrality by 2045.

✓ *\$1.39 million CAL FIRE Grant:* Grant awarded towards future (2031-2040) Implementation Program Goals.

✓ *Historic Resources Survey and Historic Preservation Code:* Preparation work begun.

In 2024, the City hired its first Chief Resilience Officer and initiated the development of its Climate Action Plan (CAP). In 2025, the City will develop a Climate Adaptation & Resilience Strategy (CARS). Together, the CAP and CARS will establish a strategic roadmap for how the City will reduce greenhouse gas emissions, prepare for climate hazards, and build a more resilient community, aligning with Implementation Programs J (Water Conservation Guidelines) and M (Adopt a Municipal Climate Action Plan).

Additionally, the City of Ukiah has received \$1.39 million in grant funding from CAL FIRE to establish a climate-resilient forest canopy comprising 722 trees across the community. This initiative aligns with Policy ES-3.1, which aims to expand the city's tree canopy and promote sustainable urban forestry practices. The grant program will commence in March 2025 and conclude in March 2028, indirectly supporting the completion of the City's Urban Forest Master Plan (Implementation Program E), Tree Protection Ordinance, and Tree Management Guidelines (Implementation Program F).

Another highlight within this Element, the City partnered with the Mendocino County Historical Society to begin addressing Implementation Programs G (Historic Structure Preservation Policy), H (Cultural and Historic Registry) and I (Historic Preservation Ordinance). An RFQ (Request for Qualifications) for a historic resources survey consultant to complete an update to the City's 1999 Historic Resources Survey was drafted, and planning to develop the City's first historic preservation ordinance and code commenced.

6 SAFETY ELEMENT IMPLEMENTATION

The Safety Element ensures that Ukiah is prepared for natural disasters, public safety threats, and emergency response efforts.

Key 2024 Accomplishments:

- ✓ *Office of Emergency Management (OES) continues to respond to community needs.*
- ✓ *Multi Jurisdiction Hazard Mitigation Plan (MJHMP) and Community Wildfire Protection Plan (CWPPP) work begun:* Partnered with the County of Mendocino.
- ✓ *Addressed FEMA flood map and CalFIRE High Fire Severity Zone changes.*

In 2024, the Office of Emergency Management provided bilingual communication resources and increased access to emergency preparedness materials for community service organizations. Efforts included training sessions, distribution of informational handouts at community events, and regular updates to the City's emergency preparedness webpage. These actions align with Implementation Program F (Resilient Communities) and S (Out of Compliance Roadways).

The City also partnered with the County of Mendocino to advise on vendor selection for the Mendocino Multi Jurisdiction Hazard Management Plan (MJHMP) - Implementation Program C. Additionally, the City collaborated with the County to prepare the Community Wildfire Protection Plan (CWPPP) in support of Implementation Program J (Fire Service Funding), M (Regional Fire Protection Plans), and N (Local Fire Protection Plan).

In 2024, significant changes were proposed to California's Flood and High Fire Severity Zones. In response, the City engaged with State and Federal entities to assess potential impacts on Implementation Programs AA (Communities at Risk), P (Fire Hazard Zone Update), Q (Public Facilities Hazard Mitigation), and E (Floodplain Development).

7 AGRICULTURE ELEMENT IMPLEMENTATION

The Agriculture Element supports the sustainability of local farms and agricultural operations.

Key 2024 Accomplishments:

- ✓ *Right to Farm Ordinance Adopted:* Implements Policy AG-3.1.
- ✓ *Agricultural Consistency Ordinance Drafted:* Supports Policy AG-2.2.

In 2024, the Right to Farm Ordinance became the first implementation program (Implementation Program B) completed under this element, aligning with the City's annexation goals and the Ukiah Valley Area Plan. The ordinance preserves agricultural operations and prevents conflicts between urban and agricultural land uses. It also supports the Environment and Sustainability Element by protecting agricultural lands and promoting sustainable practices. The ordinance was developed with input from key stakeholders, including the Mendocino County Farm Bureau and the Mendocino County Local Agency Formation Commission (LAFCo).

8 HOUSING ELEMENT IMPLEMENTATION

The Housing Element ensures that Ukiah provides adequate housing opportunities to meet community needs.

Key 2024 Accomplishments:

- ✓ *All Implementation Programs Completed and/or Ongoing.*
- ✓ *'ADU' Ordinance and 'Missing Middle' Ordinance Adopted:* Implements Policy H-3 – 3a. to maximize housing development.
- ✓ *Lot Line Adjustment Ordinance Adopted:* Implements Policy H-2 – 2g. to maximize housing development.
- ✓ *RHNA Progress.*

Policy H-3 – 3a. of the Housing Element saw continued implementation in 2024 with both an 'Accessory Dwelling Unit' (ADU) and a 'Missing Middle' Ordinance. This policy, which calls on the City to research, review and amend the development standards in the zoning code for opportunities to maximize housing development, has already been met via an ADU ordinance in 2020 (Ord. No. 1205), an amendment to the General Plan in 2021, an adoption of a new General Plan in 2022, and the 'Objective Design and Development' Ordinance in 2023 (Ord. No. 1234). Yet, the 'ADU' and 'Missing Middle' Ordinances engender additional flexibility to setbacks, height and allowed unit types.

Also in 2024, the Ukiah City Council adopted an ordinance to improve the lot line adjustment process by streamlining review and reducing unnecessary application requirements. This change facilitates residential lot consolidation, making it easier for property owners to combine parcels for residential development. While Mendocino County significantly increased lot line adjustment fees, the Ukiah City Council opted to maintain existing fees and introduce new incentives for residential lot line adjustments (LLAs). These efforts encourage parcel consolidation and modification, promoting efficient land use while ensuring cost-effective development for homeowners and developers.

This Lot Line Adjustment initiative completes the remaining Housing Element Implementation Program of the 2019-2027 cycle (Implementation Program H2-2g), which aims to: *"Facilitate the consolidation of smaller, multi-family parcels by providing technical assistance to property owners and developers in support of lot consolidation."* With the 2024 Housing Element APR, all Housing Element Implementation

Programs are either completed or remain active and ongoing.

The following table summarizes Ukiah’s progress in meeting its Regional Housing Needs Allocation (RHNA) housing targets. The City of Ukiah is well on its way to meeting its RHNA goals for the 2019-2027 cycle.

Income Level	2019-2027 RHNA Allocation	Original	Issued Units in 2024	RHNA Remaining
Very Low-Income	86		0	0
Low-Income	72		0	15
Moderate-Income	49		8	14
Above Moderate-Income	32		33	0
Total	239		20	29

In 2024, the City of Ukiah made significant progress in advancing the goals and policies outlined in the Ukiah 2040 General Plan, reinforcing its commitment to sustainable development, community resilience, and housing affordability. Key actions across multiple General Plan elements, including Land Use, Economic Development, and Housing, underscore Ukiah’s ongoing efforts to create a balanced, resilient community that serves both current and future generations. The Missing Middle Housing Ordinance aligns with the City’s vision for increased housing diversity and affordability, while the School Street Multimodal Transportation Study exemplifies Ukiah’s dedication to improving its transportation network by prioritizing sustainability and multimodal access, in alignment with the General Plan’s vision for a connected and accessible community.

Furthermore, Ukiah continues to prioritize environmental sustainability through the Climate Action Plan and the \$1.39 million CAL FIRE grant, which will expand the city’s tree canopy and promote urban forestry. The Right to Farm Ordinance supports the City’s efforts to preserve agricultural lands and protect agricultural operations, aligning with the goals of both the Agricultural Element and the Environment and Sustainability Element. These accomplishments demonstrate Ukiah’s dedication to responsible stewardship of its natural and built environment, ensuring the City remains a thriving, resilient, and sustainable community. Moving forward, Ukiah remains committed to achieving the long-term goals set forth in the Ukiah 2040 General Plan, continuing progress toward a balanced and inclusive future for all residents.

A.1 Land Use Element

GOALS AND POLICIES

Residential

LU-1 To provide a variety of housing types that offer choices for Ukiah residents and create complete, livable neighborhoods.

LU-1.1 Existing Neighborhoods. The City shall maintain and enhance the quality of existing residential neighborhoods, ensuring adequate public facilities such as parks, streets, water supply, and drainage.

LU-1.2 Connectivity. The City shall encourage new residential development to incorporate design features that promote walking and connectivity between blocks.

LU-1.3 Neighborhood Infill. The City shall encourage objectively designed infill developments that enhance neighborhood quality and respond to community input in the planning and design of infill projects or non-residential, neighborhood-serving uses.

LU-1.4 High-Density Residential Uses. The City shall encourage new high-density residential development to locate in areas close to services and transit.

LU-1.5 Existing Neighborhoods. The City shall encourage all new multi-family residential development to comply with objective design and development standards.

Mixed-Use

LU-2 To encourage mixed-use development projects that create vibrant, walkable districts.

LU-2.1 Downtown Mixed-Use. The City shall encourage mixed-use development to locate within the Downtown. Such developments include housing, retail commercial, offices, open space, and other compatible uses. This development pattern should create vibrant, walkable areas, rather than non-pedestrian friendly strip retail developments along downtown corridors.

LU-2.2 Compatibility with Adjacent Uses. The City shall require new mixed-use development to be compatible with adjacent land uses, particularly residential uses, through site and architectural design techniques that establish transitions between uses and minimize negative impacts.

LU-2.3 Mixed-Use Design. The City shall require new mixed-use development to limit the number of access driveways, minimize building setbacks, and provide public ground floor spaces adjacent to sidewalks.

LU-2.4 Pedestrian Orientation. The City shall require new mixed-use and commercial developments with street or bike route frontage to include amenities that connect and create a comfortable environment for walking, sitting, and socializing.

LU-2.5 Live/Work. The City shall encourage mixed-uses in appropriate non-residential or existing mixed-use areas, facilitate the adaptive reuse of otherwise obsolete structures, and promote the growth of the arts and small business ventures in the community by allowing combined workspace and living quarters in appropriate buildings in commercial or industrial zoning districts.

Downtown

LU-3 To improve and enhance the appearance and vibrancy of Downtown Ukiah to create a high-quality place for residents, businesses, and visitors.

LU-3.1 Downtown Activities and Functions. The City shall maintain the Downtown as a center for shopping and commerce, social and cultural activities, and government and civic functions.

LU-3.2 New Downtown Development. The City shall ensure new development in the Downtown is compatible with existing uses and enhances the character of the area.

LU-3.3 Downtown Arts Entertainment. The City shall encourage private-sector investment in Downtown to transform it into a safe, vibrant, and prosperous arts and entertainment district that offers enhanced shopping, dining, recreational, and cultural experiences and events for residents, families, and visitors.

LU-3.4 Downtown Pedestrian Improvements. The City shall work with public agencies and private entities to create a safe, convenient, and pleasant pedestrian environment that supports the continued revitalization of the Downtown area. Improvements could include pedestrian-oriented amenities such as lighting, wider sidewalks, clearly marked pedestrian crossings, benches, landscaping, signage, sidewalk seating areas, and public art.

LU-3.5 Downtown Parking. The City shall prepare and implement a Downtown parking plan that provides enough parking downtown to support area businesses while maintaining a pedestrian-friendly environment.

Commercial

LU-4 To encourage the growth and development of retail, office, service, and entertainment uses in Ukiah to provide jobs, support City services, and make Ukiah an attractive place to live.

LU-4.1 High-Quality Building Design. The City shall encourage distinctive and high-quality commercial building design and site planning that respects the character of Ukiah.

LU-4.2 Commercial Center Design. The City shall require new commercial centers to incorporate standards of site design, construction, buffering, and screening when located adjacent to residential neighborhoods.

LU-4.3 Clustering Commercial Uses. The City shall encourage new commercial uses to group into clustered areas or centers containing professional offices, retail sales and services. New commercial clusters shall be located at the intersections of major thoroughfares and exclude "strip" commercial.

LU-4.4 Commercial Property Landscaping. The City shall require that landscaping on commercial properties be well maintained and encourage those commercial properties currently without landscaping to provide landscaping.

LU-4.5 Pedestrian Access to Commercial Uses. The City shall support convenient and direct pedestrian access to commercial uses that are located adjacent to residential areas.

Industrial

LU-5 To encourage, facilitate, and support the development of new employment and industrial uses and retention of existing industry to ensure compatibility with existing surrounding uses and planned uses.

LU-5.1 Industrial Park Development. The City shall encourage the development of well-designed industrial park areas to attract new light industrial development to Ukiah.

LU-5.2 Industrial Design standards. The City shall ensure that new industrial developments contribute to the overall attractiveness of the community through appropriate site design, architectural design, and landscaping.

LU-5.3 Screening Industrial Areas. The City shall require the screening of loading areas and open storage areas so that they are not visible from major roads.

Hillside Areas

LU-6 To preserve the natural character of hillside development areas.

LU-6.1 Natural Features. The City shall require development to preserve outstanding natural physical features, such as the highest crest of a hill, natural rock outcroppings, major tree belts, and water features.

LU-6.2 Hillside Development. The City shall require new development in hillside areas to minimize grading to retain a natural hillside setting. The City shall encourage clustered dwelling units in hillside areas and roadways to be designed to preserve the ecological and scenic character of the hillsides.

LU-6.3 Open Space Access. The City shall encourage new hillside developments to provide public access (as appropriate) to adjacent greenways, open space corridors, trails, and parks if development is proposed adjacent to such facilities.

Development Pattern

LU-7 To ensure the orderly and timely growth and expansion of the City.

LU-7.1 Development Pattern. The City shall ensure an orderly, contiguous development pattern that prioritizes infill development, phases new development, encourages compactness and efficiency, preserves surrounding open space and agricultural resources, and avoids land use incompatibilities.

LU-7.2 Annexations. The City shall support property owners and applications that seek to annex adjoining unincorporated land within the City's Sphere of Influence where the City determines it to be in residents' interests to do so, to promote orderly development, to implement General Plan goals, and if the annexation would improve the fiscal health of the City, provide a more efficient delivery of municipal services to the area, and/or create a more logical City boundary. The City shall consider annexation of lands outside of the SOI but within the Planning Area if the City and all local agencies with relevant jurisdiction, arrive at an agreement ensuring adequately compensated for the costs it will incur due to development in its Planning Area.

LU-7.3 Annexation Considerations. The City shall consider the following factors when reviewing annexation proposals:

- a. Availability of public services and facilities;
- b. Proximity to existing urban development;
- c. Existing agricultural uses;
- d. Fiscal impacts on City finances;
- e. Potential economic benefits;
- f. Regional housing needs; and
- g. Public health and safety.

LU-7.4 Required Public Facilities and Services. The City will support annexation of land for new development only if public services and facilities meeting City standards are available or plans are in place demonstrating their availability in the near future.

LU-7.5 Agriculture and Annexation. The City shall discourage urban development of unincorporated land in the City's Sphere of Influence until such lands are annexed by the City. The City shall support County land use regulations that require minimum lot sizes to protect the viability of local agriculture and to prevent the development of incompatible or undesirable land use patterns prior to eventual annexation and urbanization.

LU-7.6 Fair Share Housing Needs Reduction. The City shall amend the Housing Element as a condition of annexation of residential lands from the County, to increase the City's housing fair share by the number of needed housing units the County is surrendering.

LU-7.7 County Housing Needs. The City shall give consideration to the County's regional "fair share" housing needs when reviewing applications for new development within the City's Planning Area.

LU-7.8 Legal Non-conforming Uses. The City shall allow the continued use of legally existing non-conforming land uses in conformance with approved permits.

Growth Management

LU-8 To promote growth and development practices that improve quality of life, protect open space, natural and historical resources, and reduce resource consumption.

LU-8.1 Contiguous Development. The City shall strongly discourage new development that is not contiguous with existing urban development.

LU-8.2 Protection of Agricultural Areas. The City shall support the long-term economic viability of agriculture and agri-tourism and encourage landowners with land in agricultural production to undertake succession planning or agricultural preservation, as appropriate.

LU-8.3 Infill Development. The City shall encourage population and employment growth toward infill development sites within the city.

LU-8.4 Reuse of Underutilized Property. The City shall encourage property owners to revitalize or redevelop abandoned, obsolete, or underutilized properties to accommodate growth.

LU-8.5 Historic Preservation. The City shall strive to preserve residential and commercial structures of historic value to the community.

LU-8.6 Historic Resource Maintenance. The City shall encourage property owners to maintain these structures in accordance with local, state and federal standards.

Missing Middle Housing

LU-9 To provide opportunities for housing that can accommodate the needs, preferences, and financial capabilities of current and future residents in terms of different housing types, tenures, density, sizes, and costs.

LU-9.1 Mixed Residential Neighborhoods. The City shall encourage creation of mixed residential neighborhoods through new and innovative housing types that meet the changing needs of Ukiah households and expand housing choices in all neighborhoods. These housing types include, but are not limited to, single dwelling units, multi-family dwelling units, accessory dwelling units, small and micro units, use of pre-fabricated homes, and clustered housing/cottage housing.

LU-9.2 Housing Types and Designs. The City shall support housing types and designs that increase density while remaining consistent with the building scale and character present in existing neighborhoods. This includes multi-family units or clustered residential buildings that provide relatively smaller, less expensive units within existing neighborhoods.

LU-9.3 Adaptation of Existing Residential Units. The City shall encourage the adaptation of existing residential units to support multi-family use.

Special Planning Areas

LU-10 To assure coordination and consistency with special planning areas.

LU-10.1 Downtown Zoning Code. The City shall update the Downtown Zoning Code to assure consistency with the General Plan goals, policies, and land use designations.

LU-10.2 Ukiah Valley Community. The City shall recognize that the Ukiah Valley is one community and foster collaborative decision-making between the City, county, and other public agencies.

LU-10.3 Ukiah Valley Area Plan. The City shall coordinate with Mendocino County to assure consistency with the Ukiah Valley Area Plan goals and policies.

LU-10.4 Ukiah Airport Master Plan. The City shall periodically update the Ukiah Airport Master Plan to reflect changing airport needs, aircraft type and use, and new noise and safety standards.

LU-10.5 Ukiah Municipal Airport Land Use Compatibility Plan. The City shall require new development within each airport zone that conforms to the height, use and intensity specified in the land use compatibility table of the Ukiah Municipal Airport Land Use Compatibility Plan (UKIALUCP).

LU-10.6 Mendocino County Airport Land Use Commission. As required within the UKIALUCP, the City shall refer new development projects in the Ukiah Airport area of influence to the Mendocino ALUC for review and comment.

Community Character and Design

LU-11 To ensure high-quality site planning, landscaping, and architectural design for all new construction, renovation, or remodeling.

LU-11.1 Commercial Character. The City shall update and maintain objective commercial design standards for all commercial land use designations, to enhance community character and encourage economic development.

LU-11.2 Gateways. The City shall establish key gateways to Ukiah through landscape design, appropriately-scaled signage, and building form, and historic themes to create a unique sense of place.

LU-11.3 Neighborhood Character. The City shall ensure that Zoning Code standards and design guidelines are reflective of neighborhood character and land use intensity, complement views from US 101.

LU-11.4 Public Buildings and Spaces. The City shall ensure that all new public buildings and places are consistent with City design review guidelines and standards, designed to be attractive, safe, and serve the neighborhood needs, and conform to standards similar to those applied to private development.

LU-11.5 Public Street Furniture. The Public Works Department shall establish public design standards for street furniture and landscaping that enhance the streetscape and general fabric of the City.

LU-11.6 Public Art. The City shall encourage the installation of public art and identify permanent funding mechanisms to support new installations and maintenance.

LU-11.7 Sign Regulations. The City shall update the Zoning Code sign provisions to incorporate a consistent program for new signs to simplify the signage process.

LU-11.8 Tree Preservation. The City shall encourage the preservation of trees on public and private property. Priority should be given to the preservation of trees considered significant due to their size, history, unusual species or unique quality.

LU-11.9 Historic Preservation and Restoration. The City shall encourage restorative maintenance to deteriorated buildings, particularly in Downtown, and restrict the demolition of historically and/or architecturally significant buildings to accommodate new development. The City shall encourage adaptive re-use of historic structures to maintain their historic character while supporting economic development.

LU-11.10 Water Efficient Landscaping. The City shall ensure that Zoning Code landscape standards and design guidelines reflect the most current water efficient landscape standards that include native, adaptive, and drought resistant vegetation, as well as provisions for street canopies and streetscape enhancement.

Environmental Justice

LU-12 To ensure that land use decisions do not adversely impact disadvantaged individuals and groups differently than the population as a whole.

LU-12.1 Fair Treatment and Meaningful Involvement. The City shall provide for the fair treatment and meaningful involvement in respect to the development and review of land use decision and policies for all people regardless of income, race, color, or national origin.

LU-12.2 Disproportionate Land Use Impacts. The City shall evaluate and avoid, reduce, or mitigate disproportionate adverse health and safety impacts of land use decisions on identified disadvantaged communities.

LU-12.3 Coordination on Siting of Utilities . The City shall coordinate with utility providers in the siting, site layout, and design of gas and electric facilities, including changes to existing facilities, to minimize environmental, and safety impacts on disadvantaged communities.

LU-13 To ensure that all community members have equal access to healthy foods, education, green spaces, and medical services.

LU-13.1 Access to Community Resources. The City shall identify and address gaps in access to residential, commercial, recreation, natural open spaces, and public resources, and ensure these community resources are accessible to all, regardless of income, race, color, or national origin.

LU-13.2 Equitable Capital Improvements. The City shall promote equitable investment in capital improvements City-wide.

LU-13.3 Public Assistance Collaboration. The City shall support non-profit organizations and public agencies which provide assistance to the homeless and access to healthcare, rental assistance and food assistance, and other poverty alleviating programs and services.

LU-14 To develop, implement, and enforce policies to ensure access to safe and sanitary housing throughout the community.

LU-14.1 Code Enforcement. The City shall prioritize code enforcement for rental housing in disadvantaged communities to assure safe, sanitary housing.

LU-14.2 Clean and Safe Drinking Water. The City shall ensure access to clean and safe drinking water for all community members.

LU-15 To promote meaningful dialogue and collaboration between members of disadvantaged communities and decision-makers to advance social and economic equity.

LU-15.1 Community Input. The City shall continue to facilitate opportunities for disadvantaged community residents and stakeholders to provide meaningful and effective input on proposed planning activities early on and continuously throughout the public review process.

LU-15.2 Communication Channels. The City shall continue to improve communication channels and methods for meaningful dialogue between community members and decision-makers. The City shall also continue to share public information across a variety of media, technological, and traditional platforms, and languages based upon the demographics of the community.

LU-15.3 Public Engagement. The City shall hold special meetings, workshops, and other public engagement opportunities at times and locations that make it convenient for disadvantaged community members to attend, particularly stakeholders who are the most likely to be directly affected by the outcome.

LU-15.4 Translation Services. The City will continue to evaluate the need for the provision of translation services, to the extent feasible, in conveying important information to the community.

General Plan Use and Maintenance

LU-16 Promote the effective use and implementation of the General Plan Land Use Map.

LU-16.1 Land Use Map. The City shall maintain and implement a Land Use Map describing the types of allowed land uses by geographic location and the density of allowed uses within each designation.

LU-16.2 Land Use Designations. The City shall apply the land use designation specific parcels of land as designated on the General Land Use Map (Figure 2-1), even if a parcel does not meet other criteria specified in the General Plan.

LU-16.3 Zoning Designations. The City shall ensure that zoning designations are consistent with the General Land Use Map (Figure 2-1).

LU-16.4 Five-year General Plan Review. The City shall conduct a technical review of the General Plan every five years and revise and update as necessary to assure compliance with State law and responsiveness to current City needs.

A.2 Economic Development Element

GOALS AND POLICIES

ED-1 To be a key partner with other agencies and organizations to achieve the City's and the region's economic goals.

ED-1.1 Interagency Coordination. Coordinate with local agencies, jurisdictions, and tribes; and other groups and organizations working to promote Ukiah's economic development.

ED-1.2 Economic Initiatives. The City shall support regional economic initiatives and marketing activities by actively participating in economic development programs.

ED-1.3 Public /Private Partnerships. The City shall support and encourage public/private partnerships and other efforts to implement key development projects that meet the City's economic development goals.

ED-1.4 Economic Development Strategy. The City shall prepare and periodically update an Economic Development Strategy, which shall be used as an operational guide to implement the economic development goals, policies, and programs of the General Plan.

ED-2 To promote a strong local economy by improving critical infrastructure, including water, transportation, and renewable energy.

ED-2.1 City Investment Priorities. During review and updates of public facility master plans and the Capital Improvement Program, the City shall prioritize investment in infrastructure, services, and other assets that are critical to future economic vitality, including public safety, water supply and quality, transportation, energy, and environmental resources, to support job growth and economic development.

ED-2.2 Energy Infrastructure. The City shall work to improve energy infrastructure to increase availability, reliability, sustainability, and use of renewable energy sources.

ED-3 To provide opportunities for expansion of businesses by ensuring the availability of suitable sites, appropriate zoning, and access to infrastructure and amenities.

ED-3.1 Land Supply Inventory . The City shall maintain and/or annex an adequate land supply to meet projected commercial and industrial land demand.

ED-3.2 Infill Sites. The City shall coordinate with interested developers and relevant public agencies to develop infill sites consistent with the Land Use Diagram.

ED-3.3 Airport Industrial Park. The City shall develop adequate linkage from the Airport Industrial Park to the east side of the airport.

ED-4 To attract visitors and provide them with the amenities and services to make their stay in Ukiah enjoyable.

ED-4.1 Supporting Tourism. The City shall encourage and support the development of sustainable and innovative visitor-serving attractions that expand on the tourism market in Ukiah and Mendocino County and add to the quality of life for residents.

ED-4.2 Downtown. The City shall reinforce the Downtown as the civic and cultural heart of Ukiah by supporting public arts, cultural and entertainment programs, restoration of aging structures, lodging, and a robust mix of residential, retail, and service uses.

ED-4.3 Boutique Hotel. The City shall encourage and support the development of a boutique hotel in Downtown to provide an opportunity for overnight stays in the heart of Downtown and for visitors to enjoy and explore Ukiah's local business, restaurants, and nightlife.

ED-4.4 Public Art. The City shall reduce barriers for private efforts that create art in public places (e.g., murals, sculptures), and support development of a Public Art Master Plan with appropriate funding mechanisms to support and maintain public art installations.

ED-4.5 Tourism-Supporting Services. The City shall support the local dining, lodging, and retail sectors to ensure visitors enjoy Ukiah to the fullest.

ED-5 To ensure Ukiah's long-term economic success and sustainability by diversifying and expanding tourist attractions.

ED-5.1 Outdoor Recreation. The City shall maintain existing and promote new outdoor recreation opportunities and facilities at a high level to solidify Ukiah's position as a leader in outdoor recreation.

ED-5.2 Bicycle Tourism. The City shall support efforts to promote and expand the local and regional bicycle trail network to attract visitors seeking a quality outdoor recreation experience.

ED-5.3 Great Redwood Trail. The City shall continue to support the expansion of the Great Redwood Trail linking Marin, Sonoma, and Humboldt counties and enhancing trail access in Ukiah.

ED-5.4 Special Events. The City shall support special events that benefit local businesses and contribute to the City's overall economic success.

ED-5.5 Agricultural Tourism. The City shall strive to attract tourism centered on the agriculture industry throughout the Mendocino County region, including wineries, cannabis farm tours, farm stays, tasting rooms, and beverage production tours.

ED-6 To maintain a supportive business climate and a healthy economy that leads to the expansion of existing businesses and the attraction of new ones.

ED-6.1 Regulatory Environment. The City shall promote business-friendliness in the regulatory and permitting process through collaboration, innovation, exchange of ideas and best practices, and the improvement in clarity and

efficiency in the permitting process to take advantage of opportunities for streamlining in the development permit process.

ED-7 To grow the local economy and employment base by supporting efforts to retain, expand and attract local businesses.

ED-7.1 Attract Skilled Workers. The City shall support, maintain, and enhance the social and cultural amenities of the city (such as attractive public spaces, public art displays, museum(s), historic venues and sites, and recreational facilities and programs).

ED-8 To cultivate a culture of entrepreneurship to encourage and support local business start-ups.

ED-8.1 Business Incubators. The City shall encourage and support the establishment of local business incubators and programs designed to support the successful development of entrepreneurial companies through an array of business support resources and services.

ED-8.2 Home-Based Businesses. The City shall support and expand the opportunities for establishment and operation of home-based businesses that are compatible with surrounding neighborhoods.

ED-9 To improve labor force preparedness by providing the local workforce with the skills needed to meet the requirements of evolving business needs.

ED-9.1 Interagency Workforce Collaboration. The City shall work with Mendocino College, Ukiah Unified School District, and Mendocino County to support innovation and the development, retraining, and retention of a skilled workforce.

ED-9.2 Local Graduate Retention. The City shall actively support efforts to keep local high school and college graduates in the local workforce.

ED-9.3 City Hiring Practices. The City shall pursue best practices aimed at maximizing local hiring in coordination with education and training providers.

ED-10 To foster a robust and diversified local economy that provides quality employment and attracts stable businesses.

ED-10.1 Value-Added Agriculture. The City shall encourage and support the expansion of value-added agricultural products (e.g., processing, packaging, product development) with an emphasis on local distribution and consumption.

ED-10.2 Agricultural Support Services. The City shall encourage agricultural support services, such as vineyard and harvest management, to be based in Ukiah.

ED-10.3 Airport-Related Businesses. The City shall encourage and promote the development of airport-related businesses at the Ukiah Municipal Airport.

ED-10.4 Local-Serving Retail. The City shall encourage the establishment and expansion of commercial businesses that increase local spending within Ukiah and provide needed goods and services to residents and businesses.

ED-10.5 Culturally Diverse Businesses. The City shall review and amend its policies and procedures to ensure equity of opportunity to encourage and support a diverse business community.

ED-11 To diversify the economic base of Ukiah through the development and expansion of environmental, creative, and innovative businesses, including the non-profit sector.

ED-11.1 Creative Economy. The City shall encourage the expansion of the local creative economy, including arts businesses, creative and performing arts, and non-profit organizations, as well as professional service sectors built around the creative arts.

ED-11.2 Green Economy. The City shall support the development and reduce local regulatory barriers for industries and businesses that promote and enhance environmental sustainability, greenhouse gas reductions, decarbonization, climate change adaptation, resiliency, and renewable energy generation, storage, and transmission, including solar power and other appropriate renewable sources.

ED-11.3 Support Green Businesses. The County shall promote the efforts of existing businesses that meet green business criteria; job training in green building techniques and regenerative farming; and strive to build green technologies into and decarbonize existing public facilities.

ED-11.4 Sustainable Business Development. The City shall encourage the development and expansion of businesses that advance social equity, environmental quality, and economic sustainability, as well as capitalize on key industry strengths. Economic sustainability includes planning and preparation for disaster response and long-term resiliency of businesses and economic assets in the city.

A Economic Development Strategy The City shall prepare, adopt, and regularly update an Economic Development Strategy, which shall be used as an operational guide to implement the economic development goals and policies of the General Plan. The strategy should address business attraction, retention, and expansion, infrastructure priorities, tourism, intergovernmental coordination and cooperation, economic diversification, and workforce development. The Economic Development Strategy should be prepared in coordination with the local business community, Economic Development and Financing Corporation, Greater Ukiah Chamber of Commerce, West Business Development Center, Mendocino Private Industry Council, Mendocino County, and other groups and organizations working to promote Ukiah's economic development. Following completion of the Economic Development Strategy, the City shall review and update the Strategy every five years.	ED – 1.4	City Manager Community Development	■				

A.3 Mobility Element

GOALS AND POLICIES

MOB-1 To provide a citywide network of complete streets that meet the needs of all users, including pedestrians, bicyclists, motorists, transit, movers of commercial goods, children, seniors, and persons with disabilities.

MOB-1.1 Complete Streets. The City shall design streets holistically, using a complete streets approach, which considers pedestrians, bicyclists, motorists, transit users, and other modes together to adequately serve future land uses.

MOB-1.2 Multi-modal Access. The City shall require that all new development and redevelopment projects include provisions for multi-modal access provisions such as pedestrian and bicycle facilities, and vehicle and transit where relevant.

MOB-1.3 Reallocate Space for Complete Streets. The City shall reallocate roadway space to allow complete streets improvements on streets with excess traffic capacity.

MOB-1.4 Block Length. The City shall limit block lengths to 600 feet wherever feasible to enhance multi-modal circulation and connectivity.

MOB-1.5 Balance Transportation Spending. The City will provide funding for transportation improvements for each of the key travel modes to support the long-term viability and safety of each mode, as well as required maintenance.

MOB-1.6 Roundabouts. The City shall consider the installation of roundabouts to enhance safety at intersections, and as a key component of Ukiah's sustainability strategy.

MOB-1.7 Land Use and Street Classification Compatibility. The City shall ensure that General Plan land use density and intensity standards are compatible with the classification of streets from which the land uses are accessed.

MOB-1.8 New Development and Complete Streets. The City shall require all new development to provide adequate access for pedestrians, bicyclists, motorists, transit users, and persons with disabilities, as well as facilities necessary to support the City's goal of maintaining a complete street network.

MOB-1.9 Bikeway Network . The City shall strive to complete the citywide bicycle network to create a full network of bicycle facilities throughout Ukiah, including bicycle lanes on all arterial and collector street segments where feasible.

MOB-1.10 Bicycle Parking Standards. The City shall maintain efficient and updated parking standards for bicycle parking to ensure development provides adequate bicycle parking, while reducing reliance on automobiles.

MOB-1.11 Pedestrian Barriers & Utility Relocation. The City shall support elimination of barriers to pedestrian travel on sidewalks and walking paths including requiring the relocation or undergrounding of utilities where appropriate.

Vehicle Miles Traveled

MOB-2 To reduce vehicle miles traveled (VMT) to and from residences, jobs and commercial uses in Ukiah.

MOB-2.1 Vehicle Miles Traveled (VMT) Reduction. The City shall support development and transportation improvements that help reduce VMT below regional averages on a "residential per capita" and "per employee" basis.

MOB-2.2 Transportation Demand Management. The City shall support programs to reduce vehicle trips, including measures such as reduced parking requirements that aim to increase transit use, car-pooling, bicycling and walking.

MOB-2.3 Pedestrian Facilities . The City shall encourage new development and redevelopment that increases connectivity through direct and safe pedestrian connections to public amenities, neighborhoods, shopping and employment destinations throughout the City.

MOB-2.4 Transit Facility Design. The City shall require new development to include facilities designed to make public transportation convenient.

MOB-2.5 Transit Ridership. The City shall support funding and incentives to increase transit ridership opportunities.

MOB-2.6 Downtown Transit Center. The City shall support creation of a Transit Center.

MOB-2.7 Bicycle Accessible Transit. The City shall encourage the MTA and other public transportation providers to make bus routes connecting Ukiah with other areas bicycle accessible.

Transportation Safety and Planning

MOB-3 To provide a safe transportation system that eliminates traffic-related fatalities and reduces non-fatal injury collisions.

MOB-3.1 Safety Improvements. The City shall provide safety improvements along high-injury and fatality streets and intersections.

MOB-3.2 Safe Routes to Schools . The City shall promote Safe Routes to Schools programs for all schools serving the City.

MOB-3.3 Safety and Traffic Calming. The City shall use traffic calming methods within residential and mixed-use areas, where necessary, to create a pedestrian-friendly circulation system.

MOB-3.4 Safety Considerations. The City shall ensure that planned non- transportation capital improvement projects, on or near a roadway, consider safety for all travel modes during construction and upon completion.

MOB-3.5 Community Engagement . The City shall engage the community in promoting safe walking and bicycling through education and outreach.

MOB-3.6 Emergency Access. The City shall work with the Ukiah Valley Fire Authority to address street design and the accessibility required for emergency vehicles.

MOB-3.7 Video Enforcement. The City shall consider the use of video surveillance for traffic enforcement.

MOB-3.8 Truck Traffic in Residential Areas. The City shall discourage truck traffic on local residential streets to increase safety and reduce noise.

Transportation and Mobility Needs

MOB-4 To maintain an ongoing periodic evaluation process to inventory transportation and mobility needs.

MOB-4.1 Multi-modal Transportation Studies. The City shall conduct multi-modal transportation studies in association with required updates to the Regional Transportation Plan to update the General Plan and appropriately update and amend the Mobility Element.

MOB-4.2 Transportation Performance Measures .The City shall evaluate transportation performance holistically, taking into consideration multi-modal system performance measures that emphasize the efficient movement of people.

MOB-4.3 Safety Monitoring . The City shall monitor high-priority corridors and intersections to better understand the potential for safety improvements.

MOB-4.4 Level of Service. The City shall use peak-hour traffic level of service (LOS) to consider whether a street or intersection has adequate remaining capacity to service the traffic generated by a proposed project, except that meeting traffic LOS goals should not occur in a manner that would limit travel by other modes or result in increased VMT.

MOB-4.5 Peak Hour Traffic LOS Goals. The City shall adopt the following intersection peak hour traffic Level of Service (LOS) goals to guide street network planning (but not to be used for assessing CEQA impacts):

- a) At intersections with signals, roundabouts or four-way stop signs: operation at LOS D, except where pedestrian volumes are high in which case LOS E may be acceptable.
- b) At intersections with stop signs on side streets only: operation at LOS E, except where side streets have very low traffic volumes, in which case LOS F conditions may be acceptable.

MOB-4.6 Alternate Access Routes. The City shall explore the feasibility of establishing alternate north/south and east/west access routes.

MOB-4.7 Meet Future Travel Demand. The City shall extend existing streets or construct new streets as needed to meet existing and future travel demands

Parking

MOB-5 To promote a balance of multi-modal options, to be reflected in flexible parking regulations.

MOB-5.1. Incentives for Travel Alternatives. The City shall work with downtown businesses and employers reduce the need for and expenses of off-street parking by supporting and encouraging alternatives to single-occupant vehicles such as incentives and priority parking for carpools and vanpools, secure bicycle parking, and free bus passes.

MOB-5.2 Support for Charging Stations. The City shall support the provision of charging stations for electric vehicles, as well as other types of vehicles, as new technologies emerge.

Aviation

MOB-6 To promote the Ukiah Municipal Airport for the Community's benefit and provide for the airport's long-term viability, including ensuring future development considered by the 2040 Ukiah General Plan is consistent with the Ukiah Municipal Airport Land Use Compatibility Plan (UKIALUCP).

MOB-6.1 Airport Promotion. The City shall ensure that the airport is a key part of the City's economic development strategy and promotional efforts.

MOB-6.2 Uniform Airport Area Development Regulations. The City shall coordinate with the County to develop a similar or duplicate implementing code for development in and around the airport.

MOB-6.3 Infill Policy for Compatibility Zones. The City shall work collaboratively with the County to develop an In-fill Policy within the Municipal Airport Compatibility Zones.

A.4 Public Facilities, Services, and Infrastructure Element

GOALS AND POLICIES

Water

PFS-1 To maintain a safe and adequate water system to meet the needs of existing and future development.

PFS-1.1 Water Service Annexation Impacts. The City shall ensure newly annexed areas within the city do not negatively affect water services to existing customers.

PFS-1.2 Russian River Water Rights. The City shall protect and confirm all Russian River tributary water rights to which the Ukiah Valley and City may be entitled.

PFS-1.3 Consolidation of Water Districts . The City shall support the consolidation of water districts as part of future annexations to establish efficient services and ensure adequate water supply and delivery.

PFS-1.4 Water Storage. The City shall encourage the protection and expansion of existing sources and methods of water storage for future development.

PFS-1.5 Recycled Water Project. The City shall explore the potential expansion of the Recycled Water Project to provide non-potable water to areas of large-scale urban irrigation, such as Todd Grove Park and the golf course.

PFS-1.6 Reduce Reliance on the Russian River. The City shall continue to support the reduction on the reliance of surface water from the Russian River as a water source to serve the community.

PFS-1.7 Groundwater Recharge. The City shall enhance groundwater supply by looking to expand its capacity to recharge by developing storm ponding and retention basins where feasible. In some areas these ponds or basins can be incorporated into a recreational area, used as wildlife habitat area, or may be required by new development to offset impacts associated with new nonpermeable surfaces.

Wastewater

PFS-2 To maintain quality wastewater treatment and disposal services to meet the needs of existing and future development.

PFS-2.1 Level of Service. The City shall maintain an adequate level of service in the City's wastewater collection, treatment, and disposal system to meet the needs of existing and projected development and all State and Federal regulations.

PFS-2.2 Wastewater System Funding. The City shall ensure that the wastewater collection, treatment, and disposal system has adequate funds and programs for maintenance, upgrades when required, and day-to-day operations.

PFS-2.3 Wastewater Service Coordination. The City shall coordinate with the Ukiah Valley Sanitation District to ensure ongoing wastewater treatment capacity within the wastewater treatment plant for future development.

PFS-2.4 Ukiah Valley Sanitation District . The City should collaborate with Ukiah Valley Sanitation District to ensure adequate wastewater collection and treatment is provided to properties within City limits and their jurisdictional boundaries.

PFS-2.5 Out of Area Service Agreements. The City shall require out of service area agreements in rural areas where the Ukiah Valley Sanitation District cannot feasibly provide wastewater services.

PFS-2.6 Wastewater Service Capacity. The City shall ensure there is adequate wastewater service capacity prior to annexation of additional land.

PFS-2.7 Protect Groundwater Quality . The City shall preserve and protect groundwater quality through the implementation of best practices and innovative methods for modern wastewater disposal.

Solid Waste, Composting and Recycling

PFS-3 To ensure adequate solid waste, recycling, and composting services and maximize waste diversion from landfills.

PFS-3.1 Solid Waste Diversion Targets. The City shall encourage increased community participation in recycling and composting programs and weekly collection of recyclables and organic waste to achieve 85 percent diversion for community waste and municipal operations by 2030.

PFS-3.2 Waste Management Services. The City shall continue waste management service contracts to provide quality and cost-effective solid waste removal throughout the city and require all residents and businesses to comply with solid waste collection and recycling service requirements.

PFS-3.3 Construction and Demolition Waste. The City shall require all new development to comply with the current CALGreen requirements for construction and demolition waste diversion.

PFS-3.4 Recycling Receptacles and Biodegradable/Recycled-Materials Products. The City shall require the availability of recycling and composting receptacles and use biodegradable or recycled-material products instead of single-use plastic products at all City facilities and City-sponsored events.

PFS-3.5 Sustainable Purchasing Policy. The City shall prioritize purchasing products that are environmentally friendly; made with postconsumer recycled content; are recyclable, compostable, or reusable; are less toxic than conventional goods; are manufactured locally; and are fairly traded.

PFS-3.6 Waste Reduction Education. The City shall collaborate and partner with local organizations to provide waste reduction education programs to residents and businesses.

PFS-4 To enforce Citywide codes and ordinances, with special attention regarding private property maintenance, abandoned vehicles, rubbish/weeds, and public nuisances.

PFS-4.1 Solid Waste Diversion Targets. The City shall provide adequate staffing to support code enforcement efforts to the extent financially feasible.

Stormwater Management

PFS-5 To maintain an adequate stormwater management system to accommodate runoff and improve environmental quality.

PFS-5.1 Low Impact Development . The City shall require new developments to install green infrastructure consistent with Stormwater Low Impact Development Technical Design Manual and the sustainable objectives of the State and the North Coast Regional Water Quality Control Board, including but not limited to pervious pavement, infiltration basins, raingardens, green roofs, rainwater harvesting systems, and other types of low impact development (LID).

PFS-5.2 Pollutants Discharge Reduction. The City shall provide non-point source pollution control programs to reduce and control the discharge of pollutants into the storm drain system and Russian River.

Utilities and Energy

PFS-6 Improve the efficiency and quality of utility services in the city.

PFS-6.1 New Initiatives. The City shall support innovative, sustainable, and alternative practices and technologies for delivering energy and utility services to the community.

PFS-6.2 Undergrounding Utilities . The City shall encourage the conversion of overhead transmission and distribution lines to underground as economically feasible.

PFS-6.3 Energy Efficiency Education . The City shall support education for residents and businesses on the importance of energy efficiency.

PFS-6.4 Energy Efficient Municipal Buildings. The City shall require municipal and public buildings to operate at the highest energy efficiency level economically and operationally feasible.

PFS-6.5 Privately-Owned Building Retrofits . The City shall promote retrofitting of privately-owned buildings to increase energy efficiency.

PFS-6.6 Local Power Generation. The City shall support local power generation and production that is economically and operationally feasible.

PFS-7 To ensure a safe and resilient utility and infrastructure system.

PFS-7.1 Resilient Electric Grid. The City shall explore options for hardening the electric grid to continue to provide ongoing service to the community without disruption caused by natural (seismic events, flooding, wildfires, extreme wind events) or man-made hazards.

PFS-7.2 Vegetation Clearance. The City shall require vegetation clearance and tree trimming adjacent to transmission and distribution lines and other critical electrical infrastructure.

PFS-7.3 Electric Infrastructure Upgrades. The City shall implement electrical infrastructure upgrades as outlined in the Ukiah Wildfire Mitigation Plan to reduce the risk of wildfires.

PFS-8 To transition to sustainable and renewable energy.

PFS-8.1 Utility Sustainability. The City shall continue to expand alternative, sustainable electric energy use.

PFS-8.2 Sustainable Design and Energy Efficiency . The City shall encourage the site planning and design of new buildings to maximize energy efficiency.

PFS-8.3 Solar Photovoltaic Use. The City shall encourage solar photovoltaic systems for existing residential uses to reduce the reliance on the energy grid.

PFS-8.4 Residential Electric Appliances. The City shall encourage the use of electric appliances and utility hook-ups in all new residential development.

PFS-8.5 LEED Certification. The City shall encourage new construction, including municipal building construction, to achieve third-party green building certifications, such as LEED rating system, or an equivalent.

PFS-8.6 Incentivize Energy Efficiency . The City shall consider providing incentives, such as prioritizing plan review, permit processing, and field inspection services, for energy efficient building projects.

Fire Protection and Emergency Response

PFS-9 To maintain effective, fast, and dependable fire protection and emergency medical response in Ukiah.

PFS-9.1 Emergency Medical Services. The City shall coordinate emergency medical services between agencies servicing the city.

PFS-9.2 Fire Prevention . The City shall require all new development to include provisions for onsite fire suppression measures and/or management of surrounding vegetation to provide minimum clearance between structures and vegetation.

PFS-9.3 Interagency Coordination . The City shall coordinate with Cal Fire and the Ukiah Valley Fire Authority regarding the fire protection and wildfire safety standards.

Law Enforcement

PFS-10 To provide high-quality public safety and crime reduction services to maintain a safe and secure community.

PFS-10.1 Police Staffing. The City shall prioritize the maintenance of Police Department staffing levels in line with community needs.

PFS-10.2 Interagency Coordination. The City shall coordinate with the Mendocino County Sherriff's Office on joint operations and services.

PFS-10.3 Community Policing Strategies. The City shall promote community policing strategies that strengthen trust and collaboration with the residents of Ukiah, including those of all races, ethnicities, and cultural backgrounds, economic status, sexual orientation, and disabilities, and ensure public safety through meaningful cooperation and problem-solving techniques.

PFS-10.4 School Safety. The City shall collaborate with the Ukiah Unified School District to enhance school security and student, teacher, and administrator safety.

PFS-10.5 Public Safety Communications. The City shall use a variety of communication methods (e.g., social media, text messaging, television and radio alerts, website postings) to communicate and inform residents and businesses about crimes, investigations, and emergencies.

Community Facilities

PFS-11 To ensure adequate community facilities. (Source: Existing GP Goal CF-10, modified) .

PFS-11.1 Adequate Community Facilities . The City shall develop or identify adequate and appropriate community facilities for public meetings and cultural activities.

PFS-11.2 Joint-Use Facilities . The City shall partner with Mendocino County and the Ukiah Unified School District to provide joint-use facilities.

Parks and Recreation

PFS-12 To provide parks, recreational facilities, and trails for residents and visitors.

PFS-12.1 Connected Park System. The City shall provide an interconnected park system that creates an urban greenbelt and links all trail systems within the City.

PFS-12.2 Expansion of Recreational Amenities and Programs. The City shall expand amenities and recreational programs in parks and recreational facilities that accommodate a variety of ages and address the needs of families.

PFS-12.3 Equitable Access to Parks and Recreation Facilities . The City shall establish new parks and recreation facilities to ensure all residents have access within a one-mile radius of their place of residence regardless of socio-economic status.

PFS-12.4 Access for Persons with Disabilities. The City shall design all parks and recreation facilities to have adequate access for those with accessibility issues.

PFS-12.5 Park Visibility. The City shall assure that all parks are visible from the public right-of-way when possible and remain clear of visual obstructions that reduce visual connections for safety concerns.

PFS-12.6 Park Safety. The City Police Department shall patrol and secure parks and recreational facilities from potential crime and misuse.

PFS-12.7 Great Redwood Trail – Ukiah. The City shall support the continued phased development of the Great Redwood Trail through and beyond the city limits, to connect adjoining regional trail networks.

PFS-12.8 Collaborative Partnerships for Improved Services. The City shall work with Mendocino County, Ukiah schools, and other large land or facility owners to establish and maintain partnerships to improve access and maintenance to parks and recreation.

Education

PFS-13 To ensure high-quality educational institutions for all community members that foster diversity and educational attainment.

PFS-13.1 Consideration of Impacts. The City shall consider potential impacts on the Ukiah Unified School District during the review of new development projects.

PFS-13.2 Planning for Future Growth. The City shall collaborate with Ukiah Unified School District in its long-range planning efforts to ensure the adequacy of school facilities to serve new development.

PFS-13.3 School Siting Coordination. The City shall coordinate with Ukiah Unified School District on the future location of schools in relation to transportation and land use plans and seek to avoid traffic impacts and facilitate joint use of community parks and other public facilities by schools.

Lifelong Learning

PFS-14 To enhance the educational support system serving the City to the benefit of all residents, regardless of age and location within the community.

PFS-14.1 Implementing Continuing Education. The City should encourage Mendocino College, local vocational schools, and technical training institutes to maintain and improve continuing education courses and certificate programs, including opportunities for on-line learning.

Healthy Community

PFS-15 To ensure all residents have access to healthy lifestyle options.

PFS-15.1 Alcohol and Tobacco Sales. The City shall study the feasibility of establishing zoning code provisions limiting the location and concentration of businesses selling alcohol and tobacco near sensitive land uses.

PFS-15.2 Healthy Food Options. The City shall support programs that guide healthy food options in the community.

PFS-15.3 Support Government-Issued Vouchers. The City shall support the acceptance of Government-issued food vouchers (such as WIC and Cal FRESH) via an Electronic Benefit Transfer (EBT) card at food retailers and farmers markets.

PFS-15.4 Vending Machine Options. The City shall support healthy food options for vending machines in City-owned and leased locations.

PFS-15.5 Healthy Food at Government-sponsored Events. The City shall support the provision of healthy foods at City-sponsored meetings and events when food is provided.

PFS-15.6 Healthy Homes. The City shall promote green building practices that support “healthy homes,” such as low VOC materials, environmental tobacco smoke control, and indoor air quality construction pollution prevention techniques.

A.5 Environment and Sustainability Element

GOALS AND POLICIES

Open Space

ENV-1 Preserve open space land for the commercial agricultural and productive uses, the protection and use of natural resources, the enjoyment of scenic beauty and recreation, protection of tribal resources, and the protection from natural hazards.

ENV-1.1 Landscaping Compatibility. The City shall require landscaping in new development to be compatible with preservation and restoration goals of open space management and native vegetation.

ENV-1.2 Open Space Management. The City shall manage and maintain City-owned open spaces to preserve the integrity of these public spaces.

ENV-1.3 Open Space and Renewable Energy Production. The City shall seek, where feasible, to develop renewable energy production within City-owned open space.

ENV-2 To maintain and enhance the urban forest to create a sense of urban space and cohesiveness with the surrounding natural environment.

ENV-2.1 Tree Preservation. The City shall update and maintain City tree inventories to support landmark trees preservation and urban biodiversity, including trees designated for streets and parking lots, and city facilities. The City shall also prepare an Urban Forest Master Plan, review its Tree Management Guidelines and study the feasibility of preparing a Tree Protection Ordinance.

ENV-2.2 Protect Healthy Trees. The City shall review new construction and landscaping site plans to ensure that healthy trees are not removed unnecessarily.

ENV-2.3 Accommodation of Trees along Roadways. The City shall ensure future roadway plans accommodate existing and new trees without compromising sidewalk accessibility.

ENV-2.4 Tree Trimming for Fire Prevention. The City shall encourage private tree trimming as a fire hazard mitigation.

Historic-Archeological

ENV-3 To preserve and protect historic and archaeological resources in Ukiah.

ENV-3.1 The City shall support the listing of eligible properties, sites, and structures as potential historic designations and their inclusion in the California Register of Historical Resources and National Register of Historic Places.

ENV-3.2 Archaeological Resource Impact Mitigation. The City shall ensure appropriate and feasible mitigation for new development that has the potential to impact sites likely to contain archaeological, paleontological, cultural, or tribal resources.

ENV-3.3 Protect Archaeological Resources. The City shall require any construction, grading, or other site altering activities cease if cultural, archaeological, paleontological, or cultural resources are discovered during until a qualified professional has completed an evaluation of the site.

ENV-3.4 Tribal Consultation. The City shall proactively engage local Native American tribes in the planning process, particularly when matters related to Native American culture, heritage, resources, or artifacts may be affected.

ENV-3.5 Educational Outreach. The City shall coordinate with the museum to provide education to the public on how to protect sites and structures.

ENV-3.6 City-owned Historic Sites and Structures. The City shall maintain, preserve, and improve City-owned historic structures and sites in an architecturally and environmentally sensitive manner.

ENV-3.7 Adaptive Reuse. The City shall encourage appropriate adaptive reuse of historic resources.

Conservation

ENV-4 To conserve and protect the city's natural woodlands and water resources for future generations.

ENV-4.1 Habitat Preservation. The City shall require new development to preserve and enhance natural areas that serve, or may potentially serve, as habitat for special-status species. Where preservation is not feasible, the City shall require appropriate mitigation.

ENV-4.2 Trail Connectivity. The City shall identify appropriate areas for trails along the ridge line that can be connected to trails in the valley.

ENV-4.3 Interconnected Greenways. The City shall encourage new development to incorporate and facilitate interconnected greenways that support wildlife conservation and recreational purposes.

ENV-4.4 River and Creek Preservation. The City shall work cooperatively with the County and private landowners to develop pedestrian access along creeks flowing through the City where safe and feasible to do so and where it will not cause adverse impacts.

ENV-4.5 Recycled Water. The City shall support efforts to increase recycle water use.

ENV-4.6 Groundwater Protection. The City shall require, for new development that could result in a significant reduction in groundwater recharge area or water quantity, an analysis, prepared by a licensed hydrologist, of the project impacts on groundwater recharge and quality.

ENV-4.7 Water Capturing Permits. The City shall encourage and support residents to have an on-site water capturing system for landscaping and household use.

ENV-4.8 Mitigate Water Resource Pollutants. The City shall protect water quality from adverse impacts of urban and agricultural runoff.

Biological Resources

ENV-5 To ensure the health and viability of the Russian River fisheries and tributaries.

ENV-5.1 Local Collaboratives. The City shall participate in local collaborative efforts to restore and preserve the health of the Russian River as a habitat for riparian species.

ENV-5.2 Community Education. The City shall work with schools' education providers, and non-profit community groups, to organize educational trips, cleanup days, and similar activities that promote involvement with and knowledge of the Russian River habitat.

ENV-5.3 Russian River Riparian Area. The City shall support the County in maintaining the Russian River as a natural riparian corridor.

ENV-6 To preserve and restore creeks, streams, riparian areas, and wetlands.

ENV-6.1 Restoration Master Plans The City shall establish a Creek and Stream Restoration Master Plan for each creek flowing through the City limits.

ENV-6.2 Contamination and Sedimentation Prevention. The City shall require new development to use site preparation, grading, and construction techniques that prevent contamination and sedimentation of creeks and streams.

ENV-6.3 Waterway Restoration. The City shall encourage and provide resources to landowners in the city to remove invasive species, plant native plant species, and prevent pollution from entering local creeks and waterways.

ENV-6.4 Waterway Channelization. The City shall actively support the use of natural waterways within the city by avoiding any new waterway channelization within the city and collaborating with local and regional agencies to restore channelized waterways where feasible.

ENV-6.5 Creek Protection. The City shall require new development located adjacent to stream corridors to include appropriate measures for creek bank stabilization, erosion and sedimentation prevention, and natural creek channel and riparian vegetation preservation.

ENV-6.6 Erosion Control Plans. The City shall require new development that requires significant grading near creeks, streams, wetlands, and riparian areas to prepare erosion control plans that address grading practices that prevent soil erosion, loss of topsoil, and drainageway scour, consistent with biological and aesthetic values.

ENV-6.7 Public Open Space. The City shall work with Mendocino County and the Public Spaces Commission to identify and select appropriate locations along creek channels, hillsides, and ridgelines that would be appropriate for future acquisition and development as trails, pocket parks, wildlife preserves, or other public open space.

ENV-6.8 Research and Educational Access. The City shall work with public and private landowners adjacent to creeks to allow public access to creeks, streams, waterways, and riparian areas for educational and research programs.

Air Quality

ENV-7 To improve air quality to the benefit of public health, welfare, and reduce air quality impacts with adverse effects on residents' health and wellbeing.

ENV-7.1 Transit Oriented Development. The City shall encourage concentration of new development near areas served by transit access and reduce single-occupancy vehicle dependency.

ENV-7.2 Active Transportation. The City shall prioritize pedestrian and bicycle access, infrastructure, and education to encourage increased use of alternative modes of transportation as a means to reduce direct and indirect air contaminant emissions.

ENV-7.3 Implement Clean Air Plan. The City shall cooperate with Mendocino County Air Quality Management District (MCAQMD) to implement the Clean Air Plan required by the Clean Air Act, reduce non-attainment pollutants, including PM₁₀, PM_{2.5}, and ozone, and enforce air quality standards as required by State and Federal statutes.

ENV-7.4 Public Outreach. The City shall cooperate with the MCAQMD and Mendocino County Public Health to create public awareness and education programs about air quality issues and safety measures during hazardous air events.

ENV-7.5 Construction and Operations. The City shall require that development projects incorporate feasible measures that reduce construction and operational emissions for reactive organic gases, nitrogen oxides, and particulate matter (PM₁₀ and PM_{2.5}).

ENV-7.6 Wood Burning Fireplace Replacement. The City shall promote the replacement of non-EPA certified fireplaces and woodstoves and encourage city residents to participate in MCAQMD and NSCAPCD programs, such as the Wood Stove Rebate Program.

ENV-7.7 City Vehicle and Equipment Fleet. The City shall continue to purchase low-emission vehicles and use clean alternative fuels as part of their fleet. When possible, the City will replace gas and hybrid vehicles with electric vehicles.

ENV-7.8 Residential EV Charging Stations. The City shall encourage new development to install EV charging stations in homes to increase the potential for the public to use zero-emission vehicles, lessening the impacts to air quality through pollution.

ENV-7.9 Public EV Charging Stations. The City shall install public charging stations in its commercial areas to provide additional charging options for city visitors.

Climate Change and Sustainability

ENV-8 To achieve carbon neutrality by or before the year 2045.

ENV-8.1 Carbon Neutrality Resolution. The City shall adopt a Carbon Neutrality Resolution that provides a foundation for all subsequent climate actions.

ENV-8.2 Micro-grid and Small Battery Storage. The City shall encourage the development of small-scale battery storage and micro grid capacity for storing renewable power for nighttime energy use.

ENV-8.3 Municipal Building Electrification Plan. The City shall adopt an electrification plan for all municipal buildings to convert them to all electric using energy from carbon-free and renewable sources by 2035.

ENV-8.4 Municipal Preference of Emissions-Reduced Equipment. The City shall contract only with providers who use electric-powered equipment where available and feasible for City construction projects or contract services.

ENV-8.5 Energy Conservation and Renewable Energy. The City shall promote energy conservation in municipal facilities by seeking opportunities to install energy efficient fixtures and appliances, solar panels, solar battery storage, and other retrofits to new and existing structures.

ENV-9 To become a zero-waste community through responsible procurement, waste diversion, and innovative strategies.

ENV-9.1 Zero Waste. The City shall promote innovative activities that reduce waste and increase waste diversion, including sourcing products with reusable, recyclable, or compostable packaging; establishing food diversion programs; gasification, and promoting and educating on waste diversion and its importance.

ENV-9.2 Household Waste Programs. The City shall provide convenient, easy-to-use bulky item and household hazardous waste programs that facilitate the reuse and recycling of materials.

A.6 Safety Element

GOALS AND POLICIES

Geologic and Seismic Hazards

SAF-1 Minimize risk to people and property resulting from geologic and seismic hazards through effective development regulation.

SAF-1.1 Building Code Requirements. The City shall mitigate the potential impact for harm associated with geologic hazards by adopting and implementing the requirements outlined within the California Building Code and State seismic design guidelines.

SAF-1.2 Geotechnical Report. Where projects are proposed within designated risk zones, require professionally prepared geotechnical evaluations prior to site development. If a discretionary permit is required, the geotechnical report shall be submitted with the permit application.

SAF-1.3 Resilient Infrastructure – Gathering Places. Encourage privately owned critical facilities (e.g. churches, hotels, other gathering facilities) to evaluate the ability of the buildings to withstand earthquakes and to address any deficiencies identified.

SAF-1.4 Resilient Infrastructure – Unreinforced Masonry. Continue an outreach and education program for owners and tenants in downtown unreinforced masonry buildings to understand earthquake risks and precautions and, for owners, to understand retrofitting options and available funding mechanisms.

Climate Change Hazards

SAF-2 To create a more resilient community that is prepared for, responsive to, and recoverable from hazards created or made worse by climate change.

SAF-2.1 Community Service Organization Coordination. The City shall collaborate with community service organizations to ensure that the information and services related to emergency preparedness are made available to persons with limited transportation, communication, and other lifeline resources and services.

SAF-2.2 Vulnerable Populations Coordination. The City shall coordinate with the Mendocino County Homeless Services Continuum of Care and other existing programs to ensure that emergency shelters are available during extreme heat events, severe weather and flooding events, and other highly hazardous conditions.

Flood Hazards

SAF-3 Minimize adverse impacts related to flooding through flood mitigation components and ongoing flood management practices.

SAF-3.1 Flood Control Regulation. The City shall coordinate with FEMA to ensure that the City's regulations related to flood control are in compliance with Federal, State, and local guidelines.

SAF-3.2 Flood Plain Management Ordinance. The City shall maintain an updated Flood Plain Management Ordinance specifying proper construction methods in identified flood hazard areas.

SAF-3.3 National Flood Insurance Program. The City shall maintain compliance with the provisions of FEMA's National Flood Insurance Program (NFIP).

Wildfire

SAF-4 To maintain adequate and effective fire protection services for Ukiah.

SAF-4.1 Fire Service Rating. The City shall optimize the ISO ratings of the Ukiah Valley Fire Authority to Class 1 by prioritizing agency needs and balancing cost/quality trade-offs.

SAF-4.2 Fire Service Funding. The City shall explore opportunities for increased funding for the Ukiah Valley Fire Authority in order to expand services appropriately.

SAF-4.3 Fire Protection Resources. The City shall foster cooperative working relationships with public fire agencies, including CAL FIRE, to optimize fire protection resources within Ukiah.

SAF-4.4 Mutual Aid Participation. The City shall participate in mutual aid systems and agreements to supplement the capacity of the Ukiah Valley Fire Authority.

SAF-4.5 Regional Fire Protection Plans. The City shall coordinate with CAL FIRE and the Mendocino County Fire Safe Council to implement and regularly update regional fire protection plans.

SAF-4.6 Local Fire Protection Plans. The City shall coordinate with the Ukiah Valley Fire Authority to continue developing local fire protection planning and programs particularly for new development in VHFHSZs.

SAF-5 To minimize wildland fire risk to protect life and property.

SAF-5.1 Public Facilities Hazard Mitigation. The City shall to the extent possible, ensure that future public facilities are not located in Very High Fire Hazard Severity Zones or in an area lacking service. If facilities are located within Very High Fire Hazard Severity Zones the City shall reduce the hazard potential by requiring the incorporation of hazard mitigation measures during planned improvements. If facilities are proposed in areas lacking existing service, service shall be expanded to such areas to provide adequate fire protection.

SAF-5.2 Vegetation and Fuel Management. The City shall require that structures located in the Very High Fire Hazard Severity zone maintain the required hazardous vegetation and fuel management specified within the California Fire Code and Public Resources Code 4291.

SAF-5.3 Evacuation Routes. The City shall identify and maintain adequate evacuation routes in the city to safeguard human life in the case of fire. Evacuation routes shall be analyzed for their capacity, safety, and viability under a range of emergency scenarios in accordance with Assembly Bill 747. Evacuation routes within VHFHSZs shall be developed in accordance with SRA Fire Safe Regulations (Title 14, Division 1.5), and residential development in VHFHSZs that do not have at least two emergency evacuation routes shall also be identified in accordance with Senate Bill 99.

SAF-5.4 Roadway Vegetation Clearance. The City shall maintain an adequate vegetation clearance on public and private roads to mitigate wildfire hazards.

SAF-5.5 Fuel Breaks. The City shall prioritize increasing funding for and the maintenance of appropriate fuel breaks, reductions, and pest management in high fire hazard areas to prevent the spread of fire and limit potential damages.

SAF-5.6 Water Supply Infrastructure. The City shall regularly assess the integrity of for existing and proposed development to ensure adequate fire suppression needs are met.

SAF-5.7 Local Fire Ordinance. The City shall adopt and maintain a local fire ordinance in compliance with the Statewide SRA Fire Safety Regulations, including but not limited to, Public Resources Code 4291.

SAF-5.8 Site Design Standards for Fire Hazard Reduction. The City shall prioritize the maintenance and update of stringent site design standards (such as those contained within the Hillside Overlay District) to reduce potential fire

hazard risk, particularly within VHFHSZs, and ensure that new development maintains adequate access (ingress, egress). New residential development with VHFHSZs should be minimized.

SAF-5.9 Site Design Standards for Fire Hazard Reduction. The City shall prioritize the maintenance and update of stringent site design standards to reduce potential fire hazard risk.

SAF-5.10 Adequate Water Supply Infrastructure. All new development shall have adequate fire protection resources. The City shall prioritize new development in areas with adequate water supply infrastructure. This shall include providing information to at-risk populations related to evacuation routes and wildfire evacuation events, defensible space, fire hazard impacts (such as structural damage, wildfire smoke, etc.), fire prevention measures, and structural hardening.

SAF-5.11 Fire Safety Education Programs. The City shall coordinate with the Ukiah Valley Fire Authority to inform property owners and residents of the most recent best practices in building and land management and fire safety measures to protect people and property from fire hazards.

SAF-6 To ensure that the City is adequately prepared for emergencies of any variety through effective planning measures.

SAF-6.1 Evacuation Routes. The City shall coordinate with the Ukiah Valley Fire Authority to review, update, and periodically exercise emergency access, protocols, and evacuation routes to assess their effectiveness.

SAF-6.2 Hazard Mitigation Plan. The City shall continue to participate in and implement the Mendocino County Hazard Mitigation Plan to ensure maximum preparedness for hazard events.

SAF-6.3 Locally Focused Plans. The City shall maintain and implement locally focused plans, including an Emergency Operations Plan, to maintain consistency with State and Federal requirements. This shall include developing a plan for repopulation and redevelopment after large disaster events.

Noise

SAF-7 To stabilize or reduce transportation noise impacts on residential uses.

SAF-7.1 Noise Inventory. The City shall inventory noise contours for major traffic corridors and the airport.

SAF-7.2 Sound Attenuation Strategies. The City shall require all new residential development located along major transportation corridors to incorporate sound attenuation strategies to mitigate noise levels to acceptable levels.

SAF-7.3 Airport Noise Disclosure. The City shall require disclosure of potential airport noise impacts for property transactions located within the 55 to 65 decibal airport noise contours.

SAF-7.4 Airport Noise Attenuation. The City shall require the incorporation of sound reducing measures in all new construction in the airport compatibility zones, consistent with the Ukiah Municipal Airport Master Plan.

SAF-7.5 Roadway Expansion. The City shall require the use of accepted acoustic engineering features when designing for the expansion of existing roads examples include low landscaped berms, landscaping, below-grade construction, and speed control - to minimize expansion of the existing Design to Cost (DTC).

SAF-7.6 Noise Equipment. The City shall require that commercial passenger service aircraft comply with the best available noise equipment standards to reduce noise impacts on the ground.

SAF-8 To reduce noise impacts through the enforcement of appropriate building and land use codes.

SAF-8.1 Update Noise Attenuation Standards. The City shall review and update Article 6 of the City Municipal Code to ensure enforcement of best practices for noise attenuation standards.

SAF-8.2 Noise Impact Analysis. The City shall ensure adequate analysis of noise impacts when reviewing project permits.

SAF-8.3 Noise Attenuation Requirements. The City shall require all new commercial and manufacturing uses that could produce excessive noise to incorporate applicable noise mitigation measures to reduce noise levels to acceptable levels.

SAF-8.4 Acoustical Studies. The City shall require acoustical studies for all new development projects with potential to generate excessive noise to identify potential noise impacts and appropriate mitigation measures.

A.7 Agriculture Element

GOALS AND POLICIES

AG-1 To preserve and strengthen agricultural uses in and around Ukiah that influence the regional economy.

AG-1.1 Reduce Agricultural/Urban Conflict . The City shall reduce conflict between incompatible uses and agriculture within and adjacent to the City.

AG-1.2 Preserve Agricultural Lands. With the exception of presently proposed or approved subdivisions, the City shall discourage urban development on unincorporated land within its Sphere of Influence until annexed by the City. The City shall support County land use regulations that protect the viability of local agriculture in the Ukiah Valley.

AG-1.3 Plan Together. The City shall identify and involve stakeholders, as well as advisors with knowledge and expertise, to create and implement a comprehensive planning framework that preserves and strengthens agricultural uses in and around Ukiah that inform and influence the regional economy.

AG-2 To create a healthy, equitable and resilient local-food system that further integrates agriculture into the City's identity.

AG-2.4 Backyard Food The City shall allow and encourage residents to undertake supplementary local agriculture, including backyard gardens, apiaries, poultry, and 'foodscaping'. Examples include community, school, backyard, and rooftop gardens with a purpose extending beyond home consumption and education.

AG-2.5 Buy Local, Enjoy Local. The City shall encourage additional farmer and community markets, food trucks, and farm stands to support production, distribution, and sale of locally grown foods and continue to support community-based food production and local, nutritious food by working with local landowners for the creation of additional community gardens.

AG-2.6 Support Gardeners. The City shall coordinate with the University of California Cooperative Extension (UCCE) Mendocino County Master Gardener Program, to connect city residents with backyard gardening knowledge.

AG-2.7 Farmer's Markets. In conjunction with the Mendocino County Farmers Market Association, the City shall research and identify additional ways to support the sale of local produce and goods at farmers markets within the City of Ukiah.

AG-3 Help existing agricultural stakeholders move 'Beyond the Farm'.

AG-3.1 Establish Infrastructure to Grow the Agricultural Economy. The City shall support existing agriculture operators by encouraging a diverse, vibrant, and innovative agriculture economy that creates new opportunities and products from regional producers. In conjunction with stakeholders, the City shall encourage the creation of agricultural business incubators, shared kitchens, and workforce development programs that create locations to strengthen agricultural operators within the region.

AG-3.2 Agritourism. The City shall support expansion of the agricultural tourism industry by assessing utilization use of tourism facilities (e.g., hospitality, restaurants, etc.), as well as supporting efforts to plan and integrate the Great Redwood Trail into the agricultural economy.

AG-3.3 University Research. The City shall encourage research, particularly at the University of California Cooperative Extension, pertinent to the Ukiah Valley to identify new potential uses and enhancement for existing agricultural industries, especially pomology, 'forestry, livestock, 'and viticulture.

A.8 Housing Element (2019-2027)

GOALS AND POLICIES

Goal H-1 Conserve, rehabilitate, and improve the existing housing stock to provide adequate, safe, sustainable, and decent housing for all Ukiah residents.

Policy 1-1: Encourage the rehabilitation of existing residential units.

Policy 1-2: Promote the use of sustainable and/or renewable materials and energy technologies (such as solar and wind) in rehabilitated housing and new housing construction; and reduce greenhouse gas emissions.

Policy 1-3: Preserve at-risk housing units.

Policy 1-4: Promote increased awareness among property owners and residents of the importance of property maintenance to long-term housing quality.

Policy 1-5: Continue to implement effective crime prevention activities.

Goal H-2 Expand housing opportunities for all economic segments of the community, including special needs populations.

Policy 2-1: Continue to allow placement of manufactured housing units on permanent foundations in residential zoning districts.

Policy 2-2: Encourage the development of a variety of different types of housing.

Policy 2-3: Ensure that adequate residentially designated land is available to accommodate the City's share of the Regional Housing Need. In order to mitigate the loss of affordable housing units, require new housing developments to replace all affordable housing units lost due to new development.

Policy 2-4: Pursue State and Federal funding for very low, low, and moderate income housing developments.

Policy 2-5: Facilitate the production of housing for all segments of the Ukiah population, including those with special needs.

Policy 2-6: Expand affordable housing opportunities for first time homebuyers.

Goal H-3 Remove governmental constraints to infill housing development.

Policy 3-1: Improve building and planning permit processing for residential construction.

Policy 3-2: Encourage the use of density bonuses and provide other regulatory concessions to facilitate housing development.

Policy 3-3: Encourage the development of mixed residential and commercial uses in the commercial zoning districts where the viability of the commercial activities would not be adversely affected.

Goal H-4 Promote well-planned and designed housing opportunities and projects for all persons, regardless of race, gender, age, sexual orientation, marital status, or national origin.

Policy 4-1: Promote fair housing practices in the sale or rental of housing with regard to race, color, national origin, ancestry, religion, disability/medical conditions, sex, age, marital status, familial status, source of income, sexual orientation/gender identify, or any other arbitrary factors.

Policy 4-2: Promote and facilitate community awareness of the City of Ukiah's goals, tools, available resources and programs for lower income households.

Goal H-5 Provide support for future housing needs.

Policy 5-1: Pursue annexation efforts that lead to an orderly expansion of growth, where services are adequate for future residential development.

Policy 5-2: Continue to encourage and facilitate public participation in the formulation and review of the City's housing and development policies.

Policy 5-3: Assume a leadership role in the development of all types of housing in the community.

Implementing Programs	Responsible Department(s)	Schedule
1a Implement a residential rehabilitation program. Emphasize rehabilitation of mobile homes, detached single-family dwelling units, and lower-income multifamily housing projects. Prioritize funding for health and safety repairs, energy efficiency improvements, and ADA accommodations. Assist in completing the rehabilitation of at least 25 lower income housing units in the planning period. Funding: CDBG, HOME, and/or other local, state or federal sources	Community Development Department, Housing Services Division	Ongoing, as funding is available

Implementing Programs	Responsible Department(s)	Schedule
1b Continue the City's Energy Efficiency Public Benefits Fund and renewable energy and energy efficiency rebate programs. Funding: Energy efficiency and renewable energy rebate program funds	Electric Utility Department	Ongoing, as funding is available
1c Support funding or other applications that would preserve/conserve existing mobile home parks. This might include programs such as the Mobile Home Park Rehabilitation and Resident Ownership Program. Funding: N/A – application support through technical assistance.	Community Development Department, Housing Services Division.	Ongoing, as funding is available
1d Continue providing informational materials to the public through the Green Building Information Center and at the public counter. Provide updated information regarding sustainable and green building practices and materials and provide information on the maintenance of residential units. Funding: Departmental budget	Community Development Department, Building Services Division	Ongoing, as funding is available
1e Develop standards and design guidelines for residential development in the Medium Density Residential (R-2) and High Density Residential (R-3), Community Commercial (C-1) and Heavy Commercial (C-2) zoning districts. Given the significant increase in the City's RHNA over the next eight years, the City proposes to create development standards and design guidelines that would both facilitate development at the allowable densities and provide guidance and certainty in design standards to ensure quality housing is developed in the community. Funding: General Funds and/or other funding if available.	Community Development Department, Planning Services Division	Establish development standards and design guidelines by the end of calendar year 2020.

Implementing Programs	Responsible Department(s)	Schedule
1f Develop an At-Risk Units Program. Maintain an inventory of at-risk affordable housing units and work with property owners and non-profit affordable housing organizations to preserve these units by identifying and seeking funds from Federal, State, and local agencies to preserve the units. Funding: Ukiah Housing Trust Fund, CDBG, HOME, and/or other funding sources as available and as needed	Community Development Department, Housing Services Division	Develop At-Risk Program by the end of calendar year 2020.
1g Tenant Education and Assistance for Tenants of At-Risk Projects. Require property owners to give notice to tenants of their intent to opt out of low-income use restrictions. Provide tenants of at-risk units with education regarding tenant rights and conversion procedures. Funding: Departmental budget	Community Development Department, Housing Services Division	Develop education program and notification procedures by June 30, 2020; implement program on an ongoing basis throughout the 2019-2027 planning period.
2a Update the inventory of vacant and underutilized parcels. Make copies of the inventory available on the City's website and at the public counter for distribution. Funding: Departmental budget.	Community Development Department, Planning Services Division	Updated annually, by June 30 of each year; posted on the City's website and at the public counter.
2b Monitor the rate of conversion of primary residences to short-term rental units. Research ordinances limiting short-term rentals and present report to City Council. Funding: General Funds.	Community Development Department, Planning Services Division; City Council.	Develop monitoring program by June 30, 2020; annually track number of short-term rentals and present information along with annual progress report to City Council each year; short-term rental ordinance research report due June 30, 2025

Implementing Programs	Responsible Department(s)	Schedule
2c Monitor the conversion of single-family residential homes to commercial uses. If conversions continue and the City's vacancy rate for homeownership is greater than three percent citywide, the City will design an ordinance that restricts the conversion of single-family residences to commercial uses. Funding: Departmental budget.	Community Development Department, Planning Services Division.	Gather data and report findings to City Council by June 30, 2021.
2d Pursue additional funding sources to augment the Ukiah Housing Trust Fund, creating a permanent source of funding for affordable housing. Utilize funding to develop and support affordable housing programs and projects, providing financial assistance to private developers and nonprofit agencies, principally for the benefit of extremely low-income, very low-income, and low-income households. Prepare and/or support the preparation of at least eight applications for additional funding within the 2019-2027 planning period. Funding: Low- and Moderate-Income Housing Asset Fund; other local, State, and Federal funding sources as they become available.	Community Development Department, Housing Services Division.	Ongoing.
2e Continually engage with a variety of housing developers who specialize in providing housing to each economic segment of the community. This effort is designed to build long-term development partnerships and gain insight into specialized funding sources, particularly in identifying the range of local resources and assistance needed to facilitate the development of housing for extremely low-income (ELI) households and households with special needs, including persons with disabilities and persons with developmental disabilities. This policy is also designed to encourage the production of a variety of housing types, including multi-family supportive, single room occupancy, shared housing, and housing for the "missing middle." Funding: Departmental budget.	Community Development Department, Housing Services Division; City Manager's Office-Economic Development Section	Ongoing community and stakeholder outreach, occurring at least on a quarterly basis and continuing throughout the 2019-2027 planning period.

Implementing Programs	Responsible Department(s)	Schedule
2f Amend the zoning code as follows: Emergency Shelters. The City will amend the Zoning Code to redefine homeless facilities as emergency shelters, according to State Government Code. Transitional/Supportive Housing. Pursuant to SB 2, the City must explicitly allow both supportive and transitional housing in all zones that allow residential uses and supportive and transitional housing is to be only subject to those restrictions applicable to other residential dwellings of the same type in the same zone (note: this is not limited to residential zones). The City will amend the Zoning Code to specifically define transitional/supportive housing as defined in Government Code. Single-Room Occupancy Housing. The City will amend the Zoning Code to allow Single-Room Occupancy (SRO) units in the medium density residential (R-2) and high density residential (R-3) zoning districts for the purpose of increasing the number of units affordable to extremely low, very low, and low-income persons. Manufactured/Factory-Built Homes. The City will amend the Zoning Code to define and allow manufactured and factory-built homes in the same manner and use as all other types of residential dwellings in all zoning districts. Funding: Departmental budget	Community Development Department, Housing Services Division	Complete draft Zoning Code amendments by December 30, 2020; secure adoption by June 30, 2021.
2g Facilitate the consolidation of smaller, multi-family parcels by providing technical assistance to property owners and developers in support of lot consolidation. Research and present a report on possible lot consolidation incentives to the Planning Commission and City Council. Funding: Departmental budget	Community Development Department, Planning Services Division	Present report to Planning Commission and City Council, with recommendations, by June 30, 2026.

Implementing Programs	Responsible Department(s)	Schedule
2h Ensure capacity of adequate sites for meeting RHNA. The City of Ukiah has been assigned a Regional Housing Needs Allocation (RHNA) of 239 units for the 2019-2027 Housing Element. To accomplish this mandate by the State, the City will: Update C1 and C2 Zones to allow by-right housing development, with objective design and development standards. Units allowed by-right will include multifamily, SROs, duplexes, triplexes, and fourplexes. 92 2019-2027 City of Ukiah Housing Element Adopted October 23, 2019 Update the R-2 Zone to allow up to 15 dwelling units per acre instead of 14 dwelling units per acre. Update the C-N Zone to increase residential density and allow similar housing types as those allowed in R-2. By-right housing program for select parcels. Specific to APNs 00304077, 00304078, and 00304079, rezone these parcels at the default density of 15 du/ac. Also rezone these parcels to allow residential use by-right for developments with at least 20% of the units affordable to lower income households. Funding: Departmental budget	Community Development Department, Planning Services Division	Ongoing, with annual reports to HCD and the City Council; develop and implement a project evaluation procedure pursuant to Government Code 65863, by June 30, 2021.
2i Monitor residential capacity (no net loss). Proactively monitor the consumption of residential acreage to ensure an adequate inventory is maintained for the City's RHNA obligations. Implement a project evaluation procedure pursuant to Government Code 65863. Should residential capacity fall below the remaining need for lower income housing, the City will identify and if necessary rezone sufficient sites to accommodate the shortfall and ensure "no net loss" in capacity to accommodate the RHNA. Funding: Departmental budget	Community Development Department, Planning Services Division	Ongoing, with annual reports to HCD and the City Council; develop and implement a project evaluation procedure pursuant to Government Code 65863, by June 30, 2021.

Implementing Programs	Responsible Department(s)	Schedule
2j First Time Homebuyer Assistance. The City of Ukiah offers assistance to eligible first-time homebuyers to purchase new or existing single-family or condominium units in the City. The program utilizes a combination of HOME, CalHome, CDBG, and/or other resources as they become available- through the Ukiah Housing Trust Fund. Restrictions apply and funds are available on a first-come, first-served basis. Funding: CDBG, HOME, Low- and Moderate-Income Housing Assets Funds, CalHome, and/or other funding sources as available	Community Development Department, Housing Services Division	Ongoing
